ReddRoc, LLC intends to open a full service restaurant named REDD in the vacant building located at 24 Winthrop St. in the East End of Rochester. The restaurant will feature a full-service bar personifying a classic big city American tavern, including an extensive menu of classic cocktails and fare. Upon arrival, you will enter into a space that captures the essence of both traditional and progressive American cuisine. The menu and recipes will be executed at the highest level reflecting Reddington's experiences from around the world. Simplicity and elegance coupled with great food will create an unrivaled dining experience in the region. It's a concept and level of service that Rochester does not currently offer and will notably contribute to the residential and commercial growth in the City's East End.
