Part 617, as amended (collectively referred to as "SEQRA"), the Agency must satisfy the applicable requirements set forth in SEQRA, as necessary, prior to making a final determination whether to undertake the Project; and

WHEREAS, the Town of Henrietta Planning Board (the "Planning Board"), as lead agency, conducted an uncoordinated review of the Project pursuant to the New York State Environmental Quality Review Act, Article 8 of the Environmental Conservation Law and its implementing regulations at 6 N.Y.C.R.R. Part 617 (collectively referred to as "SEQRA"), which resulted in the issuance of a negative declaration by the Planning Board, dated August 17, 2021 (the "Negative Declaration"), concluding the SEQRA process.

NOW, THEREFORE, BE IT RESOLVED by the County of Monroe Industrial Development Agency as follows:

Section 1. The Company has presented an application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the application and other correspondence submitted by the Company to the Agency, the Agency hereby finds and determines that:

(a) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(b) The Facility constitutes a "project", as such term is defined in the Act; and

(c) It is desirable and in the public interest for the Agency to appoint the Company as its agent for purposes of undertaking the Project; and

(d) The action to be taken by the Agency will induce the Company to undertake the Project, thereby increasing employment opportunities in Monroe County and otherwise furthering the purposes of the Agency as set forth in the Act; and

(e) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries; and

(f) The Planning Board has conducted a review of the Project pursuant to Article 8 of the Environmental Conservation Law and 6 N.Y.C.R.R. Part 617 (collectively referred to as "SEQRA"). In addition to classifying the Project as an "Unlisted Action" pursuant to SEQRA, the Planning Board also issued a Negative Declaration on August 17, 2021, determining that the Project did not present a potential significant adverse environmental impact. The Agency, having reviewed the materials presented by the Company, further determines that the Project does not pose a potential significant adverse environmental impact and thus ratifies the Negative Declaration previously issued by the Planning Board pursuant to 6 N.Y.C.R.R. § 617.7.

Section 2. The Agency hereby determines that the acquisition of a leasehold interest in and the construction, equipping, repair and maintenance of the Facility by the Agency and the lease or sublease of the Facility to the Company will promote job opportunities, health, general prosperity and the economic welfare of the inhabitants of the County of Monroe and the people of the State of New York and improve their standard of living, thereby serving the public purposes of the Act and, therefore, the same is approved.

Section 3. The Agency hereby approves the cost/benefit report submitted by the Company listing the proposed cost/benefits of the Project.

Section 4. Subject to the Company executing the Project Agreement and the delivery to the Agency of a binder, certificate or other evidence of liability insurance policy for the Project satisfactory to the Agency, the Agency hereby authorizes the Company to proceed with the acquisition, construction and equipping of the Project and hereby appoints the Company as the true and lawful agent of the Agency to acquire, construct and equip the Facility, and such appointment includes the following activities as they relate to the construction, erection, completion, use, repair and maintenance of the Improvements and the purchase, use, lease, placement, installation, repair, maintenance and replacement of the Equipment, whether or not any materials or supplies described below are incorporated into or become an integral part of the Improvements or the Equipment: (i) all purchases, leases, rentals and other uses of tools, machinery and equipment in connection with acquiring, constructing, equipping, repairing and maintaining the Facility, (ii) all purchases, rentals, uses or consumption of supplies, materials and services of every kind and description in connection with acquiring, constructing, equipping, repairing and maintaining the Facility, and (iii) all purchases, leases, rentals and uses of equipment, machinery, and other tangible personal property (including installation costs with respect thereto), installed or placed in, upon or under the Improvements, Land or the Equipment, including all repairs, maintenance and replacement of all such property. Said agent is authorized to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency, and in general to do all things which may be requisite or proper for completing the Facility, all with the same powers and with the same validity as the Agency could do if acting on its own behalf. As agent of the Agency, the Company is authorized to delegate such agency, in whole or in part, to agents, subagents, contractors, subcontractors, contractors and subcontractors of such agents and subagents and to such other parties as the Company chooses; provided, however, the Project Agreement shall expire on **December 31, 2023** (unless extended for good cause by the Executive Director, Deputy Director, Chairman or Vice Chairman of the Agency) if the Lease Agreement, Leaseback Agreement and PILOT Agreement contemplated have not been executed and delivered. The Executive Director, Deputy Director, Chairman or Vice Chairman of the Agency are authorized and directed to execute and deliver to said agent an appropriate letter on Agency letterhead describing the authority granted under this resolution.

Section 5. Based upon the representation and warranties made by the Company in its application for financial assistance, the Agency hereby authorizes and approves (i) the Company as its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an amount up to **\$2,121,350** which result in New York State and local sales and use tax exemption benefits ("sales and use tax exemption benefits") not to exceed **\$169,708**. The Agency agrees to consider any requests by the Company for increase to the amount of sales and use tax exemption benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services; (ii) a mortgage (or mortgages), in connection with the financing of the Facility or portions thereof and including any refinancing thereof, securing an aggregate principal amount not to exceed **\$2,388,355**, resulting in a mortgage tax exemption not to exceed **\$17,913**; and (iii) a partial real property tax abatement.

Section 6. Pursuant to Section 875(3) of the New York General Municipal Law, the Agency may recover or recapture from the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any sales and use tax exemption benefits taken or purported to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the sales and use tax exemption benefits; (ii) the sales and use tax exemption benefits are in excess of the amounts authorized to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or (iv) the sales and use tax exemption benefits are taken in cases where the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, fails to comply with a material term or condition to use property or services in the manner approved by the Agency in connection with the Project. As a condition precedent of receiving sales and use tax exemption benefits, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, shall (i) cooperate with the Agency in its efforts to recover or recapture any sales and use tax exemption benefits, and (ii) promptly pay over any such amounts to the Agency that the Agency demands.

Section 7. The form and substance of the Lease Agreement, the Leaseback Agreement and the PILOT Agreement (each in substantially the forms presented to the Agency and which, prior to the execution and delivery thereof, may be redated) are hereby approved.

Section 8. The Executive Director, Deputy Director, Chairman or Vice Chairman of the Agency are hereby authorized, on behalf of the Agency, to negotiate and execute (A) the Lease Agreement whereby the Company leases the Project to the Agency, (B) the related Leaseback Agreement conveying the Project back to the Company, and (C) the PILOT Agreement; provided, that, (i) the rental payments under the Leaseback Agreement include payments of all costs incurred by the Agency arising out of or related to the Project and indemnification of the Agency by the Company for actions taken by the Company and/or claims arising out of or related to the Project; and (ii) the terms of the PILOT Agreement are consistent with the Agency's Uniform Tax Exemption Policy or the procedures for deviation have been complied with.

Section 9. The Executive Director, Deputy Director, Chairman or Vice Chairman of the Agency are hereby authorized, on behalf of the Agency, to execute and deliver any mortgage, assignment of leases and rents, security agreement, UCC-1 Financing Statements and all documents reasonably contemplated by these resolutions or required by any lender identified by the Company (the "Lender") up to a maximum principal amount necessary to undertake the Project, acquire the Facility and/or finance or refinance equipment and other personal property and related transactional costs (hereinafter, with the Lease Agreement, Leaseback Agreement and PILOT Agreement are collectively referred to as, the "Agency Documents"); and, where appropriate, the Secretary or Assistant Secretary of the Agency is hereby authorized to affix the seal of the Agency (if any) to the Agency Documents and to attest the same, all with such changes, variations, omissions and insertions as the Executive Director, Deputy Director, Chairman or Vice Chairman of the Agency shall approve, the execution thereof by the Executive

Director, Deputy Director, Chairman or Vice Chairman of the Agency to constitute conclusive evidence of such approval; provided in all events recourse against the Agency is limited to the Agency's interest in the Project.

Section 10. The Executive Director, Chairman or Vice Chairman of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of such Executive Director, Chairman or Vice Chairman of the Agency acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

Section 11. This resolution shall take effect immediately.

WHEREAS, the Company has agreed to indemnify the Agency against certain losses, claims, expenses, damages and liabilities which may arise in connection with the transactions contemplated by the lease of the Facility; and

WHEREAS, pursuant to the New York State Environmental Quality Review Act, Article 8 of the Environmental Conservation Law and the regulations adopted pursuant thereto at 6 N.Y.C.R.R. Part 617, as amended (collectively referred to as "SEQRA"), the Agency must satisfy the applicable requirements set forth in SEQRA, as necessary, prior to making a final determination whether to undertake the Project; and

WHEREAS, the Town of Greece Planning Board (the "Planning Board"), as lead agency, conducted an uncoordinated review of the Project pursuant to the New York State Environmental Quality Review Act, Article 8 of the Environmental Conservation Law and its implementing regulations at 6 N.Y.C.R.R. Part 617 (collectively referred to as "SEQRA"), which resulted in the issuance of a negative declaration by the Planning Board, dated June 20, 2018 (the "Negative Declaration"), concluding the SEQRA process.

NOW, THEREFORE, BE IT RESOLVED by the County of Monroe Industrial Development Agency as follows:

Section 1. The Company has presented an application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the application and other correspondence submitted by the Company to the Agency, the Agency hereby finds and determines that:

(a) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(b) The Facility constitutes a "project", as such term is defined in the Act; and

(c) It is desirable and in the public interest for the Agency to appoint the Company as its agent for purposes of undertaking the Project; and

(d) The action to be taken by the Agency will induce the Company to undertake the Project, thereby increasing employment opportunities in Monroe County and otherwise furthering the purposes of the Agency as set forth in the Act; and

(e) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries; and

(f) The Planning Board has conducted a review of the Project pursuant to Article 8 of the Environmental Conservation Law and 6 N.Y.C.R.R. Part 617 (collectively referred to as "SEQRA"). In addition to classifying the Project as a "Type I Action" pursuant to SEQRA, the Planning Board also issued a Negative Declaration on June 20, 2018, determining that the Project did not present a potential significant adverse environmental impact. The Agency, having reviewed the materials presented by the Company, further determines that the Project does not pose a potential significant adverse environmental impact and thus ratifies the Negative Declaration previously issued by the Planning Board pursuant to 6 N.Y.C.R.R. § 617.7.

Section 2. The Agency hereby determines that the acquisition of a leasehold interest in and the construction, equipping, repair and maintenance of the Facility by the Agency and the lease or sublease of the Facility to the Company will promote job opportunities, health, general prosperity and the economic welfare of the inhabitants of the County of Monroe and the people of the State of New York and improve their standard of living, thereby serving the public purposes of the Act and, therefore, the same is approved.

Section 3. The Agency hereby approves the cost/benefit report submitted by the Company listing the proposed cost/benefits of the Project.

Section 4. Subject to the Company executing the Project Agreement and the delivery to the Agency of a binder, certificate or other evidence of liability insurance policy for the Project satisfactory to the Agency, the Agency hereby authorizes the Company to proceed with the acquisition, construction and equipping of the Project and hereby appoints the Company as the true and lawful agent of the Agency to acquire, construct and equip the Facility, and such appointment includes the following activities as they relate to the construction, erection, completion, use, repair and maintenance of the Improvements and the purchase, use, lease, placement, installation, repair, maintenance and replacement of the Equipment, whether or not any materials or supplies described below are incorporated into or become an integral part of the Improvements or the Equipment: (i) all purchases, leases, rentals and other uses of tools, machinery and equipment in connection with acquiring, constructing, equipping, repairing and maintaining the Facility, (ii) all purchases, rentals, uses or consumption of supplies, materials and services of every kind and description in connection with acquiring, constructing, equipping, repairing and maintaining the Facility, and (iii) all purchases, leases, rentals and uses of equipment, machinery, and other tangible personal property (including installation costs with respect thereto), installed or placed in, upon or under the Improvements, Land or the Equipment, including all repairs, maintenance and replacement of all such property. Said agent is authorized to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency, and in general to do all things which may be requisite or proper for completing the Facility, all with the same powers and with the same validity as the Agency could do if acting on its own behalf. As agent of the Agency, the Company is authorized to delegate such agency, in whole or in part, to agents, subagents, contractors, subcontractors, contractors and subcontractors of such agents and subagents and to such other parties as the Company chooses; provided, however, the Project Agreement shall expire on **December 31, 2023** (unless extended for good cause by the Executive Director, Deputy Director, Chairman or Vice Chairman of the Agency) if the Lease Agreement, Leaseback Agreement and PILOT Agreement contemplated have not been executed and delivered. The Executive Director, Deputy Director, Chairman or Vice Chairman of the Agency are authorized and directed to execute and deliver to said agent an appropriate letter on Agency letterhead describing the authority granted under this resolution.

Section 5. Based upon the representation and warranties made by the Company in its application for financial assistance, the Agency hereby authorizes and approves (i) the Company as its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an amount up to **\$2,693,200** which result in New York State and local sales and use tax exemption benefits ("sales and use tax exemption benefits") not to exceed **\$215,456**. The Agency agrees to consider any requests by the Company for increase to the amount of sales and use tax exemption benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services; (ii) a mortgage (or mortgages), in connection with the financing of the Facility or portions thereof and including any refinancing thereof, securing an aggregate principal amount not to exceed **\$4,500,000**, resulting in a mortgage tax exemption not to exceed **\$33,750**; and (iii) a partial real property tax abatement.

Section 6. Pursuant to Section 875(3) of the New York General Municipal Law, the Agency may recover or recapture from the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any sales and use tax exemption benefits taken or purported to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the sales and use tax exemption benefits; (ii) the sales and use tax exemption benefits are in excess of the amounts authorized to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or (iv) the sales and use tax exemption benefits are taken in cases where the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, fails to comply with a material term or condition to use property or services in the manner approved by the Agency in connection with the Project. As a condition precedent of receiving sales and use tax exemption benefits, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, shall (i) cooperate with the Agency in its efforts to recover or recapture any sales and use tax exemption benefits, and (ii) promptly pay over any such amounts to the Agency that the Agency demands.

Section 7. The form and substance of the Lease Agreement, the Leaseback Agreement and the PILOT Agreement (each in substantially the forms presented to the Agency and which, prior to the execution and delivery thereof, may be redated) are hereby approved.

Section 8. The Executive Director, Deputy Director, Chairman or Vice Chairman of the Agency are hereby authorized, on behalf of the Agency, to negotiate and execute (A) the Lease Agreement whereby the Company leases the Project to the Agency, (B) the related Leaseback Agreement conveying the Project back to the Company, and (C) the PILOT Agreement; provided, that, (i) the rental payments under the Leaseback Agreement include payments of all costs incurred by the Agency arising out of or related to the Project and indemnification of the Agency by the Company for actions taken by the Company and/or claims arising out of or related to the Project; and (ii) the terms of the PILOT Agreement are consistent with the Agency's Uniform Tax Exemption Policy or the procedures for deviation have been complied with.
