RENOVATING, EQUIPPING, REPAIRING AND MAINTAINING THE  
FACILITY, AUTHORIZING THE EXECUTION AND DELIVERY OF AN  
AGENT AGREEMENT AND MAKING CERTAIN FINDINGS AND  
DETERMINATIONS WITH RESPECT TO THE FACILITY

WHEREAS, **RIVERWOOD TECH CAMPUS, LLC**, a New York limited liability company, for itself or an entity formed or to be formed (the "Company"), has applied to the County of Monroe Industrial Development Agency (the "Agency") requesting the Agency to assist with a certain project (the "Project") consisting of: (A) the acquisition by lease, license or otherwise, of an interest in an approximately 150-acre parcel of land located at 4545 East River Road in the Town of Henrietta, New York [Tax Map Nos. 174.03-2-1.11 and 174.03-2-1.12] (collectively, the "Land") together with the long vacant, approximately 365,000 square-foot former Kodak Marketing Education Center located thereon (the "Existing Improvements"); (B) the renovation and revitalization of the Existing Improvements into high tech office space, assembly and light industrial multi-tenant space (the "Improvements"), and (C) the acquisition and installation therein, thereon or thereabout of certain machinery, equipment and related personal property (the "Equipment" and, together with the Land, the Existing Improvements and the Improvements, the "Facility"), to be subleased to various as-yet-unnamed tenants; all pursuant to Article 18-A of the General Municipal Law of the State of New York and Chapter 55 of the Laws of 1972 of the State of New York, as amended from time to time (collectively, the "Act"); and

WHEREAS, the Act authorizes and empowers the Agency to promote, develop, encourage and assist projects such as the Facility and to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York; and

WHEREAS, a public hearing was held on October 19, 2015, so that all persons with views in favor of or opposed to either the financial assistance contemplated by the Agency or the location or nature of the Facility could be heard and afforded an opportunity, both orally and in writing, to present said views; notice of said public hearing was published in a newspaper of general circulation in the County of Monroe and forwarded to the affected taxing jurisdictions at least ten (10) days prior to said public hearing; and

WHEREAS, the Company has agreed to indemnify the Agency against certain losses, claims, expenses, damages and liabilities that may arise in connection with the transaction contemplated by the transfer of a leasehold interest in the Land (as such term is defined in the Leaseback Agreement) and the Facility to the Agency and the lease or sublease of the Facility to the Company.

NOW, THEREFORE, BE IT RESOLVED by the County of Monroe Industrial Development Agency (a majority of the members thereof affirmatively concurring) that:

Section 1. An environmental review of the Facility pursuant to the State Environmental Quality Review Act ("SEQR") has been conducted by the appropriate lead

agency. The Agency's actions and approvals taken herein are based on a review of a negative declaration issued by that lead agency which the Agency hereby ratifies and confirms.

Section 2. The Agency hereby determines that the acquisition of a leasehold interest in and the renovation, equipping, repair and maintenance of the Facility by the Agency and the lease or sublease of the Facility to the Company will promote job opportunities, health, general prosperity and the economic welfare of the inhabitants of the County of Monroe and the people of the State of New York and improve their standard of living, thereby serving the public purposes of the Act and, therefore, the same is approved;

Section 3. The Agency hereby approves the cost/benefit report submitted by the Company listing the proposed cost/benefits of the Project;

Section 4. The form and substance of a proposed agent agreement (in substantially the form presented to this meeting) by and between the Agency and the Company setting forth the undertakings of the Agency and the Company with respect to the development of the Facility (the "Agent Agreement") is hereby approved. The Acting Executive Director, Deputy Executive Director or any officer of the Agency is hereby authorized, on behalf of the Agency, to execute and deliver the Agent Agreement, with such changes in terms and conditions, as the Acting Executive Director, Deputy Executive Director or any officer of the Agency shall approve. The execution thereof by the Acting Executive Director, Deputy Executive Director or any officer of the Agency shall constitute conclusive evidence of such approval.

Section 5. Subject to the conditions set forth in the Agent Agreement, the Agency shall (i) acquire an interest in the Land, (ii) acquire a leasehold interest in, and renovate and equip the Facility, and (iii) lease the Facility to the Company.

Section 6. The Company is hereby appointed the true and lawful agent of the Agency to acquire, renovate and equip the Facility, and such appointment includes the following activities as they relate to the construction, erection, completion, use, repair and maintenance of the Improvements and the purchase, use, lease, placement, installation, repair, maintenance and replacement of the Equipment, whether or not any materials or supplies described below are incorporated into or become an integral part of the Improvements or the Equipment: (i) all purchases, leases, rentals and other uses of tools, machinery and equipment in connection with acquiring, renovating, equipping, repairing and maintaining the Facility, (ii) all purchases, rentals, uses or consumption of supplies, materials and services of every kind and description in connection with acquiring, renovating, equipping, repairing and maintaining the Facility, and (iii) all purchases, leases, rentals and uses of equipment, machinery, and other tangible personal property (including installation costs with respect thereto), installed or placed in, upon or under the Improvements, Land or the Equipment, including all repairs, maintenance and replacement of all such property. Said agent is authorized to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency, and in general to do all things which may be requisite or proper for completing the Facility, all with the same powers and with the same validity as the Agency could do if acting on its own behalf. As agent of the Agency, the Company is authorized to delegate such agency, in whole or in part, to agents, subagents, contractors, subcontractors, contractors and subcontractors of such agents and subagents and to such other parties as the Company chooses. The Acting Executive Director, Deputy Executive Director or any officer of the Agency are each authorized and directed to

execute and deliver to said agent an appropriate letter on Agency letterhead describing the authority granted under this resolution.

Section 7. Based upon the representation and warranties made by the Company in its application for financial assistance, the Agency hereby authorizes and approves the Company, as its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an amount up to **\$9,790,000**, which result in New York State and local sales and use tax exemption benefits ("sales and use tax exemption benefits") not to exceed **\$783,200**. The Agency agrees to consider any requests by the Company for increase to the amount of sales and use tax exemption benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services.

Section 8. Pursuant to Section 875(3) of the New York General Municipal Law, the Agency may recover or recapture from the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any sales and use tax exemption benefits taken or purported to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the sales and use tax exemption benefits; (ii) the sales and use tax exemption benefits are in excess of the amounts authorized to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or (iv) the sales and use tax exemption benefits are taken in cases where the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, fails to comply with a material term or condition to use property or services in the manner approved by the Agency in connection with the Project. As a condition precedent of receiving sales and use tax exemption benefits, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, must (i) cooperate with the Agency in its efforts to recover or recapture any sales and use tax exemption benefits, and (ii) promptly pay over any such amounts to the Agency that the Agency demands.

Section 9. Counsel to the Agency is authorized and directed to work with Counsel for the Company to prepare, for submission to the Agency, all documents necessary to effect the transactions described in the foregoing resolutions.

Section 10. The Acting Executive Director, Deputy Executive Director or any officer of the Agency is hereby authorized and directed (i) to distribute copies of this resolution to the Company and (ii) to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this resolution.

Section 11. This resolution shall take effect immediately.

WHEREAS, the Act authorizes and empowers the Agency to promote, develop, encourage and assist projects such as the Facility and to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York; and

WHEREAS, a public hearing was held on October 19, 2015, so that all persons with views in favor of or opposed to either the financial assistance contemplated by the Agency or the location or nature of the Facility could be heard and afforded an opportunity, both orally and in writing, to present said views; notice of said public hearing was published in a newspaper of general circulation in the County of Monroe and forwarded to the affected taxing jurisdictions at least ten (10) days prior to said public hearing; and

WHEREAS, the Company has agreed to indemnify the Agency against certain losses, claims, expenses, damages and liabilities that may arise in connection with the transaction contemplated by the transfer of a leasehold interest in the Land (as such term is defined in the Leaseback Agreement) and the Facility to the Agency and the lease or sublease of the Facility to the Company.

NOW, THEREFORE, BE IT RESOLVED by the County of Monroe Industrial Development Agency (a majority of the members thereof affirmatively concurring) that:

Section 1. An environmental review of the Facility pursuant to the State Environmental Quality Review Act ("SEQR") has been conducted by the appropriate lead agency. The Agency's actions and approvals taken herein are based on a review of a negative declaration issued by that lead agency which the Agency hereby ratifies and confirms.

Section 2. The Agency hereby determines that the acquisition of a leasehold interest in and the construction, equipping, repair and maintenance of the Facility by the Agency and the lease or sublease of the Facility to the Company will promote job opportunities, health, general prosperity and the economic welfare of the inhabitants of the County of Monroe and the people of the State of New York and improve their standard of living, thereby serving the public purposes of the Act and, therefore, the same is approved;

Section 3. The Agency hereby approves the cost/benefit report submitted by the Company listing the proposed cost/benefits of the Project;

Section 4. The form and substance of a proposed agent agreement (in substantially the form presented to this meeting) by and between the Agency and the Company setting forth the undertakings of the Agency and the Company with respect to the development of the Facility (the "Agent Agreement") is hereby approved. The Acting Executive Director, Deputy Executive Director or any officer of the Agency is hereby authorized, on behalf of the Agency, to execute and deliver the Agent Agreement, with such changes in terms and conditions, as the Acting Executive Director, Deputy Executive Director or any officer of the Agency shall approve. The execution thereof by the Acting Executive Director, Deputy Executive Director or any officer of the Agency shall constitute conclusive evidence of such approval.

Section 5. Subject to the conditions set forth in the Agent Agreement, the Agency shall (i) acquire an interest in the Land, (ii) acquire a leasehold interest in, and construct and equip the Facility, and (iii) lease the Facility to the Company.

Section 6. The Company is hereby appointed the true and lawful agent of the Agency to acquire, construct and equip the Facility, and such appointment includes the following activities as they relate to the construction, erection, completion, use, repair and maintenance of the Improvements and the purchase, use, lease, placement, installation, repair, maintenance and replacement of the Equipment, whether or not any materials or supplies described below are incorporated into or become an integral part of the Improvements or the Equipment: (i) all purchases, leases, rentals and other uses of tools, machinery and equipment in connection with acquiring, constructing, equipping, repairing and maintaining the Facility, (ii) all purchases, rentals, uses or consumption of supplies, materials and services of every kind and description in connection with acquiring, constructing, equipping, repairing and maintaining the Facility, and (iii) all purchases, leases, rentals and uses of equipment, machinery, and other tangible personal property (including installation costs with respect thereto), installed or placed in, upon or under the Improvements, Land or the Equipment, including all repairs, maintenance and replacement of all such property. Said agent is authorized to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency, and in general to do all things which may be requisite or proper for completing the Facility, all with the same powers and with the same validity as the Agency could do if acting on its own behalf. As agent of the Agency, the Company is authorized to delegate such agency, in whole or in part, to agents, subagents, contractors, subcontractors, contractors and subcontractors of such agents and subagents and to such other parties as the Company chooses. The Acting Executive Director, Deputy Executive Director or any officer of the Agency are each authorized and directed to execute and deliver to said agent an appropriate letter on Agency letterhead describing the authority granted under this resolution.

Section 7. Based upon the representations and warranties made by the Company in its application for financial assistance, the Agency hereby authorizes and approves the Company, as its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an amount up to **\$1,360,000**, which result in New York State and local sales and use tax exemption benefits ("sales and use tax exemption benefits") not to exceed **\$108,800**. The Agency also hereby authorizes and approves the Tenant, as its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an amount up to **\$300,000**, which result in New York State and local sales and use tax exemption benefits ("sales and use tax exemption benefits") not to exceed **\$24,000**. The Agency agrees to consider any requests by the Company and/or the Tenant for increase to the amount of sales and use tax exemption benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services.

Section 8. Pursuant to Section 875(3) of the New York General Municipal Law, the Agency may recover or recapture from the Company, the Tenant, their respective agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any sales and use tax exemption benefits taken or purported to be taken by the Company, the Tenant, their respective agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, the Tenant, their respective agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the sales and use tax exemption benefits; (ii) the sales and use tax exemption benefits are in excess of the amounts authorized to be taken by the Company, the Tenant, their respective agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or (iv) the sales and use tax exemption benefits are taken in cases where the Company, the Tenant, their respective agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, fails to comply with a material term or condition to use property or services in the manner approved by the Agency in connection with the Project. As a condition precedent of receiving sales and use tax exemption benefits, the Company, the Tenant, their respective agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, must (i) cooperate with the Agency in its efforts to recover or recapture any sales and use tax exemption benefits, and (ii) promptly pay over any such amounts to the Agency that the Agency demands.

Section 9. Counsel to the Agency is authorized and directed to work with Counsel for the Company to prepare, for submission to the Agency, all documents necessary to effect the transactions described in the foregoing resolutions.

Section 10. The Acting Executive Director, Deputy Executive Director or any officer of the Agency is hereby authorized and directed (i) to distribute copies of this resolution to the Company and (ii) to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this resolution.

Section 11. This resolution shall take effect immediately.

The form and substance of a proposed agent agreement (in substantially the form presented to this meeting) by and between the Agency and the Company setting forth the undertakings of the Agency and the Company with respect to the development of the Facility (the "Agent Agreement") is hereby approved. The Acting Executive Director, Deputy Executive Director or any officer of the Agency is hereby authorized, on behalf of the Agency, to execute and deliver the Agent Agreement, with such changes in terms and conditions, as the Acting Executive Director, Deputy Executive Director or any officer of the Agency shall approve. The execution thereof by the Acting Executive Director, Deputy Executive Director or any officer of the Agency shall constitute conclusive evidence of such approval.

Section 5. Subject to the conditions set forth in the Agent Agreement, the Agency shall (i) acquire an interest in the Land, (ii) acquire a leasehold interest in, and renovate and equip the Facility, and (iii) lease the Facility to the Company.

Section 6. The Company is hereby appointed the true and lawful agent of the Agency to acquire, renovate and equip the Facility, and such appointment includes the following activities as they relate to the construction, renovation, erection, completion, use, repair and maintenance of the Improvements and the purchase, use, lease, placement, installation, repair, maintenance and replacement of the Equipment, whether or not any materials or supplies described below are incorporated into or become an integral part of the Improvements or the Equipment: (i) all purchases, leases, rentals and other uses of tools, machinery and equipment in connection with acquiring, renovating, equipping, repairing and maintaining the Facility, (ii) all purchases, rentals, uses or consumption of supplies, materials and services of every kind and description in connection with acquiring, renovating, equipping, repairing and maintaining the Facility, and (iii) all purchases, leases, rentals and uses of equipment, machinery, and other tangible personal property (including installation costs with respect thereto), installed or placed in, upon or under the Improvements, Land or the Equipment, including all repairs, maintenance and replacement of all such property. Said agent is authorized to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency, and in general to do all things which may be requisite or proper for completing the Facility, all with the same powers and with the same validity as the Agency could do if acting on its own behalf. As agent of the Agency, the Company is authorized to delegate such agency, in whole or in part, to agents, subagents, contractors, subcontractors, contractors and subcontractors

of such agents and subagents and to such other parties as the Company chooses. The Acting Executive Director, Deputy Executive Director or any officer of the Agency are each authorized and directed to execute and deliver to said agent an appropriate letter on Agency letterhead describing the authority granted under this resolution.

Section 7. Based upon the representation and warranties made by the Company in its application for financial assistance, the Agency hereby authorizes and approves the Company, as its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an amount up to **\$2,146,500**, which result in New York State and local sales and use tax exemption benefits ("sales and use tax exemption benefits") not to exceed **\$171,720**. The Agency agrees to consider any requests by the Company for increase to the amount of sales and use tax exemption benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services.

Section 8. Pursuant to Section 875(3) of the New York General Municipal Law, the Agency may recover or recapture from the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any sales and use tax exemption benefits taken or purported to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the sales and use tax exemption benefits; (ii) the sales and use tax exemption benefits are in excess of the amounts authorized to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or (iv) the sales and use tax exemption benefits are taken in cases where the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, fails to comply with a material term or condition to use property or services in the manner approved by the Agency in connection with the Project. As a condition precedent of receiving sales and use tax exemption benefits, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, must (i) cooperate with the Agency in its efforts to recover or recapture any sales and use tax exemption benefits, and (ii) promptly pay over any such amounts to the Agency that the Agency demands.

Section 9. Counsel to the Agency is authorized and directed to work with Counsel for the Company to prepare, for submission to the Agency, all documents necessary to effect the transactions described in the foregoing resolutions.

The Acting Executive Director, Deputy Executive Director or any officer of the Agency is hereby authorized and directed (i) to distribute copies of this resolution to the Company and (ii) to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this resolution.

WHEREAS, the Act authorizes and empowers the Agency to promote, develop, encourage and assist projects such as the Facility and to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York; and

WHEREAS, a public hearing was held on October 19, 2015, so that all persons with views in favor of or opposed to either the financial assistance contemplated by the Agency or the location or nature of the Facility could be heard and afforded an opportunity, both orally and in writing, to present said views; notice of said public hearing was published in a newspaper of general circulation in the County of Monroe and forwarded to the affected taxing jurisdictions at least ten (10) days prior to said public hearing; and

NOW, THEREFORE, BE IT RESOLVED by the County of Monroe Industrial Development Agency (a majority of the members thereof affirmatively concurring) that:

Section 1. An environmental review of the Facility pursuant to the State Environmental Quality Review Act ("SEQR") has been conducted by the appropriate lead agency. The Agency's actions and approvals taken herein are based on a review of a negative declaration issued by that lead agency which the Agency hereby ratifies and confirms.

Section 2. The Agency hereby determines that the acquisition of a leasehold interest in and the renovation, equipping, repair and maintenance of the Facility by the Agency and the lease or sublease of the Facility to the Company will promote job opportunities, health, general prosperity and the economic welfare of the inhabitants of the County of Monroe and the people of the State of New York and improve their standard of living, thereby serving the public purposes of the Act and, therefore, the same is approved;

Section 3. The Agency hereby approves the cost/benefit report submitted by the Company listing the proposed cost/benefits of the Project;

Section 4. The form and substance of a proposed agent agreement (in substantially the form presented to this meeting) by and between the Agency and the Company setting forth the undertakings of the Agency and the Company with respect to the development of the Facility (the "Agent Agreement") is hereby approved. The Acting Executive Director, Deputy Executive Director or any officer of the Agency is hereby authorized, on behalf of the Agency, to execute and deliver the Agent Agreement, with such changes in terms and conditions, as the Acting Executive Director, Deputy Executive Director or any officer of the Agency shall approve. The execution thereof by the Acting Executive Director, Deputy Executive Director or any officer of the Agency shall constitute conclusive evidence of such approval.

Section 5. Subject to the conditions set forth in the Agent Agreement, the Agency shall (i) acquire an interest in the Land, (ii) acquire a leasehold interest in, and renovate and equip the Facility, and (iii) lease the Facility to the Company.

Section 6. The Company is hereby appointed the true and lawful agent of the Agency to acquire, renovate and equip the Facility, and such appointment includes the following activities as they relate to the construction, renovation, erection, completion, use, repair and maintenance of the Improvements and the purchase, use, lease, placement, installation, repair, maintenance and replacement of the Equipment, whether or not any materials or supplies described below are incorporated into or become an integral part of the Improvements or the Equipment: (i) all purchases, leases, rentals and other uses of tools, machinery and equipment in connection with acquiring, renovating, equipping, repairing and maintaining the Facility, (ii) all purchases, rentals, uses or consumption of supplies, materials and services of every kind and description in connection with acquiring, renovating, equipping, repairing and maintaining the Facility, and (iii) all purchases, leases, rentals and uses of equipment, machinery, and other tangible personal property (including installation costs with respect thereto), installed or placed in, upon or under the Improvements, Land or the Equipment, including all repairs, maintenance and replacement of all such property. Said agent is authorized to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agent for the Agency, and in general to do all things which may be requisite or proper for completing the Facility, all with the same powers and with the same validity as the Agency could do if acting on its own behalf. As agent of the Agency, the Company is authorized to delegate such agency, in whole or in part, to agents, subagents, contractors, subcontractors, contractors and subcontractors of such agents and subagents and to such other parties as the Company chooses. The Acting Executive Director, Deputy Executive Director or any officer of the Agency are each authorized and directed to execute and deliver to said agent an appropriate letter on Agency letterhead describing the authority granted under this resolution.

Section 7. Based upon the representations and warranties made by the Company in its application for financial assistance, the Agency hereby authorizes and approves the Company, as

its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an amount up to **\$400,000**, which result in New York State and local sales and use tax exemption benefits ("sales and use tax exemption benefits") not to exceed **\$32,000**. The Agency also hereby authorizes and approves the Tenant, as its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an amount up to **\$550,000**, which result in New York State and local sales and use tax exemption benefits ("sales and use tax exemption benefits") not to exceed **\$44,000**. The Agency agrees to consider any requests by the Company and/or the Tenant for increase to the amount of sales and use tax exemption benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services.

Section 8. Pursuant to Section 875(3) of the New York General Municipal Law, the Agency may recover or recapture from the Company, the Tenant, their respective agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any sales and use tax exemption benefits taken or purported to be taken by the Company, the Tenant, their respective agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, the Tenant, their respective agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the sales and use tax exemption benefits; (ii) the sales and use tax exemption benefits are in excess of the amounts authorized to be taken by the Company, the Tenant, their respective agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or (iv) the sales and use tax exemption benefits are taken in cases where the Company, the Tenant, their respective agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, fails to comply with a material term or condition to use property or services in the manner approved by the Agency in connection with the Project. As a condition precedent of receiving sales and use tax exemption benefits, the Company, the Tenant, their respective agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, must (i) cooperate with the Agency in its efforts to recover or recapture any sales and use tax exemption benefits, and (ii) promptly pay over any such amounts to the Agency that the Agency demands.

Section 9. Counsel to the Agency is authorized and directed to work with Counsel for the Company to prepare, for submission to the Agency, all documents necessary to effect the transactions described in the foregoing resolutions.

Section 10. The Acting Executive Director, Deputy Executive Director or any officer of the Agency is hereby authorized and directed (i) to distribute copies of this resolution to the Company and (ii) to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this resolution.

Section 11. This resolution shall take effect immediately.
