	Home Leasing and Episcopal Senior Life Communities (ESLC) are collaborating to develop a multi-phase mixed-use project that will provide for a wide range of housing options for seniors – independent living supportive housing for frail seniors, assisted living and memory care – in Penfield, a thriving suburban community in Monroe County.
	For the portion of the project requesting COMIDA benefits, Home Leasing will develop and manage 113 affordable apartments, including 103 1-bedroom and 10 2-bedroom units. These units will be available to households at 50% and 60% of the Area Median Income (AMI) and 40 will be designated as permanent supportive housing for frail seniors with support services provided by ESLC. This will be the first affordable housing development in Penfield in several decades. Light-filled units will include full kitchens with dishwashers, central air-conditioning, in-unit storage, and private balconies. The community will also include ADA-accessible units, a community room, fitness center, and laundry facilities. Home Leasing communities welcome pets and encourage community gardens. Utilities are included in the rent. Two commercial buildings as required by the Town of Penfield Mixed Use Development zoning will provide for opportunities for complimentary retail, medical and/or community services.
	In addition to the above COMIDA-assisted portion of the project, ESLC will develop 70 units of assisted living, including memory care units adjacent to the Home Leasing independent living community. An enclosed connection will attach the buildings so that residents can benefit from programs and services provided at either community, supporting their ability to age in place. Aging in place was one of the fundamental goals when this community was first conceived.
	The project is located on 8.4 acres that was recently rezoned to help realize the Town of Penfield's vision to create a true mixed-use district. The site will also incorporate a traditional village square, complete streets and bicycle/pedestrian connectivity. The site is adjacent to the Eastside YMCA, a 20.000-member facility that includes a bustling senior center, robust Silver Sneakers programming, and health care facilities
	The benefits requested is for the Shelter Rent program only. We are not requesting sales tax exemption or mortgage tax exemption benefits from COMIDA.
