Home

Monroe County Industrial Development Corporation (MCIDC) has been formed as a not-for-profit local development Corporation under the Membership Corporation Law and operated under its successor statute, Article 14 of the Not-For-Profit Corporation Law.

Its purpose is promoting and providing economic development opportunities within the County of Monroe, providing additional employment and job opportunities, and promotion of scientific research, all as more fully set forth in the Certificate of Incorporation as amended, and initially filed in the New York State Department of State on November 2, 1962.
