Exhibit A

Excerpt of Terms and Conditions from Board Resolution

Subject to the Company executing the Agent Agreement and the delivery to the Agency of a binder, certificate or other evidence of liability insurance policy for the Project satisfactory to the Agency, the Agency hereby authorizes the Company to proceed with the acquisition, construction and equipping of the Project and hereby appoints the Company as the true and lawful agent of the Agency to acquire, construct and equip the Facility, and such appointment includes the following activities as they relate to the construction, erection, completion, use, repair and maintenance of the Improvements and the purchase, use, lease, placement, installation, repair, maintenance and replacement of the Equipment, whether or not any materials or supplies described below are incorporated into or become an integral part of the Improvements or the Equipment: (i) all purchases, leases, rentals and other uses of tools, machinery and equipment in connection with acquiring, constructing, equipping, repairing and maintaining the Facility, (ii) all purchases, rentals, uses or consumption of supplies, materials and services of every kind and description in connection with acquiring, constructing, equipping, repairing and maintaining the Facility, and (iii) all purchases, leases, rentals and uses of equipment, machinery, and other tangible personal property (including installation costs with respect thereto), installed or placed in, upon or under the Improvements, Land or the Equipment, including all repairs, maintenance and replacement of all such property. Said agents are authorized to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agents for the Agency, and in general to do all things which may be requisite or proper for completing the Facility, all with the same powers and with the same validity as the Agency could do if acting on its own behalf. As agent of the Agency, the Company is authorized to delegate such agency, in whole or in part, to agents, subagents, contractors, subcontractors, contractors and subcontractors of such agents and subagents and to such other parties as the Company chooses; provided, however, the Agent Agreement shall expire on [_____]. The Executive Director, Chairman or Vice Chairman of the Agency are authorized and directed to execute and deliver to said agent an appropriate letter on Agency letterhead describing the authority granted under this resolution.

Based upon the representation and warranties made by the Company in its application for financial assistance, the Agency hereby authorizes and approves (i) the Company as its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an amount up to [_____], which result in New York State and local sales and use tax exemption benefits ("sales and use tax exemption benefits") not to exceed [_____]. The Agency agrees to consider any requests by the Company for increase to the amount of sales and use tax exemption benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services; (ii) a mortgage tax exemption in connection with the financing of the Facility or portions thereof and including any refinancing thereof not to exceed [_____]; and (iii) a partial real property tax abatement.

Pursuant to Section 875(3) of the New York General Municipal Law, the Agency may recover or recapture from the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any sales and use tax exemption benefits taken or purported to be taken by the Company, its agents, consultants, subcontractors, or any other party

authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the sales and use tax exemption benefits; (ii) the sales and use tax exemption benefits are in excess of the amounts authorized to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or (iv) the sales and use tax exemption benefits are taken in cases where the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, fails to comply with a material term or condition to use property or services in the manner approved by the Agency in connection with the Project. As a condition precedent of receiving sales and use tax exemption benefits, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, shall (i) cooperate with the Agency in its efforts to recover or recapture any sales and use tax exemption benefits, and (ii) promptly pay over any such amounts to the Agency that the Agency demands.

Excerpt of Terms and Conditions from Project Agreement

In accordance with Section 875(3) of the New York General Municipal Law, the policies of the Agency and the Resolution, the Company covenants and agrees that it may be subject to a Recapture Event Determination (as hereinafter defined) resulting in the potential recapture and/or termination of any and all Financial Assistance, as described below, if the Company receives, or any duly appointed subagents receives any Financial Assistance from the Agency, and it is determined by the Agency that:

- (1) the Company or its Subagents, if any, authorized to make purchases for the benefit of the Project is not entitled to the sales and use tax exemption benefits; or
- (2) the sales and use tax exemption benefits are in excess of the amounts authorized by the Agency to be taken by the Company or its Subagents, if any; or
- (3) the sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or
- (4) the Company has made a material false or misleading statement, or omitted any information which, if included, would have rendered any information in the application or supporting documentation false or misleading in any material respect, on its application for Financial Assistance; or
- (5) the Company fails to meet and maintain the thresholds and requirements representing certain material terms and conditions as set forth in Section 9 of the PILOT Agreement, being the purposes to be achieved by the Company with respect to the Agency's determination to provide Financial Assistance to the Project and required by the Agency to be complied with and adhered to, as evidenced by submission, as so required by the Agency, of written confirmation certifying and confirming on an annual basis beginning in the first year in which Financial Assistance is so claimed, through the conclusion of the later of either: (i) two (2) years following the construction completion date or (ii) the

termination of this Agent Agreement or the PILOT Agreement (said date hereinafter referred to as the "Project Completion Date" and the time period so referenced being hereinafter defined as the "Material Terms and Conditions Monitoring Period").

In order to certify and verify the foregoing, the Company shall provide annually, to the Agency, a certified statement and documentation: (i) enumerating the full-time equivalent jobs retained and the full-time equivalent jobs created as a result of the financial assistance, by category, including full-time equivalent independent contractors or employees of independent contractors that work at the project location, (ii) indicating that the salary and fringe benefit averages or ranges for categories of jobs retained and jobs created that was provided in the application for Financial Assistance is still accurate and if it is not still accurate, providing a revised list of salary and fringe benefit averages or ranges for categories of jobs retained and jobs created, and (iii) such other information, as so requested from time to time, to enable the Agency to assess the progress of the Project toward achieving the investment, job retention, job creation, or other objectives of the Project indicated in the Application for Financial Assistance.

The Company shall annually complete and submit to the Agency the Annual Certification Report in the form attached hereto as **Exhibit E. Failure by the Company to complete and submit said form to the Agency by February 15 of each year during the Material Terms and Conditions Monitoring Period shall constitute an Event of Default hereunder, whereby the Agency, in its sole and absolute discretion, may terminate this Agent Agreement and/or the PILOT Agreement and undertake a Recapture Event Determination.**

The findings made by the Agency with respect to Sections 2(g)(1), (2), (3) and/or (4) and/or failure to provide the written confirmation as required by Section 2(g)(5) with respect to the thresholds and requirements as identified in Section 2(g)(5), above, and/or failure to meet the thresholds and requirements as identified in Section 2(g)(5) above, may potentially be determined by the Agency, in accordance with the Agency's "Recapture Policy", to constitute a failure to comply with Section 875(3) of the New York General Municipal Law, and/or a failure to comply with a material term or condition to use property or services or Agency Financial Assistance in the manner approved by the Agency in connection with the Project, and/or a failure to comply with the Agency's policies and Resolution (collectively, findings and determinations made as described herein with respect to Sections 2(g)(1), (2), (3) and/or (4) and/or the failure under Section 2(g)(5) to submit the required certification and/or the failure to meet the required thresholds and requirements as specified in Section 2(g)(5) hereof are hereby defined as a "Recapture Event Determination"). If the Agency makes a Recapture Event Determination, the Company agrees and covenants that it will (i) cooperate with the Agency in its efforts to recover or recapture any or all Financial Assistance obtained by the Company and (ii) promptly pay over any or all such amounts to the Agency that the Agency demands in connection therewith. Upon receipt of such amounts, the Agency shall then redistribute such amounts to the appropriate affected tax jurisdiction(s). The Company further understands and agrees that in the event that the Company fails to pay over such amounts to the Agency, the New York State Tax Commissioner and/or local taxing authorities may assess and determine the Financial Assistance due from the Company, together with any relevant penalties and interest due on such amounts.
