NOTICE

Please be advised NYS has now required IDAs to recapture from the approved project applicant, excess sales tax savings over and above the amount stated in the original sales tax package.

Therefore, please examine the amount of sales tax savings carefully because you (as the approved project applicant) will be required to reimburse NYS for any amount received over and above what was stated on the Form ST-60.

If you anticipate that your project sales tax amount will exceed the amount initially anticipated, please contact the Executive Director at COMIDA immediately [(585) 753-2000] whereupon the IDA will consider if a revised Form ST-60 can be issued.

*****VERY IMPORTANT*** - - PLEASE READ THIS SALES TAX EXEMPTION PACKAGE CAREFULLY, PAYING SPECIAL ATTENTION TO THE EXPIRATION DATE AND APPROVED AMOUNT.**

The value of the sales tax exemption benefits claimed by the Company must not exceed the amount noted on the ST-60 Form.

January 29, 2021

1. Project Agreement ("Project Agreement") – COPY. Give a copy of fully executed Project Agreement to appointed agents.
2. ST-60 Form which is blank as to "Name of IDA project operator or agent" (Exhibit B to Project Agreement) – MAKE NUMEROUS COPIES OF THIS BLANK FORM. For your self-appointed agents, (A) insert the name, address and tax ID of assigned agent in blank area of form, and (B) place the date you appointed said assigned agent in the 2nd set of "boxes" under Project Information where it asks for "Date project operator or agent appointed". Please then submit this form to Lori Palmer via email (lpalmer@harrisbeach.com) for signature by COMIDA. COMIDA will return the signed form to you. Give a copy of this form to the appointed agent, keep a copy for your records and send a copy to the State (address on form) within 30 days of appointment. These directions are to be used by the agent as well when naming sub-agents (if any). ***All agents must have an ST-60 filed with NYS within 30 days of appointment.***
3. Form ST-123 (Exhibit C-1 to Project Agreement) – MAKE NUMEROUS COPIES OF THIS FORM. The Company will use this form to purchase items directly from a vendor. You should fill in the top left side of the form with the respective vendor's name and address and sign and date the bottom of the form. Give a copy of signed form to the vendor and keep a copy for your files.
4. Form ST-123 (Exhibit C-2 to Project Agreement) - MAKE NUMEROUS COPIES OF THIS BLANK FORM – for each agent you appoint, insert the name and address of said agent in the box at the top right; fill in the date you appointed said agent in the box under Project Information where it asks for the date (left side of middle box). Then keep a copy of the form you have filled in for your records and give a copy to your appointed agent. ***Give a copy of this blank form to appointed agents for them to use when purchasing items from vendors – they should also make numerous copies as they will be required to fill in the vendor's name and address and sign and date the bottom of the form for each of their vendors.
5. Form ST-340 (Exhibit D to Project Agreement) - Must be filled out and mailed by the end of February of each year until the Appointment letter provided by COMIDA expires. Send this form to the State at the address at the bottom of the form, with a copy to COMIDA.

How to Use the Sales Tax Exemption Package:

A. If making a purchase directly from a vendor, you must give the vendor a copy of the Form ST-123 (#3 above) and a copy of the ST-60 initially filed on your behalf by Harris Beach (#6 above). This serves as proof to the vendor that you are exempt from sales tax for this project. The vendor will keep these copies for their files. Remember to keep a copy of the Form ST-123 and a copy of the ST-60 filed on your behalf, in your files.

B. When appointing an agent, contractor or subcontractor, you must use the blank Form ST-123 included in this packet (#4 above) [REMEMBER TO MAKE NUMEROUS COPIES OF THIS FORM AS YOU MAY APPOINT MANY AGENTS AND WILL NEED TO DO THIS FOR EACH], fill in the name and address of each agent in the box at the top right of the form and fill in the date of appointment of said agent (bottom left side of middle box).

(i) The agent will then use this form [AGENT WILL NEED TO MAKE NUMEROUS COPIES OF THIS FORM AS WELL] when purchasing items directly from vendors by filling in the top left box with the vendor's name and address and signing the bottom of the form. Agents should keep a copy of each ST-123 form they give so they can have for future reference.

C. When appointing an agent, contractor or subcontractor, you must fill in the middle section (appearing blank at this time) of the Form ST-60 included in this packet (#2 above), with the agent's, contractor's or subcontractor's information, including their Tax ID number. You must then send the form to Lori Palmer for signature by the Agency. The Agency will sign each form and return to Lori who will then send the signed form to you and then you must mail a copy of this completed form to NYS at the address on that form. This must be done for each agent, contractor or subcontractor you appoint within thirty (30) days of the appointment of said agent. Give your agent, contractor or subcontractor a copy of what you file and keep a copy for your files. You should make extra copies of this blank ST-60 with the middle section blank for future use.

D. When your agent, contractor or subcontractor is purchasing directly from a vendor, they must give the vendor a copy of the Form ST-123 the agent/contractor/subcontractor has filled in for that respective vendor (see B(i) above). This Form ST-123 should be the only proof the vendor needs that your agent, contractor or subcontractor is exempt from sales tax for this project. Your agent, contractor or subcontractor should keep copies of these forms for their files and future use.

THIS PROJECT AGREEMENT (hereinafter, the "Project Agreement"), is made as of the 1st day of January, 2021, but effective as of November 17, 2020 (the "Effective Date"), by and between the **COUNTY OF MONROE INDUSTRIAL DEVELOPMENT AGENCY**, a public benefit corporation of the State of New York, with offices at 50 West Main Street, Rochester, New York 14614 (the "Agency"), and **RLP III GREECE, LLC**, a Delaware limited liability company with offices at 9830 Colonnade Blvd., Suite 600, San Antonio, Texas 78230-2239 (the "Company").

NOW THEREFORE, in consideration of the covenants herein contained and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, it is mutually agreed as follows:

ARTICLE I. DEFINITIONS

Section 1.1 Definitions of Terms. The words and terms as used in this Project Agreement shall have the same meanings as used in **Schedule A** attached hereto and made a part hereof, unless the context or use indicates another or different meaning or intent.

ARTICLE II. REPRESENTATIONS AND COVENANTS

Section 2.1 Representations and Covenants of the Company. The Company makes the following representations and covenants in order to induce the Agency to proceed with the Project/Facility:

(a) The Company is a limited liability company formed, validly existing and in good standing under the laws of the State of Delaware, is authorized to conduct business in the State of New York, has the authority to enter into this Project Agreement, and has duly authorized the execution and delivery of this Project Agreement.

(b) Neither the execution and delivery of this Project Agreement, the consummation of the transactions contemplated hereby nor the fulfillment of or compliance with the provisions of this Project Agreement will conflict with or result in a breach of any of the terms, conditions or provisions of any restriction or any agreement or instrument to which the Company is a party or by which it is bound, or will constitute a default under any of the foregoing, or result in the creation or imposition of any lien of any nature upon any of the property of the Company under the terms of any such instrument or agreement.

(c) The Facility and the operation thereof will conform in all material respects with all applicable zoning, planning, and building laws and regulations of governmental authorities having jurisdiction over the Facility, and the Company shall defend, indemnify and hold the Agency harmless from any liability or reasonable out of pocket expenses resulting from any failure by the Company to comply with the provisions of this Section 2.1(c).

(d) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body pending or, to the actual knowledge of the Company, threatened in writing against or affecting the Company, to which the Company is a party, and in which an adverse result would in any way diminish or adversely impact the Company's ability to fulfill its obligations under this Project Agreement.

(e) The Company covenants that the Facility will comply in all material respects with all environmental laws and regulations, and, except in compliance with environmental laws and regulations, (i) that no pollutants, contaminants, solid wastes, or toxic or hazardous substances will be stored, treated, generated, disposed of, or allowed to exist on the Facility, (ii) that the Company will take all reasonable and prudent steps to prevent an unlawful release of hazardous substances onto the Facility or onto any other property, (iii) that no asbestos will be incorporated into or disposed of on the Facility, (iv) that no underground storage tanks will be located on the Facility, and (v) that no investigation, order, agreement, notice, demand or settlement with respect to any of the above is threatened in writing, or in existence. The Company upon receiving any information or notice contrary to the representations contained in this Section 2.1(e) shall reasonably promptly notify the Agency in writing with full details regarding the same. The Company hereby releases the Agency from liability with respect to, and agrees to defend, indemnify, and hold harmless the Agency, its executive director, directors, members, officers, employees, agents (other than the Company), representatives, successors, and assigns from and against any and all claims, demands, damages, costs, orders, liabilities, penalties, and expenses (including reasonable attorneys' fees) related in any way to any violation of the covenants or failure to be accurate of the representations contained in this Section 2.1(e). In the event the Agency in its reasonable discretion deems it necessary to perform due diligence with respect to any of the above, or to have an environmental audit performed with respect to the Facility, the Company agrees to pay the expenses of same to the Agency within ten (10) business days following written demand.

(f) Any personal property acquired by the Company in the name of the Agency shall be located in Monroe County, except for temporary periods during ordinary use.

(g) The Company acknowledges and agrees that the Agency shall not be liable, either directly or indirectly or contingently, upon any such contract, agreement, invoice, bill or purchase order in any manner and to any extent whatsoever (including payment or performance obligations), and the Company shall be the sole party liable thereunder.

(h) The Company covenants and agrees that at all times, it will (i) maintain its existence and not dissolve, (ii) continue to be a limited liability company subject to service of process in the State and either organized under the laws of the State, or organized under the laws of any other state of the United States and duly qualified to do business in the State, (iii) not liquidate, wind-up or dissolve or otherwise sell, assign, or dispose of all or substantially all of its property, business or assets.

(i) The Company confirms and acknowledges that as of the date hereof, the Company, as owner, occupant, or operator of the Project receiving Financial Assistance from the Agency in connection with the Project, is in substantial compliance with all applicable local, state and federal tax, worker protection and environmental laws, rules and regulations in relation to the

Project. The Company agrees that it will, throughout the term of this Project Agreement, promptly comply in all material respects with all statutes, codes, laws, acts, ordinances, orders, judgments, decrees, injunctions, rules, regulations, permits, licenses, authorizations, directions and requirements of all federal, state, county, municipal and other applicable laws. Notwithstanding the foregoing, the Company may in good faith contest the validity of the applicability of any requirement of the nature referred to this Section 2.1(i). In such event, the Company may withhold compliance with the requirement or requirements so contested during the period of such contest and any appeal therefrom and the Company shall endeavor to notify the Agency of the same.

ARTICLE III. GENERAL

Section 3.1 Purpose of Project. The purpose of the Financial Assistance with respect to the Project is to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of the Facility, to advance job opportunities, health, general prosperity and economic welfare of the people of Monroe County, New York, and to specifically promote the investment commitment, employment commitment, and other commitments of the Company contained herein and in the Company's Application.

Section 3.2 Term. Unless terminated earlier pursuant to its terms, this Project Agreement shall be effective as of the Effective Date and remain in effect until December 31, 2021, after which this Project Agreement shall terminate; provided, however, that the Agency may extend the Company's agent appointment at its reasonable discretion upon the written request of the Company if such activities and improvements are not completed by such time, and further provided that the Agency shall not unreasonably withhold, condition or delay its consent to the extension of such appointment. The Company has the right to terminate this Project Agreement for any reason or no reason by delivering notice to the Agency at least thirty (30) business days prior to the desired termination date.

Section 3.3 Assignment. (a) This Project Agreement may not be assigned in whole or part without the prior written consent of the Agency, which shall not be unreasonably withheld, conditioned or delayed.

Notwithstanding the foregoing, the Agency hereby consents to (a) the assignment of this Project Agreement to a Related Person of the Company (as that term is defined in subparagraph (C) of paragraph three of subsection (b) of section four hundred sixty-five of the Internal Revenue Code of 1986, as amended, hereinafter "Related Person"), (b) the sublease of the Facility to a Related Person, (c) the sublease of the Facility to Amazon.com Services LLC, and (d) an assignment of this Project Agreement to a mortgagee or lender or their respective designee in connection with a foreclosure or deed in lieu of foreclosure of a related mortgage.

The Agency also hereby consents to any assignment if the following conditions are satisfied:

(i) unless approved by the Agency, no assignment shall relieve the Company from primary liability for any of its obligations hereunder unless (a) the Facility has been completed

and (b) Amazon.com Services LLC and an affiliate or successor thereto remains a subtenant in the Facility;

(ii) the assignee shall assume the obligations of the Company hereunder;

(iii) the Company shall, within ten (10) days after the delivery thereof, furnish or cause to be furnished to the Agency a true and complete copy of such assignment; and

(iv) the Facility shall continue to constitute a "project" as such quoted term is defined in the Act.

(b) Any other such assignment or sublease is subject to the review and approval by the Agency and its counsel (at no cost to the Agency; any such cost to be paid by the Company, including reasonable attorneys' fees), and shall contain such terms and conditions as reasonably required by the Agency and its counsel.

ARTICLE IV. FINANCIAL ASSISTANCE AND RECAPTURE OF BENEFITS

Section 4.1 In accordance with the Resolution and the Cost-Benefit Analysis (or such other equivalent document or report, as determined by the Agency) (the "CBA"), attached hereto as **Exhibit A**, disclosed by the Agency at its public hearing for the Project (the "Public Hearing"), the Company further: (i) covenants, with respect to the Sales Tax Exemption, that it shall comply with this Project Agreement, specifically, but not limited to, Section 4.3 hereof; (ii) confirms that the mortgage recording tax exemption benefit shall conform with the requirements of Section 4.7 hereof; and (iii) confirms that real property tax abatement to be provided to the Company shall conform to those disclosed within the CBA at the Public Hearing for the Project and as contained within the PILOT Agreement, a form of which PILOT Agreement is attached hereto as **Exhibit A**.

Section 4.2 **PILOT Agreement**. The parties hereto have executed or will execute the Lease Agreement, Leaseback Agreement and PILOT Agreement. As provided in the PILOT Agreement, the Company agrees to make certain payments (as described in the PILOT Agreement) in addition to paying all special ad valorem levies, special assessments or special district taxes and service charges against real property in the jurisdiction where the Facility is located.

Section 4.3 **Sales Tax Exemption**.

(a) The Agency hereby appoints and confirms its appointment of the Company as the true and lawful agent of the Agency to undertake the Project. Such appointment was made by the Agency pursuant to the Resolution.

(b) The Company, as agent of the Agency, will undertake the Project. The Company hereby agrees to limit its activities as agent of the Agency under the authority of the Resolution to acts reasonably related to the acquisition, construction and equipping of the Facility. The right of the Company to act as agent of the Agency shall expire on the earlier of (x) the final completion of the Project, or (y) **December 31, 2021** ("Termination Date"); provided, however,

that the Agency may extend the Company's agent appointment at its reasonable discretion upon the written request of the Company if such activities and improvements are not completed by such time, and further provided that the Agency shall not unreasonably withhold, condition or delay its consent to the extension of such appointment.

(c) Agency's Exempt Status. The Agency constitutes a corporate governmental agency and a public benefit corporation under the laws of the State of New York, and therefore, in the exercise of its governmental functions, is exempt from the imposition of Sales and Use Taxes. As an exempt governmental entity, no exempt organization identification number has been issued to the Agency nor is one required.

(d) Scope of Authorization of Sales Tax Exemption. The Agency hereby authorizes the Company, subject to the terms and conditions of this Project Agreement, to act as its agent in connection with the Project for the purpose of effecting purchases and leases of certain items so that such purchases and leases are exempt from the imposition of Sales and Use Taxes. The Agency's authorization with respect to such Sales Tax Exemption provided to the Company and its Agents pursuant to this Project Agreement shall be subject to the following limitations:

(i) The Sales Tax Exemption shall be effective only for a term commencing on the date hereof and expiring upon the earliest of (A) the termination of this Project Agreement, (B) the Termination Date, (C) failure of the Company to file Form ST-340, as described in Section 4.5(g) below, (D) the termination of the Sales Tax Exemption authorization pursuant to Section 6.2 hereof or (E) the date upon which the Company received the Maximum Sales Tax Exemption.

(ii) The Sales Tax Exemption authorization set forth herein shall automatically be suspended upon written notice to the Company that the Company is in default under this Project Agreement (or related document) until such default is cured to the satisfaction of the Agency.

(iii) The Sales Tax Exemption authorization shall be subject to all of the terms, conditions and provisions of this Project Agreement.

(iv) The Sales Tax Exemption shall only be utilized for items which shall be purchased, incorporated, completed or installed for use only by the Company, its tenants, and subtenants at the Facility or in connection with the Project (and not with any intention to sell, transfer or otherwise dispose of any such item to a person as shall not constitute the Company), it being the intention of the Agency and the Company that the Sales Tax Exemption shall not be made available with respect to any item unless such item is used solely by the Company at the Facility or in connection with the Project.

(v) The Sales Tax Exemption shall not be used to benefit any person or entity other than the Company, without the prior written consent of the Agency; provided, however, that it shall not be deemed a violation of this provision if a subtenant at the Facility indirectly benefits from the reduction in the costs of constructing the Facility.

(vi) By execution by the Company of this Project Agreement, the Company agrees to accept the terms hereof and represents and warrants to the Agency that the use of the Sales Tax Exemption by the Company or by any Agent is strictly for the purposes stated herein.

(vii) Upon the Termination Date, the Company and each Agent shall cease being agents of the Agency, and the Company shall immediately notify each Agent in writing of such termination.

(viii) The Company agrees that the aggregate amount of Sales Tax Exemption realized by the Company and by all Agents of the Company, if any, in connection with the Facility shall not exceed in the aggregate the Maximum Sales Tax Exemption.

Section 4.4 Procedures for Appointing Subagents. If the Company desires to seek the appointment of a contractor, a subcontractor or other party to act as the Agency's agent, including, but not limited, to the individuals and entities described on **Schedule B** attached hereto (a "Subagent") for the purpose of effecting purchases which are eligible for the Sales Tax Exemption pursuant to authority of this Project Agreement, it must complete the following steps:

(i) The Company shall have the right to amend **Schedule B** hereto from time to time and shall be solely responsible for maintaining an accurate list of all parties acting as agent for the Agency. The Company's right to appoint Subagents is expressly conditioned upon updating **Schedule B** attached hereto, along with, for each Subagent, the Company's completion and submission of Form ST-60 to the Agency, attached hereto as **Exhibit B**. An Authorized Representative of the Agency must sign the Form ST-60 and return the same to the Company. Following receipt of the signed Form ST-60, the Company must file, with NYS, such Form ST-60 within thirty (30) days of the date that the Agency appoints a project operator or other person or entity to act as a Subagent of the Agency for purposes of extending the Sales Tax Exemption to such Subagent. The Company acknowledges and agrees that it shall be the Company's sole and exclusive responsibility to file a completed Form ST-60 with respect to any Subagent and the failure to timely do so could result in an Event of Default and Recapture Event (as hereinafter defined).

(ii) The Company shall ensure that each Subagent shall observe and comply with the terms and conditions of this Project Agreement.

(iii) **Form ST-60 Not an Exemption Certificate.** The Company acknowledges that the executed Form ST-60 designating the Company or any Subagent as an agent of the Agency shall not serve as a Sales Tax Exemption certificate or document. Neither the Company nor any other Subagent may tender a copy of the executed Form ST-60 to any person required to collect sales or use tax as a basis to make such purchases exempt from tax. No such person required to collect sales or use taxes may accept the executed Form ST-60 in lieu of collecting any tax required to be collected. THE CIVIL AND CRIMINAL PENALTIES FOR MISUSE OF A COPY OF FORM ST-60 AS AN EXEMPTION CERTIFICATE OR DOCUMENT OR FOR

FAILURE TO PAY OR COLLECT TAX SHALL BE AS PROVIDED BY LAW. IN ADDITION, THE USE BY A SUBAGENT, THE COMPANY, OR OTHER PERSON OR ENTITY OF SUCH FORM ST-60 AS AN EXEMPTION CERTIFICATE OR DOCUMENT SHALL BE DEEMED TO BE, UNDER ARTICLES TWENTY EIGHT AND THIRTY SEVEN OF THE NEW YORK STATE TAX AND FINANCE LAW (THE "TAX LAW"), THE ISSUANCE OF A FALSE OR FRAUDULENT EXEMPTION CERTIFICATE OR DOCUMENT WITH THE INTENT TO EVADE TAX.

(iv) Form ST-123 Requirement. As an agent of the Agency, the Company agrees that it will, and will cause each Subagent to, present to each seller or vendor a completed and signed Form ST-123, attached hereto as **Exhibit C-1**, for each contract, agreement, invoice, bill or purchase order entered into by the Company or by any Subagent, as agent for the Agency, for the purpose of undertaking the Project. Form ST-123 requires that each seller or vendor accepting Form ST-123 identify the Facility on each bill or invoice for purchases and indicate on the bill or invoice that the Agency or Subagent or Company, as project operator of the Agency, was the purchaser. For the purposes of indicating who the purchaser is, each bill or invoice should state, "I, [NAME OF COMPANY OR SUBAGENT], certify that I am a duly appointed agent of the COUNTY OF MONROE INDUSTRIAL DEVELOPMENT AGENCY and that I am purchasing the tangible personal property or services for use in the RLP III Greece, LLC Project located at 1200 Lexington Avenue in the Town of Greece, New York 14606, IDA Project Number 2602-20-055A". For convenience purposes, in the instance where the vendor does not print on each invoice the acknowledgment as described in the prior sentence, an "Invoice Rider" (a copy of which is attached hereto as **Exhibit C-3**) can be utilized for record keeping purposes. The Company shall retain copies of all such contracts, agreements, invoices, bills and purchase orders for a period of not less than six (6) years from the date thereof. For each Subagent the Form ST-123 shall be completed as follows: (i) the "Project Information" section of Form ST-123, attached hereto as **Exhibit C-2**, should be completed using the name and address of the Facility as indicated on the Form ST-60 used to appoint the Subagent; and (ii) the date that the Subagent was appointed as indicated on the Form ST-60.

All contracts entered into by the Company and all Subagents thereof as agent for the Agency shall include the language contained within **Schedule C** attached hereto. **Failure by the Company and/or any Subagent thereof to include such language may disqualify the agent status and Sales Tax Exemption derived by virtue of this Project Agreement. The Company, for itself and on behalf of all duly appointed Subagents, hereby agrees that all contracts entered into by the Company and any Subagents thereof shall be available to the Agency for inspection and confirmation of the foregoing mandatory language.**

Section 4.5 Form ST-340 Filing Requirement. The Company shall annually file, on or before February 15th of each year in which the sales tax exemption is in place, a statement with the State Department of Taxation and Finance (the "Commissioner") and the Agency on form "Annual Report of Sales and Use Tax Exemptions" (NYS Form ST-340, a copy of which is attached hereto as **Exhibit D**) regarding the value of Sales Tax Exemption the Company and its Subagents, if any, have claimed pursuant to the agency conferred on the Company with

respect to the Project in accordance with General Municipal Law Section 874(8). **Please note, the Company is to report only the Sales Tax Exemption derived as a result of the Agency's participation in the Project and not those received as a result of other available State exemptions. For the avoidance of doubt, other State exemptions, which the Company should not report on its NYS Form ST-340, include, but are not limited to, exemptions available to certain manufacturers or those exemptions that apply to capital improvements.** The Company understands and agrees that the failure to file such annual statement will result in the removal of the Company's authority to act as agent for the Agency and/or Recapture of Agency Benefits as described in Section 4.8 hereof.

Section 4.6 GML Provisions Relating to Sales Tax Savings.

(a) The Company covenants and agrees to comply, and to cause each of its contractors, subcontractors, Subagents, persons or entities to comply, with the requirements of GML Sections 875(1) and (3) (the "GML Provisions"), as such provisions may be amended from time to time. In the event of a conflict between the other provisions of this Project Agreement and the GML Provisions, the GML Provisions shall control.

(b) The Company acknowledges and agrees that pursuant to GML Section 875(3), the Agency shall have the right to recover, recapture, receive, or otherwise obtain from the Company, Sales Tax Savings taken or purported to be taken by the Company, any Subagent or any other person or entity acting on behalf of the Company to which the Company is not entitled or which are in excess of the Maximum Sales Tax Exemption or which are for property or services not authorized or taken in cases where the Company, any Subagent or any other person or entity acting on behalf of the Company failed to comply with a material term or condition to use property or services in the manner required by this Project Agreement. The Company shall cooperate, and shall require each Subagent and any other person or entity acting on behalf of the Company to cooperate, with the Agency in its efforts to recover, recapture, receive, or otherwise obtain such Sales Tax Savings and shall promptly pay over any such amounts to the Agency or any other entity that it requests to receive the Sales Tax Savings. The failure to pay over such amounts to such recipient shall be grounds for the Commissioner to assess and determine Sales and Use Taxes due from the Company under Article 28 of the Tax Law, together with any relevant penalties and interest due on such amounts.

Subject to the provisions of Section 4.6(b) above, in the event that the Company or any Subagent shall utilize the Sales Tax Exemption in willful violation of the provisions of this Project Agreement, the Company shall promptly deliver notice of same to the Agency, and the Company shall, upon demand by the Agency, pay to or at the direction of the Agency a return of sales or use tax exemptions in an amount equal to all such unauthorized Sales Tax Savings together with interest at the rate of twelve percent (12%) per annum compounded daily from the date and with respect to the dollar amount for which each such unauthorized Sales Tax Exemption was availed of by the Company or any Subagent (as applicable).

(c) Upon request by the Agency with reasonable notice to the Company, the Company shall make available at reasonable times to the Agency and/or the Independent Accountant all such books, records, contracts, agreements, invoices, bills or purchase orders of the Company and any Subagent as reasonably sufficient to verify the Company's obligations under

this Project Agreement; provided that such inspection must take place at the Facility and must (i) not be disruptive to the Company's or any Subagent's business and must take place at a mutually agreed time during the Company's and the Subtenant's normal business hours; and (ii) take place on at least thirty (30) days' prior written notice. In lieu of an inspection at the Facility, the Company and any Subagent may provide such materials to the Agency in an electronic format reasonably acceptable to the Company. Notwithstanding the foregoing or any other provision of this Project Agreement, the Company shall not be required to disclose, permit the inspection of or examination of, or discuss, any document, information or other matter that (a) constitutes trade secrets or proprietary information, (b) in respect of which disclosure is prohibited by law or any binding agreement, or (c) is subject to attorney-client or similar privilege, employee privacy or constitutes attorney work product.

Section 4.7 Mortgage Recording Tax Exemption. Section 874 of the Act exempts the Agency from paying certain mortgage recording taxes except for the portion of the mortgage recording tax allocated to transportation districts referenced in Section 253(2)(a) of the New York State Tax Law. The Agency hereby grants to the Company exemption from mortgage recording taxes for one or more mortgages (collectively, the "Mortgage") securing an aggregate principal amount not to exceed the Maximum Mortgage Principal Amount, or such greater amount as approved by the Agency in its sole and absolute discretion, in connection with the financing of the Project and any future financing, refinancing or permanent financing of the costs of the Project (the "Mortgage Recording Tax Exemption"). The Company represents and warrants (1) that the real property secured by the Mortgage is located within a transportation district referenced in Section 253(2)(a) of the New York State Real Property Tax Law, and (2) that upon recording the Mortgage, the Company shall pay the mortgage recording tax allocated to transportation districts referenced in Section 253(a)(2) of the New York State Real Property Tax Law.

Section 4.8 Recapture of Agency Benefits.

(a) It is understood and agreed by the parties hereto that the Agency is entering into this Project Agreement in order to provide the Financial Assistance to the Company for the Facility and to accomplish the public purposes of the Act. In consideration therefor, the Company hereby agrees as follows:

(i) If there shall occur a Recapture Event (as defined below) within the first (1st) or second (2nd) year after the completion of the Facility (the "Completion Date"), the Company shall pay to the Agency, or to the State, if so directed by the Agency (except as otherwise specified below) as a return of public benefits conferred by the Agency, one hundred percent (100%) of the Recaptured Benefits (as defined below).

(ii) If there shall occur a Recapture Event during the third (3rd) year after the Completion Date, the Company shall pay to the Agency, or to the State of New York, if so directed by the Agency (except as otherwise specified below) as a return of public benefits conferred by the Agency, ninety percent (90%) of the Recaptured Benefits;

(iii) If there shall occur a Recapture Event during the fourth (4th) year after the Completion Date, the Company shall pay to the Agency, or to the State of New York, if so directed by the Agency (except as otherwise specified below) as a return of public benefits conferred by the Agency, eighty percent (80%) of the Recaptured Benefits;

(iv) If there shall occur a Recapture Event during the fifth (5th) year after the Completion Date, the Company shall pay to the Agency, or to the State of New York, if so directed by the Agency (except as otherwise specified below) as a return of public benefits conferred by the Agency, seventy percent (70%) of the Recaptured Benefits; and

(v) If there shall occur a Recapture Event during the sixth (6th) year after the Completion Date, the Company shall pay to the Agency, or to the State of New York, if so directed by the Agency (except as otherwise specified below) as a return of public benefits conferred by the Agency, sixty percent (60%) of the Recaptured Benefits; and

(vi) If there shall occur a Recapture Event during the seventh (7th) year after the Completion Date, the Company shall pay to the Agency, or to the State of New York, if so directed by the Agency (except as otherwise specified below) as a return of public benefits conferred by the Agency, fifty percent (50%) of the Recaptured Benefits;

(vii) If there shall occur a Recapture Event during the eighth (8th) year after the Completion Date, the Company shall pay to the Agency, or to the State of New York, if so directed by the Agency (except as otherwise specified below) as a return of public benefits conferred by the Agency, forty percent (40%) of the Recaptured Benefits; and

(viii) If there shall occur a Recapture Event during the ninth (9th) year after the Completion Date, the Company shall pay to the Agency, or to the State of New York, if so directed by the Agency (except as otherwise specified below) as a return of public benefits conferred by the Agency, thirty percent (30%) of the Recaptured Benefits; and

(ix) If there shall occur a Recapture Event during the tenth (10th) year after the Completion Date, the Company shall pay to the Agency, or to the State of New York, if so directed by the Agency (except as otherwise specified below) as a return of public benefits conferred by the Agency, twenty percent (20%) of the Recaptured Benefits; and

(x) If there shall occur a Recapture Event during the eleventh (11th) year after the Completion Date, the Company shall pay to the Agency, or to the State of New York, if so directed by the Agency (except as otherwise specified below) as a return of public benefits conferred by the Agency, ten percent (10%) of the Recaptured Benefits; and

(xi) If there shall occur a Recapture Event during the twelfth (12th) year after the Completion Date or thereafter, the Company shall not be obligated to pay to the Agency, or to the State of New York, any of the Recaptured Benefits.

(b) The term "Recaptured Benefits" shall mean all direct monetary benefits, tax exemptions and abatements and other financial assistance, if any, derived solely from the Agency's participation in the transaction contemplated by this Project Agreement, including, but not limited to, the amount equal to 100% of the:

(i) Mortgage Recording Tax Exemption; and

(ii) Sales Tax Savings realized by or for the benefit of the Company, including any savings realized by any Subagent; and

(iii) real property tax abatements granted pursuant to the PILOT Agreement less the amount of any payments made by the Company under the PILOT Agreement;

which Recaptured Benefits from time to time shall upon the occurrence of a Recapture Event in accordance with the provisions of Section 4.8(c) below and the declaration of a Recapture Event by notice from the Agency to the Company be payable directly to the Agency or the State of New York if so directed by the Agency within ten (10) days after the date of such notice.

Notwithstanding anything to the contrary in this Project Agreement, the Company shall not be liable for: (a) any indirect, reliance, exemplary, incidental, speculative, punitive, special, consequential or similar damages that may arise in connection with this Project Agreement, (b) any lost or foregone tax revenues, or (c) any damages, liabilities, fees, costs, expenses, penalties, diminishments in value, losses or payments (including any lost or foregone tax revenues) that exceed, in the aggregate, the lesser of (i) an amount equal to all ad valorem taxes, including without limitation all ad valorem taxes levied by that would, but for the Leaseback Agreement and the PILOT Agreement, be leviable and payable upon the Project, and (ii) \$11,350,000.

(c) The term "Recapture Event" shall mean any of the following events:

(i) The occurrence and continuation of an Event of Default under this Project Agreement which remains uncured beyond any applicable notice and/or grace period, if any, provided hereunder; or

(ii) The Project shall cease to be a "Project" within the meaning of the Act as in effect on the date hereof, through the act of omission of the Company; provided that upon written notice to the Company, the Company shall have thirty (30) days to cure; or

(iii) In connection with the Project, the Company receives Sales Tax Savings in connection with property or services not authorized by the Agency as part of the Project. It is further provided that receipt of such Sales Tax Savings shall not constitute a Recapture Event if the Company repays such Sales Tax Savings within

thirty (30) days following the Company's receipt of written notice and request for repayment from the Agency; or

(iv) The Company receives Sales Tax Savings in connection with the Project in excess of the Maximum Sales Tax Exemption; provided, however, that the foregoing shall constitute a Recapture Event with respect to such excess Sales Tax Savings only. It is further provided that receipt of such Sales Tax Savings shall not constitute a Recapture Event if the Company repays such Sales Tax Savings within thirty (30) days following the Company's receipt of written notice and request for repayment from the Agency. It is further provided that failure to repay the Sales Tax Savings within thirty (30) days following the Company's receipt of written request for such repayment shall constitute a Recapture Event with respect to all Recapture Benefits; or

(v) The Company has made a material false or misleading statement, or omitted any information which, if included, would have rendered any information in the application or supporting documentation false or misleading in any material respect, on its application for Financial Assistance; or

(vi) Failure of the Company to file a copy of the Form ST-340 with the Agency in compliance with Section 4.5 hereof; or

(vii) Failure of the Company to create or cause to be maintained the number of full-time equivalent ("FTE") jobs at the Facility as provided in the PILOT Agreement, which failure is not reflective of the business conditions of the Company or the subtenants of the Company, including, without limitation, loss of major sales, revenues, distribution or other adverse business developments and/or local, national or international economic conditions, trade issues or industry wide conditions.

In order to certify and verify the foregoing, the Company shall provide or cause its subtenant to provide annually, to the Agency, a certified statement and documentation: (i) enumerating the full-time equivalent jobs retained and the full-time equivalent jobs created as a result of the Financial Assistance, by category, including full-time equivalent independent contractors or employees of independent contractors that work at the project location, (ii) indicating that the salary and fringe benefit averages or ranges for categories of jobs retained and jobs created that was provided in the Application for Financial Assistance is still accurate and if it is not still accurate, providing a revised list of salary and fringe benefit averages or ranges for categories of jobs retained and jobs created, and (iii) such other information, as so requested from time to time, to enable the Agency to assess the progress of the Project toward achieving the investment, job retention, job creation, or other objectives of the Project indicated in the Application for Financial Assistance.

(d) In the event any payment owing by the Company under this Section shall not be paid upon demand of the Agency, such payment shall bear interest from the date of such demand at a rate equal to one percent (1%) plus the Prime Rate, but in no event at a rate higher than the maximum lawful prevailing rate, until the Company shall have made such payment in full, together

with such accrued interest to the date of payment, to the Agency (except as otherwise specified above).

(e) The Agency shall be entitled to deduct all reasonable out of pocket expenses of the Agency, including, without limitation, reasonable legal fees, incurred with the recovery of all amounts due under this Section 4.8, from amounts received by the Agency pursuant to this Section 4.8.

ARTICLE V. INSURANCE

Section 5.1 Insurance Required. Effective as of the date hereof and until the expiration or termination of the right of the Company to act as agent of the Agency hereunder, the Company shall maintain, or cause to be maintained by its subtenant, subagent or subcontractors, certain insurance against such risks and for such amounts as are customarily insured against by businesses of like size and type, and paying, as the same become due and payable, all premiums in respect thereto, including, but not necessarily limited to:

(a) Insurance against loss or damage by fire, lightning and other casualties, with a uniform standard extended coverage endorsement, such insurance to be in an amount not less than the full replacement value of the Facility, exclusive of excavations and foundations, as determined by a recognized appraiser or insurer selected by the Company; or as an alternative to the foregoing, the Company may insure the Facility under a blanket insurance policy or policies covering not only the Facility but other properties as well, provided a periodic appraisal is performed and provided to the Agency.

(b) Workers' compensation insurance, disability benefits insurance, and each other form of insurance which the Agency or the Company is required by law to provide, covering loss resulting from injury, sickness, disability or death of employees of the Company who are located at or assigned to the Facility.

(c) Insurance against loss or losses from liabilities imposed by law or assumed in any written contract (including the contractual liability assumed by the Company under Section 7.1 hereof) and arising from personal injury and death or damage to the property of others caused by any accident or occurrence, with limits of not less than **\$1,000,000** per accident or occurrence on account of personal injury, including death resulting therefrom, **\$1,000,000** per accident or occurrence on account of damage to the property of others, excluding liability imposed upon the Company by any applicable workers' compensation law; and a blanket excess liability policy in the amount not less than **\$3,000,000**, protecting the Company against any loss or liability or damage for personal injury or property damage. Such primary general liability insurance may have a \$500,000 self-insured retention and such excess liability policy may have a commercially reasonable deductible.

(d) Notwithstanding anything in this Project Agreement to the contrary but with the prior consent of the Agency, Tenant may elect to self-insure some or all of the risks covered by the insurance that Company or Tenant are otherwise obligated to maintain under the terms of this Project Agreement and, accordingly, not to maintain the policies that are otherwise required

hereunder. All amounts paid or required to be paid and all losses or damages resulting from risks for which Subtenant elects to self-insure will not limit any of the Tenant's or Company's indemnification obligations under this Project Agreement. The Tenant's memorandum of insurance, a copy of which the Tenant has provided to the Agency, satisfies the obligations contained in Sections 5.1 and 5.2 hereof.

Section 5.2 Additional Provisions Respecting Insurance. (a) **All insurance required by Section 5.1 hereof shall name the Agency as an additional insured.** All insurance shall be procured and maintained in financially sound and generally recognized responsible insurance companies selected by the Company and authorized to write such insurance in the State. Such insurance may be written with deductible amounts comparable to those on similar policies carried by other companies engaged in businesses similar in size, character and other respects to those in which the Company is engaged. All policies evidencing such insurance shall provide (i) for payment of the losses of the Company and the Agency as their respective interest may appear, and (ii) that the insurance company shall endeavor to give thirty (30) days' prior written notice or such other notice as the policy provides for, of the cancellation thereof to the Company and the Agency.

(b) All such certificates of insurance of the insurers indicating that such insurance is in force and effect, and all policies (if applicable), shall be deposited with the Agency on the date hereof. Prior to the expiration of any such policy evidenced by said certificates, the Company shall furnish the Agency with evidence that the policy has been renewed or replaced or is no longer required by this Project Agreement.

ARTICLE VI. EVENTS OF DEFAULT AND REMEDIES

Section 6.1 The following shall each be "Events of Default" under this Project Agreement:

(a) the failure by the Company to observe and perform any covenant contained in Sections 2.1(e), 2.1(h), 2.1(i), 4.3, 4.5, 4.6, 4.7, 5.1, 5.2, 7.1 and 7.6 hereof;

(b) the failure by the Company to pay the Recaptured Benefits on the date due;

(c) the occurrence and continuation of a Recapture Event;

(d) the occurrence of an Event of Default under the Leaseback Agreement or the PILOT Agreement;

(e) the dissolution or liquidation of the Company; or the failure by the Company to release, stay, discharge, lift or bond within thirty (30) days any execution, garnishment, judgment or attachment of such consequence as may impair its ability to carry on its operations; or the failure by the Company generally to pay its debts as they become due; or an assignment by the Company for the benefit of creditors; or the commencement by the Company (as the debtor) of a case in bankruptcy or any proceeding under any other insolvency law; or the commencement of a case in bankruptcy or any proceeding under any other insolvency law against the Company (as the debtor), wherein a court having jurisdiction in the premises enters a decree or order for relief against the

Company as the debtor, or such case or proceeding is consented to by the Company or remains undismissed for forty (40) days, or the Company consents to or admits the material allegations against it in any such case or proceeding; or a trustee, receiver or agent (however named) is appointed or authorized to take charge of substantially all of the property of the Company for the purpose of enforcing a lien against such property or for the purpose of general administration of such property for the benefit of creditors.

Section 6.2 Remedies on Default.

(a) Whenever any Event of Default shall have occurred and be continuing, the Agency may take, to the extent permitted by law, any one or more of the following remedial steps:

(i) declare, by written notice to the Company, to be immediately due and payable, whereupon the same shall become immediately due and payable: (A) all due and owing Recaptured Benefits and (B) all other payments due under this Project Agreement; or

(ii) terminate this Project Agreement and the Sales Tax Exemption authorization; or

(iii) take any other action at law or in equity which may appear necessary or desirable to collect the payments then due or thereafter to become due hereunder, and to enforce the obligations, agreements and covenants of the Company under this Project Agreement.

(b) No action taken pursuant to this Section 6.2 (including termination of the Project Agreement) shall relieve the Company from its obligation to make all payments required by the Leaseback Agreement, the PILOT Agreement or Recaptured Benefits.

Section 6.3 Remedies Cumulative. No remedy herein conferred upon or reserved to the Agency is intended to be exclusive of any other available remedy, but each and every such remedy shall be cumulative and in addition to every other remedy given under this Project Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right and power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agency to exercise any remedy reserved to it in this Article VI it shall not be necessary to give any notice, other than such notice as may be herein expressly required in this Project Agreement.

Section 6.4 Agreement to Pay Attorneys' Fees and Expenses. In the event the Company should default under any of the provisions of this Project Agreement and the Agency should employ attorneys or incur other expenses for the collection of amounts payable hereunder or the enforcement of performance or observance of any obligations or agreements on the part of the Company herein contained, the Company shall, on demand therefor, pay to the Agency the fees of such attorneys and such other expenses so incurred.

ARTICLE VII.
MISCELLANEOUS

Section 7.1 Hold Harmless Provision. The Company hereby releases the Agency from, agrees that the Agency shall not be liable for, and agrees to indemnify, defend and hold the Agency and its executive director, directors, members, officers, employees, agents (other than the Company), representatives, successors and assigns harmless from and against, any and all (i) liability for loss or damage to property or injury to or death of any and all persons that may be occasioned by any cause whatsoever pertaining to the Facility or arising by reason of or in connection with the occupation or the use thereof or the presence on, in or about the Facility or breach by the Company of this Project Agreement or (ii) liability arising from or expense incurred by the Agency's financing, acquiring, constructing, equipping, owning and leasing of the Facility, including, without limiting the generality of the foregoing, all causes of action and reasonable attorneys' fees and any other expenses incurred in defending any suits or actions which may arise as a result of any of the foregoing. The foregoing indemnities shall apply notwithstanding the fault or negligence on the part of the Agency, or any of its executive director, directors, members, officers, agents (other than the Company) or employees and irrespective of the breach of a statutory obligation or the application of any rule of comparative or apportioned liability, except that such indemnities will not be applicable with respect to willful misconduct or gross negligence on the part of the Agency or any other person or entity to be indemnified.

Section 7.2 This Project Agreement may be executed in any number of counterparts each of which shall be deemed an original but which together shall constitute a single instrument. The signatures of the Company and the Agency to this Project Agreement may be in the form of an image of its manually executed signature transmitted by facsimile or other electronic format (including, without limitation, "pdf", "tif" or "jpg") or an electronic signature executed through DocuSign.

PAYMENT IN LIEU OF TAX AGREEMENT

THIS PAYMENT IN LIEU OF TAX AGREEMENT (the "PILOT Agreement") made as of January 1, 2021, but effective as of January 29, 2021 (the "Effective Date"), is by and between the **COUNTY OF MONROE INDUSTRIAL DEVELOPMENT AGENCY**, a public benefit corporation of the State of New York, having its offices at 50 West Main Street, Suite 1150, Rochester, New York 14614 (the "Agency"), and **RLP III GREECE, LLC**, a Delaware limited liability company with offices at 9830 Colonnade Blvd., Suite 600, San Antonio, Texas 78230-2239 (the "Company").

WITNESSETH:

WHEREAS, the Agency was created by Chapter 55 of the Laws of 1972 of the State of New York pursuant to Title I of Article 18-A of the General Municipal Law of the State of New York (collectively, the "Act") as a body corporate and politic and as a public benefit corporation of the State of New York; and

WHEREAS, the Company has requested the Agency to assist in a certain project (the "Project") consisting of: (A) the acquisition of a leasehold interest in an approximately 59±-acre parcel of land located at 1200 Lexington Avenue in the Town of Greece, New York 14606 (the "Land"); (B) the construction on the Land of a one-story approximately 181,500 square-foot building (collectively, the "Improvements"); and (C) the acquisition and installation therein, thereon or thereabout of certain machinery, equipment and related personal property (the "Equipment" and, together with the Land and the Improvements, the "Facility"), for use by Amazon.com Services LLC (the "Tenant"), as a distribution facility; and

WHEREAS, the Agency has agreed to lease the Facility to the Company; and

WHEREAS, the Town of Greece has confirmed its support for the Project and the PILOT Agreement, as evidenced by a letter signed by the Town Supervisor; and

WHEREAS, in order to induce the Company to acquire, construct and equip the Facility, the Agency is willing to take a leasehold interest in the Facility pursuant to a certain Lease Agreement, dated as of January 1, 2021, but effective as of the Effective Date (the "Lease Agreement"), and thereafter lease said Facility back to the Company pursuant to the terms and conditions of a certain Leaseback Agreement, dated as of January 1, 2021 but effective as of the Effective Date (the "Leaseback Agreement"); and

WHEREAS, pursuant to Section 874(1) of the Act, the Agency is exempt from the payment of taxes imposed upon real property and improvements owned by it or under its jurisdiction, control or supervision other than special ad valorem levies, special assessments and service charges against real property, which are or may be imposed for special improvements or special district improvements; and

WHEREAS, the Agency and the Company deem it necessary and proper to enter into an agreement making provisions for payments in lieu of taxes by the Company to the County of Monroe (the "County"), the Town of Greece (the "Town") and the Greece Central School District (the "School District" and, collectively with the County and the Town, the "Affected Tax Jurisdictions").

NOW, THEREFORE, in consideration of the covenants herein contained, and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, it is mutually agreed as follows:

Section 1 - Payment in Lieu of Ad Valorem Taxes.

Section 1.1 A. Subject to the completion and filing by the taxable status date (**March 1, 2021**) (the "Taxable Status Date") of New York State Form RP-412-a "Application For Real Property Tax Exemption" (the "Exemption Application") under Section 412-a of the New York State Real Property Tax Law (the "RPTL") and Section 874 of the Act and the approval of the Exemption Application by the appropriate assessors or Board of Assessment Review, the Facility shall be exempt from Real Estate Taxes commencing with the **2022** Town and County tax year and the **2021-2022** School District tax year. For purposes of the foregoing "Real Estate Taxes" means all general levy real estate taxes levied against the Facility by the Town, County and School District. The Company shall provide to the Agency with the information necessary for the completion and filing of the Exemption Application and shall provide such additional information and take such actions as are required by the appropriate assessors or Board of Assessment Review to process and approve the Exemption Application. Notwithstanding anything contained herein or in the Leaseback Agreement to the contrary, in the event the exemption from Real Estate Taxes is denied for any reason, the Company shall pay (and hereby agrees to pay) all Real Estate Taxes levied upon the Facility as they become due. After giving written notice to the Agency, the Company may in good faith contest the denial of the Exemption Application, provided that (i) the overall operating efficiency of the Facility is not impaired and the Facility continues to qualify as a "project" under the Act; (ii) neither the Facility nor any part of or interest in it would be in any danger of being sold, forfeited or lost; or (iii) neither the Company nor the Agency, as a result of such contest, shall be in any danger of any civil or criminal liability. The Company hereby waives any claim or cause of action against the Agency, and releases the Agency from any liability to the Company, arising from the denial of an exemption from Real Estate Taxes except to the extent that such denial results solely from the failure of the Agency to file the Exemption Application with the appropriate assessors or Board of Assessment Review by the Taxable Status Date.

B. Payee. As long as the Facility is leased to the Agency or under its jurisdiction, control or supervision, the Company agrees to pay annually directly to the Affected Tax Jurisdictions, as a payment in lieu of taxes, within thirty (30) days of receipt of the invoice for payment of taxes (the "Payment Date"), commencing with the invoice for the **2021-2022** School District tax year and the invoice for the **2022** Town and County tax year, an amount equal to the Total PILOT Payment, as set forth on Schedule A attached hereto and made a part hereof. The Company shall make all payments due hereunder without further notice or invoicing from the Agency, any Affected Tax Jurisdiction or any other party.

The parties agree and acknowledge that payments made hereunder are to obtain revenues for public purposes, and to provide a revenue source that the Affected Tax Jurisdictions would otherwise lose because the subject parcels are not on the tax rolls.

1.2 Allocation. The Agency shall remit to the Affected Tax Jurisdictions amounts received hereunder, **if any**, within thirty (30) days of receipt of said payment and shall allocate said payments among the Affected Tax Jurisdictions in the same proportion as ad valorem taxes

would have been allocated but for the Agency's involvement, unless the Affected Tax Jurisdictions have consented in writing to a specific allocation.

1.3 Tax Rates. For purposes of determining the allocation of the Total PILOT Payment among the Affected Tax Jurisdictions, the Affected Tax Jurisdictions shall use the last tax rate utilized for levy of taxes by each such jurisdiction. For County, Town and special district purposes, the tax rates used to determine the allocation of the Total PILOT Payment shall be the tax rates relating to the calendar year which includes the Total PILOT Payment due date. For School District purposes, the tax rates used to determine the Total PILOT Payment shall be the rate relating to the school year which includes the Total PILOT Payment due date.

1.4 Valuation of Future Additions to the Facility. In the event that any structural addition shall be made to the building or buildings included in the Facility, or any additional building or improvement shall be constructed on the Land (such structural additions, buildings and improvements being referred to hereinafter as "Future Addition"), the Company agrees to make additional payments in lieu of taxes to the Affected Tax Jurisdictions in amounts equal to the then current ad valorem tax rates which would be levied upon or with respect to the Future Addition by the Affected Tax Jurisdictions if the Future Addition were owned by the Company exclusive of the Agency's leasehold interest multiplied by the assessment or assessments established for that tax year by the appropriate Affected Tax Jurisdiction.

1.5 Period of Benefits. The tax benefits provided for herein should be deemed to include (i) the **2021-2022** School District tax year through the **2035-2036** School District tax year, and (ii) the **2022** County and Town tax year through the **2036** County and Town tax year. This PILOT Agreement shall expire on **December 31, 2036**; *provided, however*, the Company shall pay the **2036-2037** School District tax bill and the **2037** County and Town tax bills on the dates and in the amounts as if the Agency were not in title on the tax status date with respect to said tax years. In no event shall the Company be entitled to receive tax benefits relative to the Facility for more than the periods provided for herein, unless the period is extended by amendment to this PILOT Agreement executed by both parties after any applicable public hearings. The Company agrees that it will not seek any tax exemption for the Facility, while this PILOT Agreement is in effect, which could provide benefits for more than the periods provided for herein and specifically agrees that the exemptions provided for herein, to the extent actually received (based on the number of lease years elapsed), supersede and are in substitution of the exemptions provided by Section 485-b of the New York RPTL. It is hereby agreed and understood that the Affected Tax Jurisdictions can rely upon and enforce the above waiver to the same extent as if they were signatories hereto.

1.6 Term of PILOT Agreement. Unless terminated earlier pursuant to its terms, this PILOT Agreement shall be effective as of the Effective Date and shall remain in effect until December 31, 2036, after which this PILOT Agreement and the obligations of all parties hereto shall terminate except as provided in Section 1.5 above. The Company has the right to terminate this PILOT Agreement for any reason or no reason by delivering notice to the Agency at least thirty (30) business days prior to the desired termination date

Section 2 - Special District Charges, Special Assessments and other Charges. Special district charges, special assessments, and special ad valorem levies (specifically including but not

limited to fire district charges), and pure water charges and sewer charges are to be paid in full in accordance with normal billing practices.

Section 3 - Transfer of Facility. In the event that the Facility is transferred from the Agency to the Company (the Lease Agreement and Leaseback Agreement are terminated), and the Company is ineligible for a continued tax exemption under some other tax incentive program, or the exemption results in a payment to the Affected Tax Jurisdictions in excess of the payment described in Section 1 herein, or this PILOT Agreement terminates and the property is not timely transferred back to the Company, the Company agrees to pay no later than the next tax lien date (plus any applicable grace period), to each of the Affected Tax Jurisdictions, an amount equal to the taxes and assessments which would have been levied on the Facility if the Facility had been classified as fully taxable as of the date of transfer or loss of eligibility of all or a portion of the exemption described herein or date of termination.

Section 4 - Assessment Challenges.

4.1 The Company shall have all of the rights and remedies of a taxpayer with respect to any proposed assessment or change in assessment of the Facility by any of the Affected Tax Jurisdictions. The Company shall be entitled to protest before and be heard by the appropriate assessors or Board of Assessment Review, and shall be entitled to take any and all appropriate appeals or initiate any proceedings to review the validity or amount of any assessment or the validity or amount of any tax equivalent provided for herein.

4.2 The Company shall have all of the rights and remedies of a taxpayer with respect to any tax, service charge, special benefit, ad valorem levy, assessment, or special assessment or service charge in lieu of which the Company is obligated to make a payment pursuant to this PILOT Agreement.

4.3 The Company shall (i) cause the appropriate real estate tax assessment office and tax levy officers to assess the Facility and apply tax rates to the respective assessments, and (ii) file any accounts or tax returns required by the appropriate real estate tax assessment office and tax levy officers.

Section 5 - Changes in Law. To the extent the Facility is declared to be subject to taxation or assessment by an amendment to the Act, other legislative change, or by final judgment of a court of competent jurisdiction, the obligations of the Company hereunder shall, to such extent, be null and void.

Section 6 - Events of Default.

6.1 If payments are not made as provided for herein, the Agency and/or the Affected Tax Jurisdictions, individually or collectively, shall be entitled to pursue any and all remedies afforded them at law or in equity which may appear necessary or desirable to collect the payments then due or thereafter to become due hereunder, and to enforce the obligations, agreements or covenants of the Company under this PILOT Agreement.

Notwithstanding anything contained herein to the contrary, upon the occurrence of (i) the sale or closure of the Facility; (ii) a significant unapproved change in use of the Facility; (iii) the

Company abandons or otherwise vacates the County of Monroe; (iv) the failure by the Company to make any payments required under this PILOT Agreement which continues after any applicable notice and cure/grace periods; or (v) an "Event of Default" (singularly or collectively an "Event of Default") under the Leaseback Agreement, the Agency shall have the right to recapture real property tax abatements provided hereunder pursuant to the following schedule:

Year of Recapture	Percent of Recapture, Applicable to Current Year and All Prior Years
1	100%
2	100%
3	50%
4	50%
5	25%
6	25%
After year 6	At Agency's Discretion, 25% or Less

Any such recapture is at the sole and exclusive discretion of the Agency. The Agency shall notify the Company in writing of such Event of Default and of its intent to recapture the PILOT benefits (or any portion thereof). Any and all recaptured payments received pursuant to this provision shall be remitted to the Affected Tax Jurisdictions on a pro rata basis within sixty (60) days of receipt of payment.

6.2 If payments pursuant to Section 6.1 herein are not made by the due dates, or if any other payment required to be made hereunder is not made by the last day of any applicable cure period within which said payment can be made without penalty, the Company shall pay penalties and interest as follows: With respect to payments to be made pursuant to Section 6.1 herein, if said payment is not received by the due date defined in Section 6.1 herein, the Company shall pay, in addition to said payment, (i) a late payment penalty equal to five percent (5%) of the amount due and (ii) for each month, or any part thereof, that any such payment is delinquent beyond the first month, interest on the total amount due plus a late payment penalty, in an amount equal to one percent (1%) of the amount due per month. With respect to all other payments due hereunder, if said payment is not paid within any applicable cure period, the Company shall pay, in addition to said payment, the greater of the applicable penalties and interest hereunder, or penalties and interest which would have been incurred had payments made hereunder been tax payments to the Affected Tax Jurisdictions.

6.3 Notwithstanding anything to the contrary in this PILOT Agreement, the Company shall not be liable for: (a) any indirect, reliance, exemplary, incidental, speculative, punitive, special, consequential or similar damages that may arise in connection with this PILOT Agreement, (b) any lost or foregone tax revenues, or (c) any damages, liabilities, fees, costs, expenses, penalties, diminishments in value, losses or payments (including any lost or foregone tax revenues) that exceed, in the aggregate, the lesser of (i) an amount equal to all ad valorem taxes, including without limitation all ad valorem taxes levied by that would, but for the Leaseback Agreement and this PILOT Agreement, be leviable and payable upon the Project, and (ii) \$11,350,000.

Section 7 - Assignment.

7.1 (a) Except as expressly permitted herein, this PILOT Agreement may not be assigned in whole or in part, and the Facility may not be subleased, in whole or in part, by the Company without the prior written consent of the Agency, which consent shall not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing, the Agency hereby consents to (a) the assignment of this PILOT Agreement to a Related Person of the Company (as that term is defined in subparagraph (C) of paragraph three of subsection (b) of section four hundred sixty-five of the Internal Revenue Code of 1986, as amended, hereinafter "Related Person"), (b) the sublease of the Facility to a Related Person, (c) the sublease of the Facility to Amazon.com Services LLC, and (d) an assignment of this PILOT Agreement to a mortgagee or lender or their respective designee in connection with a foreclosure or deed in lieu of foreclosure of a related mortgage.

The Agency also hereby consents to any assignment if the following conditions are satisfied:

(i) unless approved by the Agency, no assignment shall relieve the Company from primary liability for any of its obligations hereunder unless (a) the Facility has been completed and (b) Amazon.com Services LLC and an affiliate or successor thereto remains a subtenant in the Facility;

(ii) the assignee shall assume the obligations of the Company hereunder;

(iii) the Company shall, within ten (10) days after the delivery thereof, furnish or cause to be furnished to the Agency a true and complete copy of such assignment; and

(iv) the Facility shall continue to constitute a "project" as such quoted term is defined in the Act.

(b) Any other such assignment or sublease is subject to the review and approval by the Agency and its counsel (at no cost to the Agency; any such cost to be paid by the Company, including reasonable attorneys' fees), and shall contain such terms and conditions as reasonably required by the Agency and its counsel.

Section 8 - Miscellaneous.

8.1 This PILOT Agreement may be executed in any number of counterparts each of which shall be deemed an original but which together shall constitute a single instrument. The signatures of the Company and the Agency to this PILOT Agreement may be in the form of an image of its manually executed signature transmitted by facsimile or other electronic format (including, without limitation, "pdf", "tif" or "jpg") or an electronic signature executed through DocuSign.

8.2 All notices, claims and other communications hereunder shall be in writing and shall be deemed to be duly given if personally delivered or mailed first class, postage prepaid, as follows:

or at such other address as any party may from time to time furnish to the other party by notice given in accordance with the provisions of this Section. All notices shall be deemed given when mailed or personally delivered in the manner provided in this Section.

8.3 This PILOT Agreement shall be governed by, and all matters in connection herewith shall be construed and enforced in accordance with, the laws of the State of New York applicable to agreements executed and to be wholly performed therein and the parties hereto hereby agree to submit to the personal jurisdiction of the federal or state courts located in Monroe County, New York.

8.4 Notwithstanding any other term or condition contained herein, all obligations of the Agency hereunder shall constitute a special obligation payable solely from the revenues and other monies, if any, derived from the Facility and paid to the Agency by the Company. Neither member of the Agency nor any person executing this PILOT Agreement on its behalf shall be liable personally under this PILOT Agreement. No recourse shall be had for the payment of the principal or interest on amounts due hereunder or for any claim based upon or in respect of any modification of or supplement hereto against any past, present or future member, officer, agent, servant, or employee, as such, of the Agency, or of any successor or political subdivision, either directly or through the Agency or any such successor, all such liability of such members, officers, agents, servants and employees being, to the extent permitted by law, expressly waived and released by the acceptance hereof and as part of the consideration for the execution of this PILOT Agreement.

Section 9 - Tax Abatement Policy.

9.1 Jobs Requirement. The Company or its Tenant shall create one (1) new full-time/full-time equivalent job(s) in three (3) years and maintain those new full-time/full-time equivalent jobs for the balance of the fifteen (15) year term hereof. A "full-time/full-time

equivalent job" means a job position, or a combination of job positions, in which the employee of Tenant or an affiliate of Tenant, employee of an employee leasing company, or combination of such employees, works at the Facility at least 35 hours per week.

9.2 Compliance Report. The Company shall report its compliance with these provisions as reasonably requested by the Agency, or its project compliance monitor.

9.3 Job Failure. If the one (1) new full-time/full-time equivalent job(s) are not created by the end of the three (3) year period or not continuously maintained during the balance of the term hereof, the exemption schedule will revert back to Section 485-b of the New York RPTL and the Company agrees to pay in any year for which the job creation requirements are not met (a "Disqualifying Year"), as an additional payment in lieu of taxes, an amount equal to the difference between the tax benefits received in years one through the Disqualifying Year under this PILOT Agreement and the tax benefits which would have been received in years one through the Disqualifying Year under Section 485-b of the New York RPTL. Under extenuating circumstances, the Agency Board may waive the above penalties after reviewing a written request from the Company for waiver of the penalties.

9.4 Waiver Process. The payments required hereunder for any non-compliance shall be paid by the Company to any and all Affected Tax Jurisdictions whether or not billed. However, if the Company has made a good faith effort to achieve the job creation requirement, it may apply in writing for relief from the obligation for repayment of taxes abated, based on a showing of unforeseen economic circumstances, fiscal hardship, or other good cause. Application for relief from the repayment obligation shall be made to the Agency, which shall examine the application and grant relief, in whole or in part, from the repayment obligation or grant an alternate schedule for attaining the job creation requirement.

9.5 Benefit Period. In no event shall the Company be entitled to receive tax benefits relative to the Facility for more than fifteen (15) consecutive years. The Company agrees that it will not seek any tax exemption for the Facility which would provide benefits for more than fifteen (15) consecutive years. Notwithstanding the foregoing, nothing contained in this PILOT Agreement shall render the Company ineligible for a continued tax exemption under Real Property Tax Law Section 485-b or any other applicable statute if this PILOT Agreement is terminated prior to the expiration of the exemption schedule set forth herein.

9.6 Waiver of Jury Trial. Each party irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, any right it may have to a trial by jury in any legal action, proceeding, cause of action or counterclaim arising out of or relating to this PILOT Agreement, including any exhibits, schedules, and appendices attached to this PILOT Agreement, or the transactions contemplated hereby. Each party certifies and acknowledges that (a) no representative of the other party has represented, expressly or otherwise, that the other party would not seek to enforce the foregoing waiver in the event of a legal action, (b) it has considered the implications of this waiver, (c) it makes this waiver knowingly and voluntarily, and (d) it has decided to enter into this PILOT Agreement in consideration of, among other things, the mutual waivers and certifications in this Section 9.6.

SCHEDULE A

**PILOT AGREEMENT DATED AS OF JANUARY 1, 2021
BY AND BETWEEN THE
COUNTY OF MONROE INDUSTRIAL DEVELOPMENT AGENCY
AND RLP III GREECE, LLC**

"Total PILOT Payment" shall be calculated as follows:

<u>Tax Year</u>	<u>County and Town Tax Year</u>	<u>School District Tax Year</u>	<u>Total Taxable Valuation</u>
Year 1	2022	2021/2022	Base Valuation, plus (Added Value x .10)
Year 2	2023	2022/2023	Base Valuation, plus (Added Value x .10)
Year 3	2024	2023/2024	Base Valuation, plus (Added Value x .10)
Year 4	2025	2024/2025	Base Valuation, plus (Added Value x .10)
Year 5	2026	2025/2026	Base Valuation, plus (Added Value x .10)
Year 6	2027	2026/2027	Base Valuation, plus (Added Value x .10)
Year 7	2028	2027/2028	Base Valuation, plus (Added Value x .10)
Year 8	2029	2028/2029	Base Valuation, plus (Added Value x .20)
Year 9	2030	2029/2030	Base Valuation, plus (Added Value x .30)
Year 10	2031	2030/2031	Base Valuation, plus (Added Value x .40)
Year 11	2032	2031/2032	Base Valuation, plus (Added Value x .50)
Year 12	2033	2032/2033	Base Valuation, plus (Added Value x .60)
Year 13	2034	2033/2034	Base Valuation, plus (Added Value x .70)
Year 14	2035	2034/2035	Base Valuation, plus (Added Value x .80)
Year 15	2036	2035/2036	Base Valuation, plus (Added Value x .90)

For the term of this PILOT Agreement, the Company shall continue to pay full taxes based on the assessed value of the Land and any existing improvements before the completion of any Improvements (the "Base Valuation"). During the term of this PILOT Agreement, the Base Valuation shall be revised from time to time by the change in the assessed valuation in all taxable real property in the Town of Greece, Monroe County, New York, as of the respective tax status date for the tax year for which the recalculation is being made. The Total Taxable Valuation for each Total PILOT Payment shall be calculated such that a graduated abatement factor (the "Abatement Factor") shall be applied to the increased assessed valuation attributable to the Improvements made to the Facility by the Company, as an agent of the Agency, for the Project (the "Added Value"). The abatement schedule shall allow for a 90% exemption from taxation for the Added Value in Year 1 through and including Year 7, with such exemption being eliminated in 10% increments in PILOT Years 8-15.

Once the Total Taxable Valuation is established using the Abatement Factor, the Total PILOT Payment shall be determined by multiplying the Total Taxable Valuation by the respective tax rate for each Affected Tax Jurisdiction (after application of any applicable equalization rate). After Year 15, the Facility shall be subject to full taxation by the Affected Tax Jurisdictions.

$$\text{Total Taxable Valuation} = \text{Base Valuation} + (\text{Added Value} \times \text{Abatement Factor})$$

$$\text{Total PILOT Payment} = \text{Total Taxable Valuation (after equalization)} \times \text{Tax Rate}$$

**PILOT ADDENDUM
(AMAZON.COM SERVICES LLC)**

The County of Monroe Industrial Development Agency, RLP III Greece, LLC (the "Applicant") and Amazon.com Services LLC (the "Tenant") acknowledge and agree that the Tenant is responsible for creating and maintaining the one (1) full-time/full-time equivalent job(s) required under this PILOT Agreement in accordance with Section 9.1 thereof. However, in the event the Tenant does not create the required job(s), the Applicant, as the direct beneficiary of the PILOT Agreement, is responsible for any and all penalties due as a result of Tenant's failure. The Applicant may attempt to find a substitute tenant and create the one (1) full-time/full-time equivalent job(s) with such new tenant, provided the Agency is informed and consents to the new tenant occupying the Facility.

Instructions

When to file

An IDA must file this form within 30 days of the date they appoint any project operator or other person as agent of the IDA, for purposes of extending any sales and use tax exemptions.

Requirements to file

The IDA must file a separate form for each person it appoints as agent, whether directly or indirectly, and regardless of whether the person is the primary project operator or agent. If the IDA authorizes a project operator or agent to appoint other persons as agent of the IDA, the operator or agent making such an appointment must advise the IDA that it has done so, so that the IDA can file a form within 30 days of the date of the new agent's appointment. The IDA should not file this form for a person hired to work on an IDA project if that person is not appointed as agent of the IDA. The IDA should not file this form if they do not extend any sales or use tax exemption benefits for the project.

If an IDA modifies a project, such as by extending it beyond its original completion date, or by increasing or decreasing the amount of sales and use tax exemption benefits authorized for the project, they must, within 30 days of the change, file a new form with the new information.

If the information on this form changes

If an IDA amends, revokes, or cancels the appointment of an agent, or if an agent's appointment becomes invalid for any reason, the IDA, within 30 days, must send a letter to the address below for filing this form, indicating that the appointment has been amended, revoked, or cancelled, or is no longer valid, and the effective date of the change. They must attach to the letter a copy of the form it originally filed. The IDA should not send a letter for a form that is not valid merely because the *Completion date of project* has passed.

Instructions

To the purchaser

You may use Form ST-123 if you:

- have been appointed as an agent or project operator by an industrial development agency (IDA) and
- the purchases qualify for exemption from sales and use tax as described in the IDA contract.

You may use Form ST-123 as a single-purchase certificate or as a blanket certificate covering the first and subsequent purchases qualifying for the project listed.

Agent or project operator sales tax ID number — If you are registered with the Tax Department for sales tax purposes, you must enter your sales tax identification number on this certificate. If you are not required to be registered, enter **N/A**.

Industrial development agencies and authorities (IDAs) are public benefit corporations under General Municipal Law Article 18-A and the Public Authorities Law, for the purpose of promoting, developing, encouraging, and assisting in the acquisition, construction, reconstruction, improvement, maintenance, equipping, and furnishing of industrial, manufacturing, warehousing, commercial, research, and recreational facilities in New York State.

IDAs are exempt from the payment of sales and use tax on their purchases, in accordance with Tax Law section 1118(a)(1). However, IDAs do not normally make direct purchases for projects. Commonly, IDAs instead appoint a business enterprise or developer, contractor, or subcontractor as its agent or project operator. Such purchases made by the agent or project operator, acting within the authority granted by the IDA, are deemed to be made by the IDA and therefore exempt from tax.

Example 1: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment necessary for completion of the project, as agent for the IDA. Contractor X rents a backhoe and a bulldozer for site preparation, purchases concrete and lumber to construct a building, and purchases machinery to be installed in the building. All these purchases by contractor X as agent of the IDA are exempt from tax.

Example 2: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment to be incorporated into the project, as agent for the IDA. Contractor X makes the same purchases as in Example 1. Since the concrete, lumber, and machinery will actually be incorporated into the project, contractor X may purchase these items exempt from tax. However, rental of the backhoe and bulldozer is not exempt since these transactions are normally taxable and the IDA agreement does not authorize contractor X to make such rentals as agent of the IDA.

A contractor or subcontractor not appointed as agent or project operator of an IDA must present suppliers with Form ST-120, *Contractor Exempt Purchase Certificate*, when making purchases that are ordinarily exempt from tax in accordance with Tax Law sections 1115(a)(15) and 1115(a)(16). For more information, see Form ST-120.1.

Exempt purchases

To qualify, the purchases must be made within the authority granted by the IDA and used to complete the project (not to operate the completed project).

- Mark box A to indicate you are purchasing tangible personal property and services (other than utility services and motor vehicles or tangible personal property installed in a qualifying motor vehicle) exempt from tax.
- Mark box B to indicate you are purchasing certain consumer utility services used in completing the project exempt from tax. This includes gas, electricity, refrigeration, and steam; and gas, electric, refrigeration, and steam services.
- Mark box C to indicate you are purchasing a motor vehicle or tangible personal property related to a qualifying motor vehicle exempt from tax.

Misuse of this certificate

Misuse of this exemption certificate may subject you to serious civil and criminal sanctions in addition to the payment of any tax and interest due. These include:

- A penalty equal to 100% of the tax due;
- A \$50 penalty for each fraudulent exemption certificate issued;
- Criminal felony prosecution, punishable by a substantial fine and a possible jail sentence; and
- Revocation of your *Certificate of Authority*, if you are required to be registered as a vendor. See TSB-M-09(17)S, *Amendments that Encourage Compliance with the Tax Law and Enhance the Tax Department's Enforcement Ability*, for more information.

To the seller

When making purchases as agent or project operator of an IDA, the purchaser must provide you with this exemption certificate with all entries completed to establish the right to the exemption. You **must** identify the project on each bill and invoice for such purchases and indicate on the bill or invoice that the IDA or agent or project operator of the IDA was the purchaser.

As a New York State registered vendor, you may accept an exemption certificate in lieu of collecting tax and be protected from liability for the tax if the certificate is valid. The certificate will be considered valid if it is:

- accepted in good faith;
- in your possession within 90 days of the transaction; and
- properly completed (all required entries were made).

An exemption certificate is accepted in good faith when you have no knowledge that the exemption certificate is false or is fraudulently given, and you exercise reasonable ordinary due care. If you do not receive a properly completed certificate within 90 days after the delivery of the property or service, you will share with the purchaser the burden of proving the sale was exempt.

You must also maintain a method of associating an invoice (or other source document) for an exempt sale with the exemption certificate you have on file from the purchaser. You must keep this certificate at least three years after the due date of your sales tax return to which it relates, or the date the return was filed, if later.

Industrial development agencies and authorities (IDAs) are public benefit corporations under General Municipal Law Article 18-A and the Public Authorities Law, for the purpose of promoting, developing, encouraging and assisting in the acquisition, construction, reconstruction, improvement, maintenance, equipping, and furnishing of industrial, manufacturing, warehousing, commercial, research and recreational facilities in New York State.

IDAs are exempt from the payment of sales and use tax on their purchases, in accordance with Tax Law section 1116(a)(1). However, IDAs do not normally make direct purchases for projects. General information

Who must file

The General Municipal Law (GML) and the Public Authorities Law require the agent/project operator (also known as the *project occupant*) of an Industrial Development Agency or Authority (IDA) to file an annual report with the Tax Department. The agent/project operator required to file this report is the person **directly** appointed by the IDA to act for and to represent the IDA for the project. The agent/project operator is ordinarily the one for whom the IDA project was created.

There is usually only one agent/project operator directly appointed by the IDA for an IDA project. However, if the IDA directly appoints multiple agents/project operators, each agent/project operator must file this form (unless they are related corporations).

Only the agent/project operators directly appointed by the IDA must file Form ST-340. Contractors, subcontractors, consultants, or agents appointed by the agent/project operators should **not** themselves file Form ST-340. However, the agent/project operators must include on Form ST-340 information obtained from such contractors, subcontractors, consultants, and agents, as described below.

What you must report

The report must show the **total value** of all state and local **sales and use taxes exempted** during the calendar year, as a result of the project's designation as an IDA project. This includes:

- the value of the exemptions the agent/project operator (you) obtained; and
- the value of the exemptions obtained by your contractors, subcontractors, consultants, and others, whether or not appointed as agents of the IDA.

Include only the **total combined** exemptions obtained by the above people. A breakdown of the total is not required. However, since the report must include the value of the exemptions they obtained, you must keep records of the amounts others report to you.

You must make it clear to the contractors, subcontractors, consultants, and others that they must keep accurate tax information and have it available, so that you can comply with the annual reporting requirements.

Do not include on this report the amount of any sales and use tax exemptions from other provisions of the Tax Law (for example, manufacturer's production equipment exemption, research and development exemption, or contractor's exemption for tangible personal property incorporated into a project of an exempt organization).

When the report is due

You must file Form ST-340 on a calendar-year basis. It is due by the last day of February of the following year. The reporting requirement applies to IDA projects started on or after July 21, 1993.

Project information

At the top of the form, identify the reporting period by entering the year in the space provided. If an address is required, always include the ZIP code.

Name of IDA agent/project operator: Enter your name, address, employer identification number (EIN), and telephone number.

Name of IDA and IDA project number: Enter the name and address of the IDA. If more than one IDA is involved in a particular project, you must file a separate report for the tax exemptions attributable to each IDA. Also enter the ID project number.

Name of project: Enter the name of the project and the address of the project site. If you are involved in more than one project, you

must file a separate report for each project, even if authorized by the same IDA.

Date project began: Enter the date the project started (this means the earliest of the date of any bond or inducement resolution, the execution of any lease, or any bond issuance). Include month, day, and year.

Completion date of project: Enter the date installation, lease, or rental of property (for example, machinery or computers) on the project ended, or the date the project is expected to be completed. Mark an **X** in the appropriate box to indicate if the date entered is actual or expected.

Total sales and use tax exemptions: Enter the total amount of New York State and local sales and use taxes exempted during the reporting period as a result of the project's receipt of IDA financial assistance (*if none, enter 0*). This includes exemptions obtained at the time of purchase, as well as through a refund or credit of tax paid. Include the sales and use taxes exempted on purchases of property or services incorporated into or used on the exempt project. This includes the taxes exempted on purchases made by or on behalf of the agent/project operator, the general contractor for the project, and any subcontractors, consultants, or others. Do **not** enter total purchases.

Representative information

If applicable, enter the name, address, title (for example, attorney or accountant), and telephone number of the individual you authorize to submit this report. This section is not required.

Certification

Enter the name and title of the person signing on your behalf (for example, the IDA agent/project operator's officer, employee, or other authorized representative). Your officer, employee, or authorized representative must sign and date the report.

Instructions

When to file

An IDA must file this form within 30 days of the date they appoint any project operator or other person as agent of the IDA, for purposes of extending any sales and use tax exemptions.

Requirements to file

The IDA must file a separate form for each person it appoints as agent, whether directly or indirectly, and regardless of whether the person is the primary project operator or agent. If the IDA authorizes a project operator or agent to appoint other persons as agent of the IDA, the operator or agent making such an appointment must advise the IDA that it has done so, so that the IDA can file a form within 30 days of the date of the new agent's appointment. The IDA should not file this form for a person hired to work on an IDA project if that person is not appointed as agent of the IDA. The IDA should not file this form if they do not extend any sales or use tax exemption benefits for the project.

If an IDA modifies a project, such as by extending it beyond its original completion date, or by increasing or decreasing the amount of sales and use tax exemption benefits authorized for the project, they must, within 30 days of the change, file a new form with the new information.

If the information on this form changes

If an IDA amends, revokes, or cancels the appointment of an agent, or if an agent's appointment becomes invalid for any reason, the IDA, within 30 days, must send a letter to the address below for filing this form, indicating that the appointment has been amended, revoked, or cancelled, or is no longer valid, and the effective date of the change. They must attach to the letter a copy of the form it originally filed. The IDA should not send a letter for a form that is not valid merely because the *Completion date of project* has passed.
