

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that a public hearing pursuant to Article 18-A of the New York State General Municipal Law will be held by the County of Monroe Industrial Development Agency (the "Agency") on Tuesday, the 18th day of August, 2020 at 10:15 a.m., local time, at the Agency's offices, 50 West Main Street, Rochester, New York 14614. **PLEASE NOTE** the special hearing logistics and instructions included at the end of this notice.

MENDON RENEWABLES, LLC, a Delaware limited liability company or an entity formed or to be formed (collectively, the "Company") has requested that the Agency assist with a certain Project (the "Project"), consisting of: (A) the development of a 5 MW (AC) ground-mounted solar energy project (the "Improvements") on an approximately 26-acre portion of an aggregate approximately 169-acre parcel of land at 632 Quaker Meeting House Road in the Town of Mendon, New York (the "Land"); and (B) the acquisition and installation therein, thereon or thereabout of certain machinery, equipment and related personal property (the "Equipment" and, together with the Land and the Improvements, the "Facility"); to provide a significant benefit to the local community by enabling residents in the area to participate in a share of a local clean energy project and receive a discount on their electricity bills. The Facility will be initially operated and/or managed by the Company.

The Agency will acquire a leasehold interest in the Facility and lease the Facility back to the Company. The Company will operate the Facility during the term of the lease. At the end of the lease term the Agency's leasehold interest will be terminated. The Agency contemplates that it will provide financial assistance (the "Financial Assistance") to the Company in the form of sales and use tax exemptions and a mortgage recording tax exemption, consistent with the policies of the Agency.
