2. ST-60 Form which is blank as to "Name of IDA project operator or agent" – MAKE NUMEROUS COPIES OF THIS BLANK FORM. For your self-appointed agents, (A) insert the name, address and tax ID of assigned agent in blank area of form, and (B) place the date you appointed said assigned agent in the 2nd set of "boxes" under Project Information where it asks for "Date project operator or agent appointed". Please then submit this form to Lori Palmer via email (lpalmer@harrisbeach.com) for signature by COMIDA. COMIDA will return the signed form to you. Give a copy of this form to the appointed agent, keep a copy for your records and send a copy to the State (address on form) within 30 days of appointment. These directions are to be used by the agent as well when naming sub-agents (if any). ***All agents must have an ST-60 filed with NYS within 30 days of appointment.***
3. Form ST-123 (Exhibit B-1 to Agent Agreement) – MAKE NUMEROUS COPIES OF THIS FORM. The Company will use this form to purchase items directly from a vendor. You should fill in the top left side of the form with the respective vendor's name and address and sign and date the bottom of the form. 4. Form ST-123 (Exhibit B-2 to Agent Agreement) - MAKE NUMEROUS COPIES OF THIS BLANK FORM – for each agent you appoint, insert the name and address of said agent in the box at the top right; fill in the date you appointed said agent in the box under Project Information where it asks for the date (left side of middle box). CONTINUED....

How to Use the Sales Tax Exemption Package:

A. If making a purchase directly from a vendor, you must give the vendor a copy of the Form ST-123 (#3 above) and a copy of the ST-60 initially filed on your behalf by Harris Beach (#6 above). This serves as proof to the vendor that you are exempt from sales tax for this project. The vendor will keep these copies for their files. Remember to keep a copy of the Form ST-123 and a copy of the ST-60 filed on your behalf, in your files.

B. When appointing an agent, contractor or subcontractor, you must use the blank Form ST-123 included in this packet (#4 above) [REMEMBER TO MAKE NUMEROUS COPIES OF THIS FORM AS YOU MAY APPOINT MANY AGENTS AND WILL NEED TO DO THIS FOR EACH], fill in the name and address of each agent in the box at the top right of the form and fill in the date of appointment of said agent (bottom left side of middle box).

(i) The agent will then use this form [AGENT WILL NEED TO MAKE NUMEROUS COPIES OF THIS FORM AS WELL] when purchasing items directly from vendors by filling in the top left box with the vendor's name and address and signing the bottom of the form. Agents should keep a copy of each ST-123 form they give so they can have for future reference.

C. When appointing an agent, contractor or subcontractor, you must fill in the middle section (appearing blank at this time) of the Form ST-60 included in this packet (#2 above), with the agent's, contractor's or subcontractor's information, including their Tax ID number. You must then send the form to Lori Palmer for signature by the Agency. The Agency will sign each form and return to Lori who will then send the signed form to you and then you must mail a copy of this completed form to NYS at the address on that form. This must be done for each agent, contractor or subcontractor you appoint within thirty (30) days of the appointment of said agent. Give your agent, contractor or subcontractor a copy of what you file and keep a copy for your files. You should make extra copies of this blank ST-60 with the middle section blank for future use.

D. When your agent, contractor or subcontractor is purchasing directly from a vendor, they must give the vendor a copy of the Form ST-123 the agent/contractor/subcontractor has filled in for that respective vendor (see B(i) above). This Form ST-123 should be the only proof the vendor needs that your agent, contractor or subcontractor is exempt from sales tax for this project. Your agent, contractor or subcontractor should keep copies of these forms for their files and future use.

AGENT AND FINANCIAL ASSISTANCE AND PROJECT AGREEMENT

THIS AGENT AND FINANCIAL ASSISTANCE AND PROJECT AGREEMENT (hereinafter, the "Agent Agreement"), is made as of the 1st day of June, 2019, by and between the **COUNTY OF MONROE INDUSTRIAL DEVELOPMENT AGENCY D/B/A IMAGINE MONROE POWERED BY COMIDA**, a public benefit corporation of the State of New York, with offices at 50 West Main Street, Suite 8100, Rochester, New York 14614 (the "Agency"), and **MONRO, INC.**, a corporation duly organized and validly existing under the laws of the State of New York with offices at 200 Holleder Parkway, Rochester, New York 14615 (the "Company").

WHEREAS, the Company has submitted an application (the "Application") to the Agency requesting the Agency's assistance with respect to a certain project (the "Project") consisting of: (A) the acquisition by the Agency of a leasehold interest in an approximately 12-acre parcel of land located at 200 Holleder Parkway in the City of Rochester, New York (the "Land") together with the existing approximately 170,000± square foot building thereon (the "Existing Improvements"); (B) (i) the expansion of the Existing Improvements through the construction of new office space into the current warehouse and distribution center space and (ii) the renovation of the Existing Improvements (the "Improvements"); and (C) the acquisition and installation therein, thereon or thereabout of various machinery, equipment and personal property including, but not limited to, furniture, fixtures and enhanced technology (collectively, the "Equipment" and, together with the Land, the Existing Improvements and the Improvements, the "Facility"); and

WHEREAS, by Resolution adopted on February 19, 2019 (the "Resolution"), the Agency authorized the Company to act as its agent for the purposes of undertaking the Project subject to the Company entering into this Agent Agreement; and

WHEREAS, by its Resolution, the Agency has conferred on the Company in connection with the Project certain benefits, exemptions and other financial assistance consisting of: (a) an exemption from all New York State and local sales and use tax for purchases and rentals related to the Project with respect to the qualifying personal property included in or incorporated into the Facility or used in the acquisition, construction, renovation or equipping of the Facility, and (b) a partial abatement from real property taxes benefit conferred through a certain payment-in-lieu-of-tax agreement, between the Agency and the Company (the "PILOT Agreement") requiring the Company to make payments-in-lieu-of-taxes ("PILOT Payments") for the benefit of each municipality and school district having taxing jurisdiction over the Project (collectively, the sales and use tax exemption benefit, the mortgage recording tax exemption benefit, and the partial abatement from real property taxes benefit, are hereinafter collectively referred to as the "Financial Assistance"); and

WHEREAS, pursuant to and in accordance with Sections 859-a and 874 of the Act, the Agency requires, as a condition and as an inducement for it to provide any Financial Assistance, that the Company enter into this Agent Agreement for the purposes of, among other things, to govern administration of and provide assurances with respect to the provision and recapture of said Financial Assistance upon the terms herein set forth; and

WHEREAS, this Agreement sets forth the terms and conditions under which Financial Assistance shall be provided to the Company; and

WHEREAS, no agent status in favor of the Company or any subagent thereof, nor any amount of Financial Assistance shall be provided to the Company by the Agency prior to the effective date of this Agent Agreement.

NOW THEREFORE, in consideration of the covenants herein contained and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, it is mutually agreed as follows:

1. Purpose of Project and Scope of Agency. The purpose of the Agency's provision of Financial Assistance with respect to the Project is to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of the Project facility to advance job opportunities, health, general prosperity and economic welfare of the people of Monroe County, New York, and to specifically promote the investment commitment, employment commitment, and other commitments of the Company contained herein and in the Company's Application.

Pursuant to the Resolution, the Agency has appointed the Company as agent to undertake the Project. The Company hereby agrees to limit its activities as agent for the Agency under the authority of the Resolution to acts reasonably related to the acquisition and installation of certain machinery, equipment and building materials, all for incorporation and installation thereof in and around the Facility. Pursuant to the Resolution and this Agent Agreement, the Company has the power to delegate such agency, in whole or in part, to agents, subagents, contractors, subcontractors, contractors and subcontractors of such agents and subagents and to such other parties as the Company chooses including but not limited to the individuals and entities described on Schedule A attached hereto (collectively, the "Subagent"). The Company shall have the right to amend Schedule A from time to time and shall be responsible for maintaining an accurate list of all parties acting as agent for the Agency. The Company's right to appoint subagents is expressly conditioned upon updating of Schedule A hereto, along with the timely filing of Form ST-60 (non-primary) for each subagent, with such updated Schedule A and a copy of and proof of filing of such ST-60 (non-primary) being immediately filed with the Agency. The right of the Company and all duly appointed subagents to act as agent of the Agency shall expire on **June 30, 2020**, unless extended as contemplated by the Resolution. The aggregate amount of work performed by the Company and all subagents as agent for the Agency shall not exceed the amounts identified in the Resolution and Section 2(h)(i) of this Agreement.

All contracts entered into by the Company and all subagents thereof as agent for the Agency shall include the language contained within Schedule B attached hereto. **Failure by the Company and/or any subagent thereof to include such language may disqualify the agent**

status and sales tax exemptions derived by virtue of this Agent Agreement. The Company, for itself and on behalf of all duly appointed subagents, hereby agrees that all contracts entered into by the Company and any subagents thereof shall be available to the Agency for inspection and confirmation of the foregoing mandatory language.

2. Representations and Covenants of the Company. The Company makes the following representations and covenants in order to induce the Agency to proceed with the Project/Facility:

(a) The Company is a corporation duly organized, validly existing and in good standing under the laws of the State of New York, has the authority to enter into this Agent Agreement, and has duly authorized the execution and delivery of this Agent Agreement.

(b) Neither the execution and delivery of this Agent Agreement, the consummation of the transactions contemplated hereby nor the fulfillment of or compliance with the provisions of this Agent Agreement will conflict with or result in a breach of any of the terms, conditions or provisions of any restriction or any agreement or instrument to which the Company is a party or by which it is bound, or will constitute a default under any of the foregoing, or result in the creation or imposition of any lien of any nature upon any of the property of the Company under the terms of any such instrument or agreement.

(c) The Facility and the operation thereof will conform with all applicable zoning, planning, and building laws and regulations of governmental authorities having jurisdiction over the Facility, and the Company shall defend, indemnify and hold the Agency harmless from any liability or expenses resulting from any failure by the Company to comply with the provisions of this subsection (c).

(d) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body pending or, to the knowledge of the Company, threatened against or affecting the Company, to which the Company is a party, and in which an adverse result would in any way diminish or adversely impact on the Company's ability to fulfill its obligations under this Agent Agreement.

(e) The Company covenants that the Facility will comply in all respects with all environmental laws and regulations, and, except in compliance with environmental laws and regulations, (i) that no pollutants, contaminants, solid wastes, or toxic or hazardous substances will be stored, treated, generated, disposed of, or allowed to exist on the Facility except in compliance with all material applicable laws, (ii) that the Company will take all reasonable and prudent steps to prevent an unlawful release of hazardous substances onto the Facility or onto any other property, (iii) that no asbestos will be incorporated into or disposed of on the Facility, (iv) that no underground storage tanks will be located on the Facility, and (v) that no investigation, order, agreement, notice, demand or settlement with respect to any of the above is threatened, anticipated, or in existence. The Company upon receiving any information or notice contrary to the representations contained in this Section shall immediately notify the Agency in writing with full details regarding the same. The Company hereby releases the Agency from liability with respect to, and agrees to defend, indemnify, and hold harmless the Agency, its executive director, directors, members, officers, employees, agents (other than the Company),

representatives, successors, and assigns from and against any and all claims, demands, damages, costs, orders, liabilities, penalties, and expenses (including reasonable attorneys' fees) related in any way to any violation of the covenants or failure to be accurate of the representations contained in this Section. In the event the Agency in its reasonable discretion deems it necessary to perform due diligence with respect to any of the above, or to have an environmental audit performed with respect to the Facility, the Company agrees to pay the expenses of same to the Agency upon demand.

(f) Any personal property acquired by the Company in the name of the Agency shall be located in the City of Rochester, except for temporary periods during ordinary use.

(g) In accordance with Section 875(3) of the New York General Municipal Law, the policies of the Agency and the Resolution, the Company covenants and agrees that it may be subject to a Recapture Event Determination (as hereinafter defined) resulting in the potential recapture and/or termination of any and all Financial Assistance, as described below, if the Company receives, or any duly appointed subagents receives any Financial Assistance from the Agency, and it is determined by the Agency that:

(1) the Company or its Subagents, if any, authorized to make purchases for the benefit of the Project is not entitled to the sales and use tax exemption benefits; or

(2) the sales and use tax exemption benefits are in excess of the amounts authorized by the Agency to be taken by the Company or its Subagents, if any; or

(3) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or

(4) the Company has made a material false or misleading statement, or omitted any information which, if included, would have rendered any information in the application or supporting documentation false or misleading in any material respect, on its application for Financial Assistance; or

(5) the Company fails to meet and maintain the thresholds and requirements representing certain material terms and conditions as set forth in Section 9 of the PILOT Agreement, being the purposes to be achieved by the Company with respect to the Agency's determination to provide Financial Assistance to the Project and required by the Agency to be complied with and adhered to, as evidenced by submission, as so required by the Agency, of written confirmation certifying and confirming on an annual basis beginning in the first year in which Financial Assistance is so claimed, through the conclusion of the later of either: (i) two (2) years following the construction/renovation completion date or (ii) the termination of this Agent Agreement or the PILOT Agreement (said date hereinafter referred to as the "Project Completion Date" and the time period so referenced being hereinafter defined as the "Material Terms and Conditions Monitoring Period").

In order to certify and verify the foregoing, the Company shall provide annually, to the Agency, a certified statement and documentation: (i) enumerating the full-time equivalent jobs

retained and the full-time equivalent jobs created as a result of the financial assistance, by category, including full-time equivalent independent contractors or employees of independent contractors that work at the project location, (ii) indicating that the salary and fringe benefit averages or ranges for categories of jobs retained and jobs created that was provided in the application for Financial Assistance is still accurate and if it is not still accurate, providing a revised list of salary and fringe benefit averages or ranges for categories of jobs retained and jobs created, and (iii) such other information, as so requested from time to time, to enable the Agency to assess the progress of the Project toward achieving the investment, job retention, job creation, or other objectives of the Project indicated in the Application for Financial Assistance.

The Company shall annually complete and submit to the Agency the Annual Certification Report in the form attached hereto as Exhibit E by February 15 of each year during the Material Terms and Conditions Monitoring Period. In the event that the Company shall fail to deliver the Annual Certification Report by February 15th, the Agency shall use commercially reasonable efforts to notify the Company in writing of the Agency's actual knowledge of such failure to deliver the Annual Certification Report. If such failure to deliver the Annual Certification Report continues following ten (10) days' written notice from the Agency to the Company, then such failure to deliver the Annual Certification Report shall constitute an Event of Default hereunder whereby the Agency may terminate this Agent Agreement and/or the PILOT Agreement and undertake a Recapture Event Determination.

The findings made by the Agency with respect to Sections 2(g)(1), (2), (3) and/or (4) and/or failure to provide the written confirmation as required by Section 2(g)(5) with respect to the thresholds and requirements as identified in Section 2(g)(5), above, and/or failure to meet the thresholds and requirements as identified in Section 2(g)(5) above, may potentially be determined by the Agency, in accordance with the Agency's "Recapture Policy", to constitute a failure to comply with Section 875(3) of the New York General Municipal Law, and/or a failure to comply with a material term or condition to use property or services or Agency Financial Assistance in the manner approved by the Agency in connection with the Project, and/or a failure to comply with the Agency's policies and Resolution (collectively, findings and determinations made as described herein with respect to Sections 2(g)(1), (2), (3) and/or (4) and/or the failure under Section 2(g)(5) to submit the required certification and/or the failure to meet the required thresholds and requirements as specified in Section 2(g)(5) hereof are hereby defined as a "Recapture Event Determination"). If the Agency makes a Recapture Event Determination, the Company agrees and covenants that it will (i) cooperate with the Agency in its efforts to recover or recapture any or all Financial Assistance obtained by the Company and (ii) promptly pay over any or all such amounts to the Agency that the Agency demands in connection therewith. Upon receipt of such amounts, the Agency shall then redistribute such amounts to the appropriate affected tax jurisdiction(s). The Company further understands and agrees that in the event that the Company fails to pay over such amounts to the Agency, the New York State Tax Commissioner and/or local taxing authorities may assess and determine the Financial Assistance due from the Company, together with any relevant penalties and interest due on such amounts.

(h) In accordance with the Resolution and the Cost-Benefit Analysis (the "CBA") disclosed by the Agency at its public hearing for the Project (the "Public Hearing"), the

Company further: (i) covenants that the purchase of goods and services relating to the Project and subject to New York State and local sales and use taxes are estimated in an amount up to **\$1,870,000**, and, therefore, the value of the sales and use tax exemption benefits authorized and approved by the Agency, subject to Section 2(g) of this Agent Agreement, cannot exceed **\$149,600** unless subsequently modified and approved by the Agency; and (ii) confirms that real property tax abatement benefits to be provided to the Company shall conform to those disclosed within the CBA at the Public Hearing for the Project and as contained within the PILOT Agreement, a copy of such CBA and Form of PILOT Agreement are attached hereto as **Exhibit D**.

(i) The Company further covenants and agrees to complete "IDA Appointment of Project Operator or Agent For Sales Tax Purposes" (NYS Form ST-60), in the form attached hereto as **Exhibit A**, for each Subagent, if any, and such other parties as the Company chooses who provide materials, equipment, supplies or services and forward said form to the State Department of Taxation and Finance within thirty (30) days of appointment.

(j) The Company acknowledges and agrees that all purchases made in furtherance of the Project shall be made using "IDA Agent or Project Operator Exempt Purchase Certificate" (NYS Form ST-123, a copy of which is attached hereto as **Exhibits B-1 and B-2**), and it shall be the responsibility of the Company (and not the Agency) to complete NYS Form ST-123. The Company acknowledges and agrees that it shall identify the Project on each bill and invoice for such purchases and further indicate on such bills or invoices that the Company is making purchases of tangible personal property or services for use in the Project as agent of the Agency. For purposes of indicating who the purchaser is, the Company acknowledges and agrees that the bill or invoice should state, "I, [NAME OF COMPANY OR SUBAGENT], certify that I am a duly appointed agent of the COUNTY OF MONROE INDUSTRIAL DEVELOPMENT AGENCY D/B/A IMAGINE MONROE POWERED BY COMIDA and that I am purchasing the tangible personal property or services for use in the Monroe, Inc. Project located at 200 Holleder Parkway in the City of Rochester, New York 14615, IDA Project Number 2602-19-001A". For convenience purposes, in the instance where the vendor does not print on each invoice the acknowledgment as described in the prior sentence, an "Invoice Rider" (a copy of which is attached hereto as **Exhibit B-3**) can be utilized for record keeping purposes.

(k) The Company further covenants and agrees to file an annual statement with the State Department of Taxation and Finance on "Annual Report of Sales and Use Tax Exemptions" (NYS Form ST-340, a copy of which is attached hereto as **Exhibit C**) regarding the value of sales and use tax exemptions the Company and its Subagents, if any, have claimed pursuant to the agency conferred on the Company with respect to the Project in accordance with General Municipal Law Section 874(8). The Company further covenants and agrees that it will, within thirty (30) days of each filing, provide a copy of same to the Agency; provided, however, in no event later than February 15th of each year. The Company understands and agrees that the failure to file such annual statement will result in the removal of the Company's authority to act as agent for the Agency.

(l) The Company acknowledges and agrees that, except to the extent of bond proceeds (to the extent bonds are issued by the Agency with respect to the Project), the Agency

shall not be liable, either directly or indirectly or contingently, upon any such contract, agreement, invoice, bill or purchase order in any manner and to any extent whatsoever (including payment or performance obligations), and the Company shall be the sole party liable thereunder.

(m) The Company covenants and agrees that at all times during the Material Terms and Conditions Monitoring Period, it will (i) maintain its existence and not dissolve, (ii) continue to be a corporation subject to service of process in the State and either organized under the laws of the State, or organized under the laws of any other state of the United States and duly qualified to do business in the State, (iii) not liquidate, wind-up or dissolve or otherwise sell, assign, or dispose of all or substantially all of its property, business or assets. This Agent Agreement may not be assigned in whole or part without the prior written consent of the Agency.

(n) The Company confirms and acknowledges under the penalty of perjury that as of the date hereof, the Company, as owner, occupant, or operator of the Project receiving Financial Assistance from the Agency in connection with the Project, is in substantial compliance with all applicable local, state and federal tax, worker protection and environmental laws, rules and regulations. The Company agrees that it will, throughout the term of this Agent Agreement, promptly comply in all material respects with all statutes, codes, laws, acts, ordinances, orders, judgments, decrees, injunctions, rules, regulations, permits, licenses, authorizations, directions and requirements of all federal, state, county, municipal and other governments, departments, commissions, boards, companies or associations insuring the premises, courts, authorities, officials and officers, foreseen or unforeseen, ordinary or extraordinary, which now or at any time hereafter may be applicable to the Facility or any part thereof, or to any use, manner of use or condition of the Facility or any part thereof. Notwithstanding the foregoing, the Company may in good faith contest the validity of the applicability of any requirement of the nature referred to this Section 2(n). In such event, the Company, with the prior written consent of the Agency (which shall not be unreasonably conditioned, delayed or withheld) may fail to comply with the requirement or requirements so contested during the period of such contest and any appeal therefrom unless the Agency shall notify the Company that it must comply with such requirement or requirements.

(o) Notwithstanding anything contained herein to the contrary, in the event that the Company shall fail to meet any reporting requirements contained herein, the Agency shall use commercially reasonable efforts to notify the Company in writing of the Agency's actual knowledge of such failure to report. The Company's failure to meet reporting requirements hereunder shall not constitute an Event of Default whereby the Agency may terminate this Agent Agreement and/or the PILOT Agreement unless and until such failure continues following ten (10) days' written notice from the Agency to the Company.

3. Hold Harmless Provision. The Company hereby releases the Agency from, agrees that the Agency shall not be liable for, and agrees to indemnify, defend and hold the Agency and its executive director, directors, members, officers, employees, agents (other than the Company), representatives, successors and assigns harmless from and against, any and all (i) liability for loss or damage to property or injury to or death of any and all persons that may be occasioned by any cause whatsoever pertaining to the Facility or arising by reason of or in connection with the occupation or the use thereof or the presence on, in or about the Facility or

breach by the Company of this Agent Agreement or (ii) liability arising from or expense incurred by the Agency's financing, acquiring, constructing, renovating, equipping, owning and leasing of the Equipment or of the Facility, including without limiting the generality of the foregoing, all causes of action and reasonable attorneys' fees and any other expenses incurred in defending any suits or actions which may arise as a result of any of the foregoing. The foregoing indemnities shall apply notwithstanding the fault or negligence on the part of the Agency, or any of its respective executive director, directors, members, officers, agents or employees and irrespective of the breach of a statutory obligation or the application of any rule of comparative or apportioned liability, except that such indemnities will not be applicable with respect to willful misconduct or gross negligence on the part of the Agency or any other person or entity to be indemnified.

4. Insurance Required. Effective as of the date hereof and until the expiration or termination of the right of the Company to act as agent of the Agency hereunder, the Company shall maintain, or cause to be maintained by its subagent or subcontractors, certain insurance against such risks and for such amounts as are customarily insured against by businesses of like size and type, and paying, as the same become due and payable, all premiums in respect thereto, including, but not necessarily limited to:

(a) Insurance against loss or damage by fire, lightning and other casualties, with a uniform standard extended coverage endorsement, such insurance to be in an amount not less than the full replacement value of the Facility, exclusive of excavations and foundations, as determined by a recognized appraiser or insurer selected by the Company; or as an alternative to the foregoing, the Company may insure the Facility under a blanket insurance policy or policies covering not only the Facility but other properties as well, provided a periodic appraisal is performed and provided to the Agency.

(b) Workers' compensation insurance, disability benefits insurance, and each other form of insurance which the Agency or the Company is required by law to provide, covering loss resulting from injury, sickness, disability or death of employees of the Company who are located at or assigned to the Facility.

(c) Insurance against loss or losses from liabilities imposed by law or assumed in any written contract (including the contractual liability assumed by the Company under Section 5.2 of the Leaseback Agreement) and arising from personal injury and death or damage to the property of others caused by any accident or occurrence, with limits of not less than **\$1,000,000** per accident or occurrence on account of personal injury, including death resulting therefrom, **\$1,000,000** per accident or occurrence on account of damage to the property of others, excluding liability imposed upon the Company by any applicable workers' compensation law; and a blanket excess liability policy in the amount not less than **\$3,000,000**, protecting the Company against any loss or liability or damage for personal injury or property damage. Such liability limits may be satisfied by any combination of primary and excess liability policies. Such primary general liability insurance may have a \$500,000 self-insured retention and such excess liability policy may have a commercially reasonable deductible.

5. Additional Provisions Respecting Insurance. (a) **All insurance required by Section 4(a) hereof shall name the Agency as a named insured and all other insurance**

required by Section 4 shall name the Agency as an additional insured. All insurance shall be procured and maintained in financially sound and generally recognized responsible insurance companies selected by the Company and authorized to write such insurance in the State. Such insurance may be written with commercially reasonable deductible amounts comparable to those on similar policies carried by other companies engaged in businesses similar in size, character and other respects to those in which the Company is engaged. All policies evidencing such insurance shall provide for payment of the losses of the Company and the Agency as their respective interest may appear. The Company shall cause all contractors and agents of the Company undertaking the Project to carry and provide evidence of insurance as required within Section 4(a) and 4(b) of this Agent Agreement, with the Agency named as an additional insured. All insurance requirements in Section 4 may be satisfied by blanket policies subject to the reasonable approval by the Agency; provided, however, that approval or acceptance by a commercial lender (if any) in connection with the financing of the Project shall not require approval by the Agency. All or some of Section 4 insurance requirements may be satisfied by an Owner Controlled Insurance Program ("OCIP") subject to approval by the Agency; provided, however, that approval or acceptance by a commercial lender in connection with the financing of the Project shall not require approval by the Agency.

(b) All such certificates of insurance of the insurers indicating that such insurance is in force and effect, and all policies (if applicable), shall be deposited with the Agency on the date hereof. At least thirty (30) days prior to expiration of the policy evidenced by said certificates, the Company shall furnish the Agency evidence that the policy has been renewed or replaced or is no longer required by this Agent Agreement.

6. This Agent Agreement may be executed in any number of counterparts each of which shall be deemed an original but which together shall constitute a single instrument.

7. All notices, claims and other communications hereunder shall be in writing and shall be deemed to be duly given if personally delivered or mailed first class, postage prepaid, or by a nationally-recognized overnight courier, addressed as follows:

Instructions

When to file

An IDA must file this form within 30 days of the date they appoint any project operator or other person as agent of the IDA, for purposes of extending any sales and use tax exemptions.

Requirements to file

The IDA must file a separate form for each person it appoints as agent, whether directly or indirectly, and regardless of whether the person is the primary project operator or agent. If the IDA authorizes a project operator or agent to appoint other persons as agent of the IDA, the operator or agent making such an appointment must advise the IDA that it has done so, so that the IDA can file a form within 30 days of the date of the new agent's appointment. The IDA should not file this form for a person hired to work on an IDA project if that person is not appointed as agent of the IDA. The IDA should not file this form if they do not extend any sales or use tax exemption benefits for the project.

If an IDA modifies a project, such as by extending it beyond its original completion date, or by increasing or decreasing the amount of sales and use tax exemption benefits authorized for the project, they must, within 30 days of the change, file a new form with the new information.

If the information on this form changes

If an IDA amends, revokes, or cancels the appointment of an agent, or if an agent's appointment becomes invalid for any reason, the IDA, within 30 days, must send a letter to the address below for filing this form, indicating that the appointment has been amended, revoked, or cancelled, or is no longer valid, and the effective date of the change. They must attach to the letter a copy of the form it originally filed. The IDA should not send a letter for a form that is not valid merely because the *Completion date of project* has passed.

Instructions

To the purchaser

You may use Form ST-123 if you:

- have been appointed as an agent or project operator by an industrial development agency (IDA) and
- the purchases qualify for exemption from sales and use tax as described in the IDA contract.

You may use Form ST-123 as a single-purchase certificate or as a blanket certificate covering the first and subsequent purchases qualifying for the project listed.

Agent or project operator sales tax ID number — If you are registered with the Tax Department for sales tax purposes, you must enter your sales tax identification number on this certificate. If you are not required to be registered, enter *N/A*.

Industrial development agencies and authorities (IDAs) are public benefit corporations under General Municipal Law Article 18-A and the Public Authorities Law, for the purpose of promoting, developing, encouraging, and assisting in the acquisition, construction, reconstruction, improvement, maintenance, equipping, and furnishing of industrial, manufacturing, warehousing, commercial, research, and recreational facilities in New York State.

IDAs are exempt from the payment of sales and use tax on their purchases, in accordance with Tax Law section 1116(a)(1). However, IDAs do not normally make direct purchases for projects. Commonly, IDAs instead appoint a business enterprise or developer, contractor, or subcontractor as its agent or project operator. Such purchases made by the agent or project operator, acting within the authority granted by the IDA, are deemed to be made by the IDA and therefore exempt from tax.

Example 1: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment necessary for completion of the project, as agent for the IDA. Contractor X rents a backhoe and a bulldozer for site preparation, purchases concrete and lumber to construct a building, and purchases machinery to be installed in the building. All these purchases by contractor X as agent of the IDA are exempt from tax.

Example 2: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment to be incorporated into the project, as agent for the IDA. Contractor X makes the same purchases as in Example 1. Since the concrete, lumber, and machinery will actually be incorporated into the project, contractor X may purchase these items exempt from tax. However, rental of the backhoe and bulldozer is not exempt since these transactions are normally taxable and the IDA agreement does not authorize contractor X to make such rentals as agent of the IDA.

A contractor or subcontractor not appointed as agent or project operator of an IDA must present suppliers with Form ST-120, 1. Contractor Exempt Purchase Certificate, when making purchases that are ordinarily exempt from tax in accordance with Tax Law sections 1115(a)(15) and 1115(a)(16). For more information, see Form ST-120, 1.

Exempt purchases

To qualify, the purchases must be made within the authority granted by the IDA and used to complete the project (not to operate the completed project).

- Mark box A to indicate you are purchasing tangible personal property and services (other than utility services and motor vehicles or tangible personal property installed in a qualifying motor vehicle) exempt from tax.
- Mark box B to indicate you are purchasing certain consumer utility services used in completing the project exempt from tax. This includes gas, electricity, refrigeration, and steam; and gas, electric, refrigeration, and steam services.
- Mark box C to indicate you are purchasing a motor vehicle or tangible personal property related to a qualifying motor vehicle exempt from tax.

Misuse of this certificate

Misuse of this exemption certificate may subject you to serious civil and criminal sanctions in addition to the payment of any tax and interest due. These include:

- A penalty equal to 100% of the tax due;
- A \$50 penalty for each fraudulent exemption certificate issued;
- Criminal felony prosecution, punishable by a substantial fine and a possible jail sentence; and
- Revocation of your Certificate of Authority, if you are required to be registered as a vendor. See TSB-M-09(17)S, *Amendments that Encourage Compliance with the Tax Law and Enhance the Tax Department's Enforcement Ability*, for more information.

To the seller

When making purchases as agent or project operator of an IDA, the purchaser must provide you with this exemption certificate with all entries completed to establish the right to the exemption. You **must** identify the project on each bill and invoice for such purchases and indicate on the bill or invoice that the IDA or agent or project operator of the IDA was the purchaser.

As a New York State registered vendor, you may accept an exemption certificate in lieu of collecting tax and be protected from liability for the tax if the certificate is valid. The certificate will be considered valid if it is:

- accepted in good faith;
- in your possession within 90 days of the transaction; and
- properly completed (all required entries were made).

An exemption certificate is accepted in good faith when you have no knowledge that the exemption certificate is false or is fraudulently given, and you exercise reasonable ordinary due care. If you do not receive a properly completed certificate within 90 days after the delivery of the property or service, you will share with the purchaser the burden of proving the sale was exempt.

You must also maintain a method of associating an invoice (or other source document) for an exempt sale with the exemption certificate you have on file from the purchaser. You must keep this certificate at least three years after the due date of your sales tax return to which it relates, or the date the return was filed, if later.

Privacy notification

The Commissioner of Taxation and Finance may collect and maintain personal information pursuant to the New York State Tax Law, including but not limited to, sections 171, 171-a, 287, 308, 420, 475, 505, 697, 1096, 1142, and 1818 of that Law; and may require disclosure of social security numbers pursuant to 42 USC 405(c)(2)(C)(i).

This information will be used to determine and administer tax liabilities and, when authorized by law, for certain tax offset and exchange of tax information programs as well as for any other lawful purpose.

Instructions

General information

Who must file

The General Municipal Law (GML) and the Public Authorities Law require the agent/project operator (also known as the *project occupant*) of an Industrial Development Agency or Authority (IDA) to file an annual report with the Tax Department. The agent/project operator required to file this report is the person **directly** appointed by the IDA to act for and to represent the IDA for the project. The agent/project operator is ordinarily the one for whom the IDA project was created.

There is usually only one agent/project operator directly appointed by the IDA for an IDA project. However, if the IDA directly appoints multiple agents/project operators, each agent/project operator must file this form (unless they are related corporations).

Only the agent/project operators directly appointed by the IDA must file Form ST-340. Contractors, subcontractors, consultants, or agents appointed by the agent/project operators should **not** themselves file Form ST-340. However, the agent/project operators must include on Form ST-340 information obtained from such contractors, subcontractors, consultants, and agents, as described below.

What you must report

The report must show the **total value** of all state and local **sales and use taxes exempted** during the calendar year, as a result of the project's designation as an IDA project. This includes:

- the value of the exemptions the agent/project operator (you) obtained; and
- the value of the exemptions obtained by your contractors, subcontractors, consultants, and others, whether or not appointed as agents of the IDA.

Include only the **total combined** exemptions obtained by the above people. A breakdown of the total is not required. However, since the report must include the value of the exemptions they obtained, you must keep records of the amounts others report to you.

You must make it clear to the contractors, subcontractors, consultants, and others that they must keep accurate tax information and have it available, so that you can comply with the annual reporting requirements.

Do not include on this report the amount of any sales and use tax exemptions from other provisions of the Tax Law (for example, manufacturer's production equipment exemption, research and development exemption, or contractor's exemption for tangible personal property incorporated into a project of an exempt organization).

When the report is due

You must file Form ST-340 on a calendar-year basis. It is due by the last day of February of the following year. The reporting requirement applies to IDA projects started on or after July 21, 1993.

Project information

At the top of the form, identify the reporting period by entering the year in the space provided. If an address is required, always include the ZIP code.

Name of IDA agent/project operator: Enter your name, address, employer identification number (EIN), and telephone number.

Name of IDA and IDA project number: Enter the name and address of the IDA. If more than one IDA is involved in a particular project, you must file a separate report for the tax exemptions attributable to each IDA. Also enter the ID project number.

Name of project: Enter the name of the project and the address of the project site. If you are involved in more than one project, you

must file a separate report for each project, even if authorized by the same IDA.

Date project began: Enter the date the project started (this means the earliest of the date of any bond or inducement resolution, the execution of any lease, or any bond issuance). Include month, day, and year.

Completion date of project: Enter the date installation, lease, or rental of property (for example, machinery or computers) on the project ended, or the date the project is expected to be completed. Mark an **X** in the appropriate box to indicate if the date entered is actual or expected.

Total sales and use tax exemptions: Enter the total amount of New York State and local sales and use taxes exempted during the reporting period as a result of the project's receipt of IDA financial assistance (if none, enter 0). This includes exemptions obtained at the time of purchase, as well as through a refund or credit of tax paid. Include the sales and use taxes exempted on purchases of property or services incorporated into or used on the exempt project. This includes the taxes exempted on purchases made by or on behalf of the agent/project operator, the general contractor for the project, and any subcontractors, consultants, or others. Do **not** enter total purchases.

Representative information

If applicable, enter the name, address, title (for example, attorney or accountant), and telephone number of the individual you authorize to submit this report. This section is not required.

Certification

Enter the name and title of the person signing on your behalf (for example, the IDA agent/project operator's officer, employee, or other authorized representative). Your officer, employee, or authorized representative must sign and date the report.

PAYMENT-IN-LIEU-OF-TAX AGREEMENT

Tax Map No.

090.550-0001-029.003

Affected Taxing Jurisdictions:

County of Monroe
City of Rochester

Dated as of June 1, 2019

PAYMENT IN LIEU OF TAX AGREEMENT

THIS PAYMENT IN LIEU OF TAX AGREEMENT (the "PILOT Agreement") made as of June 1, 2019, by and between the **COUNTY OF MONROE INDUSTRIAL DEVELOPMENT AGENCY D/B/A IMAGINE MONROE POWERED BY COMIDA**, a public benefit corporation of the State of New York, having its offices at 8100 CityPlace, 50 West Main Street, Rochester, New York 14614 (the "Agency"), and **MONRO, INC.**, a New York corporation with offices at 200 Hollender Parkway, Rochester, New York 14615 (the "Company").

WITNESSETH:

WHEREAS, the Agency was created by Chapter 55 of the Laws of 1972 of the State of New York pursuant to Title 1 of Article 18-A of the General Municipal Law of the State of New York (collectively, the "Act") as a body corporate and politic and as a public benefit corporation of the State of New York; and

WHEREAS, the Company has requested the Agency to assist in a certain project (the "Project") all as more particularly described in an application dated December 18, 2018 (the "Application") and the Agency has agreed to retain a leasehold interest in an aggregate approximately 12-acre parcel of land located at 200 Hollender Parkway in the City of Rochester, County of Monroe and State of New York [Tax Map ID No.: 090.550-0001-029.003], and to assist in the interior construction of new office space in the current warehouse area located thereon and the renovation of the remainder of the existing approximately 170,000± square-foot building (the "Facility"); and related site work; and

WHEREAS, the Agency has agreed to lease the Facility to the Company; and

WHEREAS, pursuant to Section 874(1) of the Act, the Agency is exempt from the payment of taxes imposed upon real property and improvements owned by it or under its jurisdiction, control or supervision other than special ad valorem levies, special assessments and service charges against real property, which are or may be imposed for special improvements or special district improvements; and

WHEREAS, the Legislature of the County of Monroe by Resolution No. 154 of 1989 has adopted a revised tax abatement policy which was modified and readopted by the Agency in June 2000 (the "JobsPlus Tax Abatement Policy," sometimes hereinafter referred to as "JobsPlus") for industrial and/or commercial property leased, licensed and/or owned by the Agency; and

WHEREAS, the Facility meets the criteria of the JobsPlus Tax Abatement Policy; and

WHEREAS, the Agency and the Company deem it necessary and proper to enter into an agreement making provisions for payments in lieu of taxes by the Company to the County of Monroe (the "County") and the City of Rochester (the "City" and, collectively with the County, the "Affected Taxing Jurisdictions").

NOW, THEREFORE, in consideration of the covenants herein contained, and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, it is mutually agreed as follows:

Section 1 - Payment in Lieu of Ad Valorem Taxes.

Section 1.1 A. Subject to the completion and filing by the taxable status date (**March 1, 2020**) (the "Taxable Status Date") of New York State Form RP-412-a "Application For Real Property Tax Exemption" (the "Exemption Application") under Section 412-a of the New York State Real Property Tax Law (the "RPTL") and Section 874 of the Act and the approval of the Exemption Application by the appropriate assessors or Board of Assessment Review, the Facility shall be exempt from Real Estate Taxes commencing with the **2021** County tax year and the **2020-2021** City tax year. For purposes of the foregoing "Real Estate Taxes" means all general levy real estate taxes levied against the Facility by the County and City. The Company shall provide to the Agency with the information necessary for the completion and filing of the Exemption Application and shall provide such additional information and take such actions as are required by the appropriate assessors or Board of Assessment Review to process and approve the Exemption Application. Notwithstanding anything contained herein or in the Lease Agreement to the contrary, in the event the exemption from Real Estate Taxes is denied for any reason, the Company shall pay (and hereby agrees to pay) all Real Estate Taxes levied upon the Facility as they become due. After giving written notice to the Agency, the Company may in good faith contest the denial of the Exemption Application, provided that (i) the overall operating efficiency of the Facility is not impaired and the Facility continues to qualify as a "project" under the Act; (ii) neither the Facility nor any part of or interest in it would be in any danger of being sold, forfeited or lost; or (iii) neither the Company nor the Agency, as a result of such contest, shall be in any danger of any civil or criminal liability. The Company hereby waives any claim or cause of action against the Agency, and releases the Agency from any liability to the Company, arising from the denial of an exemption from Real Estate Taxes except to the extent that such denial results solely from the failure of the Agency to file the Exemption Application with the appropriate assessors or Board of Assessment Review by the Taxable Status Date.

B. **Payee.** As long as the Facility is leased to the Agency or under its jurisdiction, control or supervision, the Company agrees to pay annually directly to the Affected Taxing Jurisdictions, as a payment in lieu of taxes, within thirty (30) days of receipt of the invoice for payment of taxes (the "Payment Date"), commencing with the invoice for the **2020-2021** City tax year and the invoice for the **2021** County tax year, an amount equal to the Total PILOT Payment, as set forth on **Schedule A** attached hereto and made a part hereof. The Company shall make all payments due hereunder without further notice or invoicing from the Agency, any Affected Tax Jurisdiction or any other party.

The parties agree and acknowledge that payments made hereunder are to obtain revenues for public purposes, and to provide a revenue source that the Affected Taxing Jurisdictions would otherwise lose because the subject parcels are not on the tax rolls.

1.2 **Allocation.** The Agency shall remit to the Affected Taxing Jurisdictions amounts received hereunder (if any) within thirty (30) days of receipt of said payment and shall allocate

said payments among the Affected Taxing Jurisdictions in the same proportion as ad valorem taxes would have been allocated but for the Agency's involvement, unless the Affected Taxing Jurisdictions have consented in writing to a specific allocation.

1.3 Tax Rates. For purposes of determining the allocation of the Total PILOT Payment among the Affected Taxing Jurisdictions, the Agency shall use the last tax rate utilized for levy of taxes by each such jurisdiction. For County and special district purposes, the tax rates used to determine the allocation of the Total PILOT Payment shall be the tax rates relating to the calendar year which includes the PILOT payment due date. For City purposes, the tax rates used to determine the PILOT payment shall be the rate relating to the year which includes the PILOT payment due date.

1.4 Valuation of Future Additions to the Facility. If there shall be a future addition to the Facility constructed or added in any manner after the date of this PILOT Agreement, the Company shall notify the Agency of such future addition ("Future Addition"). The notice to the Agency shall contain a copy of the application for a building permit, plans and specifications, and any other relevant information that the Agency may thereafter request. Upon the earlier of substantial completion, or the issuance of a certificate of occupancy for any such Future Addition to the Facility, the Company shall become liable for payment of an increase in the Total PILOT Payment. The Agency shall notify the Company of any proposed increase in the Total PILOT Payment related to such Future Addition. If the Company shall disagree with the determination of assessed value for any Future Additions made by the Agency, then and in that event that valuation shall be fixed by a court of competent jurisdiction. Notwithstanding any disagreement between the Company and the Agency, the Company shall pay the increased PILOT payment until a different Total PILOT Payment shall be established. If a lesser Total Annual Payment is determined in any proceeding or by subsequent agreement of the parties, the Total PILOT Payment shall be re-computed and any excess payment shall be refunded to the Company or, in the Agency's sole discretion, such excess payment shall be applied as a credit against the next succeeding PILOT payment(s).

1.5 Period of Benefits. The tax benefits provided for herein should be deemed to include (i) the 2020-2021 City tax year through the 2029-2030 City tax year, and (ii) the 2021 County tax year through the 2030 County tax year. This PILOT Agreement shall expire on **December 31, 2030**; *provided, however*, the Company shall pay the 2030-2031 City tax bill and the 2031 County tax bill on the dates and in the amounts as if the Agency were not in title on the tax status date with respect to said tax years. In no event shall the Company be entitled to receive tax benefits relative to the Facility for more than the periods provided for herein, unless the period is extended by amendment to this PILOT Agreement executed by both parties after any applicable public hearings. The Company agrees that it will not seek any tax exemption for the Facility which could provide benefits for more than the periods provided for herein and specifically agrees that the exemptions provided for herein, to the extent actually received (based on the number of lease years elapsed), supersede and are in substitution of the exemptions provided by Section 485-b of the RPTL. It is hereby agreed and understood that the Affected Taxing Jurisdictions can rely upon and enforce the above waiver to the same extent as if they were signatories hereto.

Section 2 - Special District Charges, Special Assessments and other Charges. Special district charges, special assessments, and special ad valorem levies (specifically including but not limited to fire district charges), and pure water charges and sewer charges are to be paid in full in accordance with normal billing practices.

Section 3 - Transfer of Facility. In the event that the Facility is transferred from the Agency to the Company (the lease/leaseback agreements are terminated), and the Company is ineligible for a continued tax exemption under some other tax incentive program, or the exemption results in a payment to the Affected Taxing Jurisdictions in excess of the payment described in Section 1 herein, or this PILOT Agreement terminates and the property is not timely transferred back to the Company, the Company agrees to pay no later than the next tax lien date (plus any applicable grace period), to each of the Affected Taxing Jurisdictions, an amount equal to the taxes and assessments which would have been levied on the Facility if the Facility had been classified as fully taxable as of the date of transfer or loss of eligibility of all or a portion of the exemption described herein or date of termination.

Section 4 - Assessment Challenges.

4.1 The Company shall have all of the rights and remedies of a taxpayer with respect to any proposed assessment or change in assessment of the Facility by any of the Affected Taxing Jurisdictions. The Company shall be entitled to protest before and be heard by the appropriate assessors or Board of Assessment Review, and shall be entitled to take any and all appropriate appeals or initiate any proceedings to review the validity or amount of any assessment or the validity or amount of any tax equivalent provided for herein.

4.2 The Company shall have all of the rights and remedies of a taxpayer with respect to any tax, service charge, special benefit, ad valorem levy, assessment, or special assessment or service charge in lieu of which the Company is obligated to make a payment pursuant to this PILOT Agreement.

4.3 The Company shall (i) cause the appropriate real estate tax assessment office and tax levy officers to assess the Facility and apply tax rates to the respective assessments, and (ii) file any accounts or tax returns required by the appropriate real estate tax assessment office and tax levy officers.

Section 5 - Changes in Law. To the extent the Facility is declared to be subject to taxation or assessment by an amendment to the Act, other legislative change, or by final judgment of a court of competent jurisdiction, the obligations of the Company hereunder shall, to such extent, be null and void.

Section 6 - Events of Default.

6.1 If payments are not made as provided for herein, the Agency and/or Taxing Jurisdictions, individually or collectively, shall be entitled to pursue any and all remedies afforded them at law or in equity.

Notwithstanding anything contained herein to the contrary, upon the occurrence of (i) the sale or closure of the Facility; (ii) a significant unapproved change in use of the Facility; (iii) a significant reduction in employment at the Facility; (iv) the Company abandons or otherwise vacates the County of Monroe; (v) the failure by the Company to make any payments required under this PILOT Agreement; or (vi) the breach of covenants or event of default under the Leaseback Agreement, between the Agency and the Company (the "Leaseback Agreement") (singularly or collectively an "Event of Default"), the Agency shall have the right to recapture real property tax abatements provided hereunder pursuant to the following schedule:

| Year of Recapture | Percent of Recapture, Applicable to Current Year and All Prior Years |
|--------------------------|---|
| 1 | 100% |
| 2 | 100% |
| 3 | 50% |
| 4 | 50% |
| 5 | 25% |
| 6 | 25% |
| After year 6 | At Agency's Discretion, 25% or Less |

Any such recapture is at the sole and exclusive discretion of the Agency. The Agency shall notify the Company in writing of such Event of Default and of its intent to recapture the PILOT benefits (or any portion thereof). Any and all recaptured payments received pursuant to this provision shall be remitted to the Taxing Jurisdictions on a pro rata basis within sixty (60) days of receipt of payment. For purposes of this Section only, a "significant reduction" shall mean more than twenty percent (20%) of the employment as stated in the application. Any and all recaptured payments received pursuant to this provision shall be remitted to the Taxing Jurisdictions on a pro rata basis within sixty (60) days of receipt of payment.

6.2 If payments pursuant to Section 6.1 herein are not made by the due dates, or if any other payment required to be made hereunder is not made by the last day of any applicable cure period within which said payment can be made without penalty, the Company shall pay penalties and interest as follows: With respect to payments to be made pursuant to Section 6.1 herein, if said payment is not received by the due date defined in Section 6.1 herein, the Company shall pay, in addition to said payment, (i) a late payment penalty equal to five percent (5%) of the amount due and (ii) for each month, or any part thereof, that any such payment is delinquent beyond the first month, interest on the total amount due plus a late payment penalty, in an amount equal to one percent (1%) of the amount due per month. With respect to all other payments due hereunder, if said payment is not paid within any applicable cure period, the Company shall pay, in addition to said payment, the greater of the applicable penalties and interest hereunder, or penalties and interest which would have been incurred had payments made hereunder been tax payments to the Affected Taxing Jurisdictions.

Section 7 - Assignment. No portion of any interest in this PILOT Agreement may be assigned by the Company, nor shall any person other than the Company be entitled to succeed to

or otherwise obtain any benefits of the Company hereunder without the prior written consent of the Agency, which shall not be unreasonably withheld or delayed.

Section 8 - Miscellaneous.

8.1 This PILOT Agreement may be executed in any number of counterparts each of which shall be deemed an original but which together shall constitute a single instrument.

8.2 All notices, claims and other communications hereunder shall be in writing and shall be deemed to be duly given if personally delivered or mailed first class, postage prepaid, as follows:

or at such other address as any party may from time to time furnish to the other party by notice given in accordance with the provisions of this Section. All notices shall be deemed given when mailed or personally delivered in the manner provided in this Section.

8.3 This PILOT Agreement shall be governed by, and all matters in connection herewith shall be construed and enforced in accordance with, the laws of the State of New York applicable to agreements executed and to be wholly performed therein and the parties hereto hereby agree to submit to the personal jurisdiction of the federal or state courts located in Monroe County, New York.

8.4 Notwithstanding any other term or condition contained herein, all obligations of the Agency hereunder shall constitute a special obligation payable solely from the revenues and other monies, if any, derived from the Facility and paid to the Agency by the Company. Neither member of the Agency nor any person executing this PILOT Agreement on its behalf shall be

liable personally under this PILOT Agreement. No recourse shall be had for the payment of the principal or interest on amounts due hereunder or for any claim based upon or in respect of any modification of or supplement hereto against any past, present or future member, officer, agent, servant, or employee, as such, of the Agency, or of any successor or political subdivision, either directly or through the Agency or any such successor, all such liability of such members, officer, agents, servants and employees being, to the extent permitted by law, expressly waived and released by the acceptance hereof and as part of the consideration for the execution of this PILOT Agreement.

Section 9 - JobsPlus Tax Abatement Policy.

9.1 **Jobs Requirement.** The Company shall create twenty-six (26) new full-time/full-time equivalent jobs in three (3) years and maintain those full-time/full-time equivalent jobs for the balance of the ten (10) year benefit period.

9.2 **Compliance Report.** The Company shall report its compliance with these provisions as requested by the Agency, or its project compliance monitor.

9.3 **Job Failure.** If the twenty-six (26) new full-time/full-time equivalent jobs are not created by the end of the three (3) year period or not continuously maintained during the balance of the term hereof, the exemption schedule will revert back to Section 485-b of the RPTL and the Company agrees to pay in any year for which the job creation requirements are not met (a "Disqualifying Year"), as an additional payment in lieu of taxes, an amount equal to the difference between the tax benefits received in years one through the Disqualifying Year under this PILOT Agreement and the tax benefits which would have been received in years one through the Disqualifying Year under Section 485-b of the RPTL. Under extenuating circumstances, the Agency Board may waive the above penalties after reviewing a written request from the Company for waiver of the penalties.

9.4 **Waiver Process.** The payments required hereunder for any non-compliance shall be paid by the Company to any and all Affected Taxing Jurisdictions whether or not billed. However, if the Company has made a good faith effort to achieve the job creation requirement, it may apply in writing for relief from the obligation for repayment of taxes abated, based on a showing of unforeseen economic circumstances, fiscal hardship, or other good cause. Application for relief from the repayment obligation shall be made to the Agency, which shall examine the application and grant relief, in whole or in part, from the repayment obligation or grant an alternate schedule for attaining the job creation requirement.

9.5 **Benefit Period.** In no event shall the Company be entitled to receive tax benefits relative to the Facility for more than ten (10) consecutive years. The Company agrees that it will not seek any tax exemption for the Facility which would provide benefits for more than ten (10) consecutive years. Notwithstanding the foregoing, nothing contained in this PILOT Agreement shall render the Company ineligible for a continued tax exemption under Real Property Tax Law Section 485-b or any other applicable statute if this PILOT Agreement is terminated prior to the expiration of the exemption schedule set forth herein.

For the term of this PILOT Agreement, the Company shall continue to pay full taxes based on the assessed value of the Land and any existing improvements before the completion of any Project improvements (the "Base Valuation"). During the term of this PILOT Agreement, the Base Valuation shall be increased from time to time by the percentage increase in the assessed valuation in all taxable real property in the City of Rochester, Monroe County, New York, as of the respective tax status date for the tax year for which the recalculation is being made. The Total Taxable Valuation for each Total Tax Payment shall be calculated such that a graduated abatement factor ("Abatement Factor") shall be applied to the increased assessed valuation attributable to the Improvements made to the Facility by the Company, as an agent of the Agency, for the Project (the "Added Value"). The abatement schedule shall allow for a 90% exemption from taxation for the Added Value in Year 1, with such exemption being eliminated in 10% increments in PILOT Years 2-10.

Once the Total Taxable Valuation is established using the Abatement Factor, the Total Tax Payment shall be determined by multiplying the Total Taxable Valuation by the respective tax rate for each affected tax jurisdiction (after application of any applicable equalization rate). After Year 10, the Project Facility shall be subject to full taxation by the affected taxing jurisdictions.

Total Taxable Valuation = Base Valuation + (Added Value x Abatement Factor)

Total Tax Payment = Total Taxable Valuation (after equalization) x Tax Rate

Instructions

When to file

An IDA must file this form within 30 days of the date they appoint any project operator or other person as agent of the IDA, for purposes of extending any sales and use tax exemptions.

Requirements to file

The IDA must file a separate form for each person it appoints as agent, whether directly or indirectly, and regardless of whether the person is the primary project operator or agent. If the IDA authorizes a project operator or agent to appoint other persons as agent of the IDA, the operator or agent making such an appointment must advise the IDA that it has done so, so that the IDA can file a form within 30 days of the date of the new agent's appointment. The IDA should not file this form for a person hired to work on an IDA project if that person is not appointed as agent of the IDA. The IDA should not file this form if they do not extend any sales or use tax exemption benefits for the project.

If an IDA modifies a project, such as by extending it beyond its original completion date, or by increasing or decreasing the amount of sales and use tax exemption benefits authorized for the project, they must, within 30 days of the change, file a new form with the new information.

If the information on this form changes

If an IDA amends, revokes, or cancels the appointment of an agent, or if an agent's appointment becomes invalid for any reason, the IDA, within 30 days, must send a letter to the address below for filing this form, indicating that the appointment has been amended, revoked, or cancelled, or is no longer valid, and the effective date of the change. They must attach to the letter a copy of the form it originally filed. The IDA should not send a letter for a form that is not valid merely because the *Completion date of project* has passed.
