WHEREAS, the Act authorizes and empowers the Agency to promote, develop, encourage and assist projects such as the Facility and to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York; and

WHEREAS, pursuant to Section 859-a of the Act, on Tuesday, May 19, 2020, at 10:45 a.m., local time, at the Agency's offices at 50 West Main Street, Suite 1150, Rochester, New York 14614, the Agency held a public hearing with respect to the Project and the proposed Financial Assistance being contemplated by the Agency, whereat interested parties were provided a reasonable opportunity, both orally and in writing, to present their views; and

WHEREAS, it is contemplated that the Agency will (i) negotiate a project agreement (the "Project Agreement"), pursuant to which the Agency will appoint the Company as its agent for the purpose of acquiring, constructing and equipping the Improvements, (ii) negotiate and enter into a lease agreement (the "Lease Agreement"); leaseback agreement (the "Leaseback Agreement") and payment-in-lieu-of-tax agreement (the "PILOT Agreement") with the Company, (iii) take title to or a leasehold interest in the Land, the Improvements and personal property constituting the Facility (once the Lease Agreement, Leaseback Agreement and PILOT Agreement have been negotiated), and (iv) provide financial assistance (the "Financial Assistance") to the Company in the form of (a) a sales and use tax exemption for purchases and rentals related to the acquisition, construction and equipping of the Facility, (b) if necessary, a mortgage recording tax exemption for financing relating to the Project and (c) a partial real property tax abatement structured through the PILOT Agreement; and

WHEREAS, the Company has agreed to indemnify the Agency against certain losses, claims, expenses, damages and liabilities which may arise in connection with the transactions contemplated by the lease of the Facility; and

WHEREAS, pursuant to the New York State Environmental Quality Review Act, Article 8 of the Environmental Conservation Law and the regulations adopted pursuant thereto at 6 N.Y.C.R.R. Part 617, as amended (collectively referred to as "SEQRA"), the Agency must satisfy the applicable requirements set forth in SEQRA, as necessary, prior to making a final determination whether to undertake the Project; and

WHEREAS, the City of Rochester Planning Board (the "Planning Board"), acting as "lead agency" (as such term is defined under SEQRA), undertook a "coordinated review" (as such term is defined under SEQRA) of the Project, determined that the Project was a "Type 1 Action" (as such term is defined under SEQRA) and on April 8, 2020 issued a "negative declaration" (as such term is defined under SEQRA) with respect to the Project (the "Negative Declaration").

NOW, THEREFORE, BE IT RESOLVED by the County of Monroe Industrial Development Agency as follows:

Section 1. The Company has presented an application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Company's application and other correspondence submitted by the Company to the Agency, the Agency hereby finds and determines that:
(a) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(b) The Facility constitutes a "project", as such term is defined in the Act; and

(c) It is desirable and in the public interest for the Agency to appoint the Company as its agent for purposes of acquiring, constructing and equipping the Improvements; and

(d) The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing employment opportunities in Monroe County and otherwise furthering the purposes of the Agency as set forth in the Act; and

(e) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries; and

(f) The Planning Board has conducted a coordinated review of the Project pursuant to Article 8 of the Environmental Conservation Law and 6 N.Y.C.R.R. Part 617 (collectively referred to as "SEQRA"). In addition to classifying the Project as a "Type 1" pursuant to SEQRA, the Planning Board also issued a Negative Declaration on April 8, 2020, determining that the Project did not present a potential significant adverse environmental impact. The Agency, having reviewed the materials presented by the Company, further determines that the Project does not pose a potential significant adverse environmental impact and thus ratifies the Negative Declaration previously issued by the Planning Board pursuant to 6 N.Y.C.R.R. § 617.7.

Section 2. The Agency hereby determines that the acquisition of a leasehold interest in and the construction, equipping, repair and maintenance of the Facility by the Agency and the lease or sublease of the Facility to the Company will promote job opportunities, health, general prosperity and the economic welfare of the inhabitants of the County of Monroe and the people of the State of New York and improve their standard of living, thereby serving the public purposes of the Act and, therefore, the same is approved.

Section 3. The Agency hereby approves the cost/benefit report submitted by the Company listing the proposed cost/benefits of the Project.

Section 4. Subject to the Company executing a Project Agreement and the delivery to the Agency of a binder, certificate or other evidence of liability insurance policy for the Project
satisfactory to the Agency, the Agency hereby authorizes the Company to proceed with the acquisition, construction and equipping of the Project and hereby appoints the Company as the true and lawful agent of the Agency to acquire, construct, renovate and equip the Facility, and such appointment includes the following activities as they relate to the construction, erection, completion, use, repair and maintenance of the Improvements and the purchase, use, lease, placement, installation, repair, maintenance and replacement of the Equipment, whether or not any materials or supplies described below are incorporated into or become an integral part of the Improvements or the Equipment: (i) all purchases, leases, rentals and other uses of tools, machinery and equipment in connection with acquiring, constructing, equipping, repairing and maintaining the Facility, (ii) all purchases, rentals, uses or consumption of supplies, materials and services of every kind and description in connection with acquiring, constructing, equipping, repairing and maintaining the Facility, and (iii) all purchases, leases, rentals and uses of equipment, machinery, and other tangible personal property (including installation costs with respect thereto), installed or placed in, upon or under the Improvements, Land or the Equipment, including all repairs, maintenance and replacement of all such property. Said agents are authorized to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agents for the Agency, and in general to do all things which may be requisite or proper for completing the Facility, all with the same powers and with the same validity as the Agency could do if acting on its own behalf. As agent of the Agency, the Company is authorized to delegate such agency, in whole or in part, to agents, subagents, contractors, subcontractors, contractors and subcontractors of such agents and subagents and to such other parties as the Company and the Tenant choose; provided, however, the Project Agreements shall expire on December 31, 2021 (unless extended for good cause by the Executive Director, Chairman or Vice Chairman of the Agency) if the Lease Agreement, Leaseback Agreement and PILOT Agreement contemplated have not been executed and delivered.

Section 5. Based upon the representation and warranties made by the Company in its application for financial assistance, the Agency hereby authorizes and approves (i) the Company as its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an amount up to $2,190,000, which result in New York State and local sales and use tax exemption benefits ("sales and use tax exemption benefits") not to exceed $175,200; (ii) a mortgage (or mortgages), in connection with the financing of the Facility or portions thereof and including any refinancing thereof, securing an aggregate principal amount not to exceed $4,228,000, resulting in a mortgage tax exemption not to exceed $31,710; and (iii) a partial real property tax abatement.

Section 6. Pursuant to Section 875(3) of the New York General Municipal Law, the Agency may recover or recapture from the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any sales and use tax exemption benefits taken or purported to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the sales and use tax exemption benefits; (ii) the sales and use tax exemption benefits are in excess of the amounts authorized to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or (iv)
the sales and use tax exemption benefits are taken in cases where the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, fails to comply with a material term or condition to use property or services in the manner approved by the Agency in connection with the Project. As a condition precedent of receiving sales and use tax exemption benefits, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, shall (i) cooperate with the Agency in its efforts to recover or recapture any sales and use tax exemption benefits, and (ii) promptly pay over any such amounts to the Agency that the Agency demands.

Section 7. The form and substance of the Lease Agreement, the Leaseback Agreement and the PILOT Agreement (each in substantially the forms presented to the Agency and which, prior to the execution and delivery thereof, may be redated) are hereby approved.

Section 8. The Executive Director, Chairman or Vice Chairman of the Agency are hereby authorized, on behalf of the Agency, to negotiate and execute (A) the Lease Agreement whereby the Company leases the Project to the Agency, (B) the related Leaseback Agreement conveying the Project back to the Company, and (C) the PILOT Agreement; provided, that, (i) the rental payments under the Leaseback Agreement include payments of all costs incurred by the Agency arising out of or related to the Project and indemnification of the Agency by the Company for actions taken by the Company and/or claims arising out of or related to the Project; and (ii) the terms of the PILOT Agreement are consistent with the Agency's Uniform Tax Exemption Policy or the procedures for deviation have been complied with.

Section 9. The Executive Director, Chairman or Vice Chairman of the Agency are hereby authorized, on behalf of the Agency, to execute and deliver any mortgage, assignment of leases and rents, security agreement, UCC-1 Financing Statements and all documents reasonably contemplated by these resolutions or required by any lender identified by the Company (the "Lender") up to a maximum principal amount necessary to undertake the Project, acquire the Facility and/or finance or refinance equipment and other personal property and related transactional costs (hereinafter, with the Lease Agreement, Leaseback Agreement and PILOT Agreement are collectively referred to as, the "Agency Documents"); and, where appropriate, the Secretary or Assistant Secretary of the Agency is hereby authorized to affix the seal of the Agency (if any) to the Agency Documents and to attest the same, all with such changes, variations, omissions and insertions as the Executive Director, Chairman or Vice Chairman of the Agency shall approve, the execution thereof by the Executive Director, Chairman or Vice Chairman of the Agency to constitute conclusive evidence of such approval; provided in all events recourse against the Agency is limited to the Agency's interest in the Project.

Section 10. The Executive Director, Chairman or Vice Chairman of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of such Executive Director, Chairman or Vice Chairman of the Agency acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

A regular meeting of the County of Monroe Industrial Development Agency (the "Agency"), was held at the Agency's offices at 50 West Main Street, Suite 1150, Rochester, New York 14614, on May 19, 2020, in accordance with Executive Order Number 202.1.

WHEREAS, by Title I of Article 18-A of the General Municipal Law of the State of New York, as amended and Chapter 55 of the Laws of 1972 of the State of New York (collectively, the "Act"), the Agency was created with the authority and power among other things, to assist with the acquisition of certain industrial development projects as authorized by the Act; and

WHEREAS, BUTTON LOFTS, LLC, a New York limited liability company (the "Company"), previously submitted an application to the County of Monroe Industrial Development Agency (the "Agency") requesting the Agency to assist with a certain project (the "Project") consisting of: (A) the acquisition of a leasehold interest in an approximately .066-acre parcel of land located at 340 Rutgers Street in the City of Rochester, New York (the "Land") together with the existing approximately 56,600 square-foot former Ted Cohen Office Furniture building located thereon (the "Existing Improvements"); (B) the renovation of the Existing Improvements into three (3) townhomes and 36 loft-style apartments (collectively, the "Improvements"); and (C) the acquisition and installation therein, thereon or thereabout of certain machinery, equipment and related personal property (the "Equipment" and, together with the Land, the Existing Improvements and the Improvements, the "Facility"); and

WHEREAS, by resolution adopted on August 27, 2013, the Agency approved certain financial assistance for the Project including, but not limited to, a real property tax abatement pursuant to that certain Payment-In-Lieu-of-Tax Agreement, dated as of December 1, 2014 (the "PILOT Agreement"), by and between the Company and the Agency; and

WHEREAS, the City of Rochester (the "City") confirmed its support for the Project and the utilization by the Agency of the City's Conversion Urban Exemption Program schedule of real property tax abatement, as evidenced by the support letter attached hereto as Exhibit A; and
WHEREAS, on or about January 24, 2018, the County of Monroe’s (the "County") Delinquent Tax Collector notified the Agency that the payments due under the PILOT Agreement (the "PILOT Payments") were past due and owing; and

WHEREAS, by letters dated February 16, 2018 and July 25, 2018 (collectively, the "PILOT Payment Default Letters"), the Agency notified the Company that it had failed to make the PILOT Payments and such PILOT Payments were due to the Monroe County Treasury. The Agency further advised the Company that failure to make the PILOT Payments could result in further action by the Agency; and

WHEREAS, the Agency did not receive a response from the Company following delivery of the PILOT Payment Default Letters; and

WHEREAS, on October 9, 2018, the Agency's PILOT Compliance Review Committee met to review all projects with unpaid PILOT payments; and

WHEREAS, on October 16, 2018, upon recommendation from the Agency's PILOT Compliance Review Committee, the Agency approved the termination of all projects that have not made PILOT payments; and

WHEREAS, by letter dated November 19, 2018, the Agency notified the City, the County and the Rochester City School District that (i) the Company had failed to timely make the PILOT Payments, (ii) the Agency had put the Company on notice of sure failure and (iii) the failure to cure the nonpayment of the PILOT Payments constituted an Event of Default, which resulted in the immediate termination of the PILOT Agreement; and

WHEREAS, the Company has now applied for the reinstatement of the PILOT Agreement; and

WHEREAS, the City has confirmed its support for the reinstatement of the PILOT Agreement, as evidenced by the support letter attached hereto as Exhibit B; and

WHEREAS, based upon the support and recommendation of the City, the Agency desires to adopt a resolution authorizing the reinstatement of the PILOT Agreement.

NOW, THEREFORE, BE IT RESOLVED by the County of Monroe Industrial Development Agency as follows:

Section 1. The Company has presented an application in a form acceptable to the Agency. Based upon the representations made by the Company to the Agency in the Company’s application and other correspondence submitted by the Company to the Agency, and the City to the Agency, the Agency hereby finds and determines that:

(a) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and
(b) The Facility constitutes a "project", as such term is defined in the Act; and

(c) It is desirable and in the public interest for the Agency to appoint the Company as its agent for purposes of continuing and maintaining the Project; and

(d) The action to be taken by the Agency will induce the Company to continue operating the Project, thereby increasing employment opportunities in Monroe County and otherwise furthering the purposes of the Agency as set forth in the Act; and

(e) The Project will not result in the removal of a civic, commercial, industrial, or manufacturing plant of the Company or any other proposed occupant of the Project from one area of the State of New York (the "State") to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project located within the State; and the Agency hereby finds that, based on the Company's application, to the extent occupants are relocating from one plant or facility to another, the Project is reasonably necessary to discourage the Project occupants from removing such other plant or facility to a location outside the State and/or is reasonably necessary to preserve the competitive position of the Project occupants in their respective industries.

Section 2. The Agency hereby determines that the acquisition of a leasehold interest in and the maintenance of the Facility by the Agency and the lease or sublease of the Facility to the Company will promote job opportunities, health, general prosperity and the economic welfare of the inhabitants of the County of Monroe and the people of the State of New York and improve their standard of living, thereby serving the public purposes of the Act and, therefore, the same is approved.

Section 3. Based upon the representation and warranties made by the Company in its application for financial assistance and the support from the City, the Agency hereby authorizes and approves the reinstatement of the PILOT Agreement.

Section 4. The Executive Director, Chairman or Vice Chairman of the Agency are hereby authorized, on behalf of the Agency, to negotiate and execute any and all documents necessary to effectuate the reinstatement of the PILOT Agreement.

Section 5. The Executive Director, Chairman or Vice Chairman of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of such Executive Director, Chairman or Vice Chairman of the Agency acting, desirable and proper to effect the purposes of the foregoing resolutions and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

Section 6. This resolution shall take effect immediately.

City of Rochester CUE Support Letter

[See Attached]
August 6, 2013

Judy Sell, Director
COMIDA
50 W. Main Street, Suite 6100
Rochester, NY 14614

RE: 340 Rutgers Street, SBL #121.067-0003-016.002 – Tax Abatement Schedule

Dear Ms. Sell:

The City of Rochester received a request from Button Lofts LLC (Developer) to support a partial tax exemption utilizing the Conversion Urban Exemption (CUE) Program schedule of abatement with COMIDA for the proposed renovation of 340 Rutgers Street. The Developer is proposing converting the five-story, 56,680 square feet building into 38 one- and two-bedroom lofts and three (3) two-bedroom townhouses for a total of 39 new residential units. The estimated total development cost is $8.5 million and this investment is expected to create one full-time permanent position and approximately eighty (80) temporary construction jobs.

Because the property is located outside the Center City District it does not qualify for direct participation in the CUE Program but the City is supporting this application because the anticipated investment of $6.5 million in this neighborhood will be a boost to the revitalization of this section of Monroe Avenue near the YMCA and I-490. This project complements the other recently proposed project in close proximity at 795 Monroe Avenue, contributing further to a critical mass of desirable market rate housing for singles and young couples. The project at 795 Monroe Avenue was recently proposed for a similar tax abatement benefit.

The City of Rochester supports this application for consideration and approval by COMIDA. The City understands that the exemption will apply only to the added value attributable to the renovation of the property, use the CUE schedule of abatement, and expire at the end of the twelfth (12th) year when the property will return to full taxable status. If you have any questions please call Anne DaSilva Tellis at 428-6124.

City of Rochester PILOT Reinstatement Support Letter

[See Attached]
April 28, 2020

Ana Liss, Executive Director
COMIDA
City Place, 50 West Main Street, Suite 8100
Rochester, NY 14614

RE: Button Lofts LLC – Support for reinstatement of Terminated PILOT
340 Rutgers St, Rochester NY; Tax Map Number 121.67-3-16.004

Dear Ms. Liss:

Thomas Masaschi of Button Lofts LLC (the Company) has requested and received the support of the City in seeking a reinstatement of the PILOT agreement previously negotiated for the property at 340 Rutgers Street in the city of Rochester. In November 2018, the PILOT was terminated by COMIDA following the Company’s failure to make timely payments according to the PILOT agreement.

The City kindly requests a reinstatement of the former special PILOT so that it resumes where it left off, i.e. in the fifth year of the twelve-year special PILOT. The City is willing to cancel the real property tax bill issued in July for the 2019-29 tax year, and instead request a PILOT payment once COMIDA confirms reinstatement of the PILOT. It is our understanding that the Company has now paid all of its outstanding bills to Imagine Monroe and has brought the account current.

Sincerely,
