

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that a public hearing pursuant to Article 18-A of the New York State General Municipal Law will be held by the County of Monroe Industrial Development Agency (the "Agency") on the 20th day of October, 2015 at 11:45 a.m., local time, at the Ebenezer Watts Building, 49 South Fitzhugh Street, Rochester, New York 14614, in connection with the following matter:

QUALITY VISION INTERNATIONAL INC., a New York corporation, for itself or an entity formed or to be formed (collectively, the "Company") has requested that the Agency assist with a certain Project (the "Project"), consisting of: (A) the construction of an approximately 4,500 square-foot addition and additional 35-vehicle parking area (the "Improvements") to the existing approximately 6,000 square-foot Optical Gaging Division Customer Center located at 850 Hudson Avenue in the City of Rochester, New York [Part of Tax Map No.: 091.810-0003-032]; and (B) the acquisition and installation therein, thereon or thereabout of certain machinery, equipment and related personal property (collectively, the "Equipment" and, together with the Improvements, the "Facility"), all to be leased to the Company and subleased to Optical Gaging Products for use as additional space for a temperature- and humidity-controlled demonstration room and storage/packing and loading area for its business of manufacturing optical and multi-sensor coordinate measuring machines used by global manufacturers to measure and inspect their products for quality and process control. The Facility will be initially operated and/or managed by the Company.

The Agency will acquire an interest in the Facility and lease the Facility to the Company. The financial assistance contemplated by the Agency will consist generally of the exemption from taxation expected to be claimed by the Company as a result of the Agency taking an interest in, possession or control (by lease, license or otherwise) of the Facility, or of the Company acting as an agent of the Agency, consisting of: (i) exemption from state and local sales and use tax with respect to the qualifying personal property portion of the Facility, (ii) exemption from mortgage recording tax with respect to any qualifying mortgage on the Facility, and (iii) exemption from general real property taxation with respect to the Facility, which exemption shall be offset, in whole or in part, by contractual payments in lieu of taxes by the Company for the benefit of affected tax jurisdictions.

A copy of the Company's application, containing the Benefit/Incentive analysis, is available for inspection at the Agency's offices at 8100 CityPlace, 50 West Main Street, Rochester, New York 14614 during normal business hours, Monday through Friday, and will be available for inspection and review at the above-scheduled Public Hearing.

The Agency will at the above-stated time and place hear all persons with views in favor of or opposed to either the location or nature of the Facility, or the proposed financial assistance being contemplated by the Agency. In addition, at, or prior to, such hearing, interested parties may submit to the Agency written materials pertaining to such matters.

Dated: October 7, 2015

COUNTY OF MONROE INDUSTRIAL
DEVELOPMENT AGENCY
