

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that a public hearing pursuant to Article 18-A of the New York State General Municipal Law will be held by the County of Monroe Industrial Development Agency (the "Agency") on the 21st day of January, 2014 at 11:15 a.m., local time, in the Conference Room of the Ebenezer Watts Conference Center, 49 South Fitzhugh Street, Rochester, New York 14614, in connection with the following matter:

FRANKLIN BEVIER, LLC, a New York limited liability company, its successors or designees (collectively, the "Company") has requested that the Agency assist with a certain Project (the "Project"), consisting of: (A) the acquisition by lease, license or otherwise, of an interest in (i) an approximately 0.26-acre parking lot located at 48 South Washington Street (Tax Map No. 121.300-0001-043) and (ii) an approximately 0.23-acre parcel of land located at 42 South Washington Street (Tax Map No. 121.300-0004-045), each in the City of Rochester, New York (the "Land"), together with the existing approximately 26,761 square foot vacant Bevier Memorial Building situate thereon (the "Existing Improvements"); (B) the historic restoration of the outside of the Existing Improvements to its original appearance and the full reconstruction and conversion of the inside of the Existing Improvements into a mixed-use development with fifteen (15) market-rate loft-style apartments on three floors above 5,000 square feet of ground level Class A office space (collectively, the "Improvements"); and (C) the acquisition and installation therein, thereon or thereabout of certain machinery, equipment and related personal property (the "Equipment" and, together with the Land, the Existing Improvements and the Improvements, the "Facility"). The Facility will be initially operated and/or managed by the Company.

The Agency will acquire an interest in the Facility and lease the Facility to the Company. The financial assistance contemplated by the Agency will consist generally of the exemption from taxation expected to be claimed by the Company as a result of the Agency taking an interest in, possession or control (by lease, license or otherwise) of the Facility, or of the Company acting as an agent of the Agency, consisting of: (i) exemption from state and local sales and use tax with respect to the qualifying personal property portion of the Facility, (ii) exemption from mortgage recording tax with respect to any qualifying mortgage on the Facility, and (iii) exemption from general real property taxation with respect to the Facility, which exemption shall be offset, in whole or in part, by contractual payments in lieu of taxes by the Company for the benefit of affected tax jurisdictions.

A copy of the Company's application, containing the Benefit/Incentive analysis, is available for inspection at the Agency's offices at 8100 CityPlace, 50 West Main Street, Rochester, New York 14614 during normal business hours, Monday through Friday, and will be available for inspection and review at the above-scheduled Public Hearing.

The Agency will at the above-stated time and place hear all persons with views in favor of or opposed to either the location or nature of the Facility, or the proposed financial assistance being contemplated by the Agency. In addition, at, or prior to, such hearing, interested parties may submit to the Agency written materials pertaining to such matters.
