Having a local presence, IHG is particularly attracted to projects in its local community where we both live and work. IHG has joined efforts with The Strong Museum and Konar properties to develop the "Neighborhood of Play". IHG was awarded the hospitality portion of the project by the City of Rochester via an RFP process. IHG intends to construct a new 90,000 sq. ft. 5- story, 125 room Hampton Inn & Suites by Hilton. The new hotel will be located on the corner of South Union Street and Howell Street adjacent to The Strong Museum. This expansion of our portfolio is set to open in late 2021.

While maintaining the Hampton Inn standards on the upper guest room floors, the ground floor will have the fun, whimsical, and visual playfulness consistent with the neighborhood. We believe our hotel will benefit business and family travelers, local and afar, through design, food & beverage, art and knowledge. The hotel will have a small exhibition space featuring a gallery provided by the National Strong Museum of Play, for all those toy enthusiasts. Amenities include a complimentary breakfast for our guests, an onsite bar with open seating for guests and outside patrons alike, a large pool and fitness center. Guest services include a business center, shuttle service, free wi-fi, mobile check-in, 24-sundry shop and on-site guest laundry. This hotel will allow our guests to experience all the comforts of home all the while adding to the new urban environment of the City of Rochester.
