GreatRebate Terms and Conditions

The GreatRebate Program provides businesses with a rebate on equipment purchased with cash of at least \$50,000 provided the company meets its **subsidy target** as detailed below. If the equipment purchase is made from a local vendor, the rebate will be \$5,000; otherwise it will be \$4,000 (see definition of local vendor on page 2).

GreatRebate Job Creation Terms:

- The purchase of equipment must result in the creation of two (2) full-time equivalent jobs **OR** an increase of 10% in the employee base (as reported on page 1), whichever is less.
- Job creation must occur in Monroe County within 12 months of the equipment purchase. The company will receive the GreatRebate at the end of the 12 month period. The 12 month period begins from the date that MCIDC staff received proof of purchase, proof of payment in full for the equipment and inspects to assure delivery of equipment. If the **subsidy target** goal is not attained at the end of the 12 month period, the rebate will not be paid. However, if the company has not met the subsidy target at the end of year one (1) but maintained jobs, the company will be eligible to receive the rebate in year two (2) if they have met the **subsidy target**.

GreatRebate Additional Terms:

- The applicant must provide satisfactory proof of purchase for all equipment purchased.
- If the company relocates outside Monroe County during the initial one year period the GreatRebate will not be paid. Additionally, if the company relocates outside Monroe County within two years after receipt of the GreatRebate, the rebate must be paid back in full.
