

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that a public hearing pursuant to Article 18-A of the New York State General Municipal Law will be held by the County of Monroe Industrial Development Agency (the "Agency") on Thursday, the 11th day of February, 2021 at 11:00 a.m., local time, at the Agency's offices, 50 West Main Street, Rochester, New York 14614. **PLEASE NOTE** the special hearing logistics and instructions included at the end of this notice.

PLUG POWER INC., a Delaware corporation for itself, or a related entity formed or to be formed (collectively, the "Company") has requested that the Agency assist with a certain Project (the "Project"), consisting of: (A) the acquisition of a leasehold interest in an approximately 12.05-acre parcel of land located at 1025 John Street in the Town of Henrietta, New York (the "Land") together with the building thereon (the "Existing Improvements"); (B) the renovation of the Existing Improvements (the "Improvements"); and (C) the acquisition and installation therein, thereon or thereabout of certain machinery, equipment and related personal property (the "Equipment" and, together with the Land, the Existing Improvements and the Improvements, the "Facility"), to be used by the Company in its business as the leading provider of green hydrogen and zero emission fuel cell solutions.

The Agency will acquire a leasehold interest in the Facility and lease the Facility back to the Company. The Company and/or Tenant will operate the Facility during the term of the lease. At the end of the lease term the Agency's leasehold interest will be terminated. The Agency contemplates that it will provide financial assistance to the Company in the form of sales and use tax exemptions and, if necessary, a mortgage recording tax exemption, consistent with the policies of the Agency, and a partial real property tax abatement.

PLEASE NOTE SPECIAL PUBLIC HEARING CONDUCT INSTRUCTIONS AND INFORMATION:
